Not yet, no. We could add that. We can't limit to ground-mounted for them since they have concern about historic structures as well.

Any limitations on their participation like we do with AG? Project size?

Darren,

One other thing for SSTF. ACCD via Noelle has asked for the same "Party by Right" status that AAFM has asked for in S.248 proceedings. That is now a draft recommendation. I asked Noelle if she had checked in with the 5th floor – she acknowledged that she had not. To some degree the horse is out of the barn on this since it was discussed at the last SSTF meeting, but if you have concerns, let me know.

Thx.
