Sarah, just to. Be absolutely clear. Good to go means we will now begin to release associated costs and stewardship awards for projects we closed without dispersing those funds, correct? Further we will get back to you in December as a result of our meetings with farmers on Alan for cost sharing stewardship. Thanks, Gus

Sarah – Nothing magic about the Friday meeting I just wanted to make sure you knew we are moving forward with the discussion with the farm community. If this is a crazy week we can try to reach resolution on the other issues next week. Good luck to all of us tonight. gus

Hi Sarah – I am wondering if the changes I sent back are acceptable to you. If they are we will begin to release funds to VLT that we have withheld.

We have scheduled the first of two or three meetings with the farm community for this Friday and have a date set aside for the second meeting. Best regards, Gus
