

REINVENTING POWER

AMERICA'S RENEWABLE ENERGY BOOM

LT. GOVERNOR'S 2018 MOVIE SERIES

This documentary tells the backstory of clean energy from innovation to installation. Over 50 minutes, viewers will hear directly from the people whose lives were changed because of the clean energy economy. This film explores issues of community access and energy equity; lost jobs and newfound opportunities; economic diversification and household security; reshaping our energy sector and redefining power.

**Hosted by Lt. Governor
David Zuckerman**
