# Whiting Volunteer Fire Department

In August, Laurence Denis was recognized as the Emergency Maintenance Technician of the Year by the Vermont State Firefighters Association.

In October, Clarence Birchmore was honored at the National Fallen Firefighters Memorial in Emmitsburg, Maryland

Larry Wilbur was recognized by the Addison County Firefighters Association for Fire Fighter of the year. because of his commitment to the department and to the community.

The Whiting Fire Department was presented the Paul Turpin Training Award for having the most training hours in the county for the year 2003. Thanks to Tom Bouchard and Larry Wilbur, our Training Officers.

The Whiting and Addison Fire Departments purchased a memorial bell, had the stand crafted, and dedicated it to Clarence and Floyd Birchmore which then was given to the Addison County Firefighters Association.

This past year the department purchased a 1992 International Pumper. It has a 1250 gpm pump and carries a 1000 gallons of water. This new truck will improve our capabilities.

#### TOWN CLERK'S REPORT

The Town Office is still open on Monday, Wednesday and Friday from 9AM-12PM. On Monday and Wednesday, the office will be open from 4PM-6PM for town citizen's convenience. I also am open by appointment. If you have questions, feel free to contact me at home in the evenings. I will surely try to find the answer to your questions.

On Town Meeting Day, March 2nd, there will be an all day balloting for the Otter Valley Union High School budget, Addison County Solid Waste District Bond Issue vote and the Presidential Preference Primary. This will all be by Australian ballot from 10 AM to 7PM.

This year there has been quite a few changes with the resignation of Morris "Sandy" Sanders from all of his positions. We need a moderator, another Justice of the Peace, an assistant Town Clerk, and a selectman which Sandy held. We also need to elect another lister upon the resignation just before town meeting last year. We have had an appointed one, Gloria Bertrand, who was very helpful. If anyone is interested in any of these positions, please either come to town meeting on March 2nd or see me.

Now as to the transfer of property in Whiting from April 1st 2003 to January 1st 2004, we had quite a few. Also several new houses will be going up in the next year. The transfers are as follows:

Fontaine, Steve to Rebecca Schoolcraft mobile home and 2 Acres

Trombley, Brenda and Darlene Kratavil to Brenda Trombley - mobile home and 1.7 Acres

DeRepentigny, Sylvia to Rusty and Carol Brigham - log cabin and 17 acres

Town of Whiting to Whiting School District - straightened bountaries

Whiting School District to Town of Whiting - straightened bountaries

Quenneville, Justin to Tony and Carol Quenneville - easement

DeRepentigny, Sylvia to David and Phoebe Carlson - acreage to their lot

White, Stephen to Stephen and Cady White - Quit Claim

Quenneville, Tony and David to David and Gale Quenneville - mobile home and lot

Sanders, Morris and Rita to Jay and Amanda Sheldrick - House and lot

Hornbeck, Ronald and Juanita to Vermont Land Trust - Farm

Supernaw, Roger and Christine to Brian and Michelle Sherwin - House and lot

Colby, Ira and Evelyn to Jennifer Ponder - House and land

Freeguard, James and Beverly to Lawrence and Charity Bassett - 36 acres

Freeguard, James and Beverly to Nicholas and Bethany Iocco - 54 acres

Blossom, Kenneth and Claire to Donald and Debra Ohlinger - house and lanc

DeRepentigny, Sylvia to David and Phoebe Carlson - acreage of 45.7 acres

Grace Simonds, Town Clerk

# WHITING PLANNING COMMISSION

The Planning Board drafted a revision of the town zoning by-laws during 2003 with assistance from the Addison County Regional Planning Commission. The funds from our municipal planning grant made it possible to hire the Addison County Regional Planning Commission.

No significant changes were made to the bylaws. We updated the wording, made sure they met state statute and town plan.

The draft should be available for review in the near future. Public hearings will be scheduled.

We acted on several subdivision applications throughout the year.

Respectfully submitted,  
Marguerite Allen, Chair

## ANNUAL TOWN MEETING

March 4, 2003 at 7:45PM

Before the school meeting was called to order, Representative Mark Young was asked to speak on some of the issues going on in Montpelier.

After the school meeting at 7:55 Town Clerk Grace Simonds called the Annual Town Meeting for 2003 to order at 7:55PM.

Article 1 was read and Morris "Sandy" Sanders was elected moderator for the ensuing year.

At this time, the new Moderator, Morris Sanders, asked for a moment of silent prayer for the past Moderator, Clarence Birchmore.

Article 2 was for the town to receive the reports of the town officials. Doug Freeguard, chairman of the Select Board, asked for any questions from the voters. None were asked so a motion was made and seconded to accept the reports of the town officers. The report of the town officials was then accepted as presented.

Article 3 (a) was the election of a selectman for three years which was to be done by secret ballot. Doug Freeguard, an incumbent, was nominated, seconded and elected with the casting of one ballot by the clerk.

Article 3 (b) was the election of a lister for three years which was to be done by secret ballot. James Crawford, an incumbent, was nominated, seconded and elected with the casting of one ballot by the clerk.

Article 3 (c) was the election of an auditor for three years which was to be done by secret ballot. Ellen Kurrelmeyer was nominated, seconded and elected with the casting of one ballot by the clerk.

Article 3 (d) was the election of a collector of Delinquent Taxes. Marilyn Chicoine, an incumbent, was nominated and seconded. She was so elected.

Article 3 (e) was the election of a Library Trustee for 3 years. Katrina Fielder, an incumbent, was nominated, seconded and elected by a voice vote.

Article 3 (f) was the election of a Road Commissioner. Delwin Fielder, an incumbent, was nominated, seconded and elected by a voice vote. He was then commended for the nice job he is doing on the road. This was followed by an applause by those present.

Article 3 (g) was the election of a First Constable. Guy Chicoine, an incumbent, was nominated, seconded and elected by a voice vote.

Article 3 (h) was the election of a Second Constable. Jeff Hornbeck, an incumbent, was nominated, seconded and elected by a voice vote.

Article 3 (i) was the election of a Grand Juror. Charlotte Birchmore was nominated, seconded and elected by a voice vote.

Article 3 (j) was the election of a Town agent. Charlotte Birchmore, an incumbent, was nominated, seconded and elected by a voice vote.

Article 4 was to have the town give the Delinquent Tax Collector the power to collect the delinquent taxes. This was voted in the affirmative with a voice vote.

Article 5 was to give the Treasurer the power to collect real property taxes to the Treasurer on or before December 1, 2003. This was voted in the affirmative with a voice vote.

Article 6 was to grant a discount not to exceed 4% on or before August 1st, 3% - September 1st, 2% - November 1st a taxes to become delinquent after December 1st. This was voted in the affirmative with a voice vote.

Article 7 was voting on the budget as presented by the Select board. After it was moved and seconded, the new budget of \$212,907.00 was then moved, seconded and voted in the affirmative. \$110,970.00 was to be raised by taxes. There was no discussion.

Article 8 was to discuss any non binding issue to be done at this time. It was noted by Selectman Doug Freeguard that a new lister will be needed for the ensuing year.

This meeting adjourned at 8:15PM. submitted by Grace Simonds, Town Clerk

# WHITING ZONING REPORT FOR 2003

During 2003, a total of 35 local projects received zoning permits and reviews, as follows:

Replace structure or trailer	2
House Additions	1
Porches or decks	3
Barns or sheds	7
Subdivision of land/lot line realignment	2
New residences/seasonal camps	5
Road access	1
Permit to reopen store and apartment	1
Temporary construction permit	1
File Memo	1
Demolition permit	1
Permit reviews	7
Reapplication to replace trailer	1
Non formal notice of violation/junkyard complaint	2

Townspeople are reminded they should check with the Zoning Administrator prior to proceeding with any construction project. Allow enough time for the permit process and to determine the type of permit required for the project. The Zoning Administrator is Fred Chadwick who may be reached at 247-3355.

The Town of Whiting continues to have no sewage ordinance in place but you should check with the Department of Environmental Conservation, Rutland, Vt at 786-5900 to verify the status of your property with regard to state wastewater permits, or contact Fred Chadwick, Zoning Administrator.

Farm Structure (as defined by statute) remain under the jurisdiction of the Vermont Department of Agriculture, except for any farm residence. The town must be notified in writing of the intent to build a farm structure and a site sketch showing location of the structure and setbacks must be included. No local permit is required for a farm structure that qualifies.

The zoning ordinance allows two unregistered vehicles to be stored on the owners property--- the presence of three (3) or more constitutes a violation.

Zoning searches are still being done for refinanced properties. Searches are done by the Zoning Administrator for \$25.00 plus the \$7.00 recording fee in the Land Records.

The Town of Whiting Zoning By Laws have been through revision and will be through public hearings and hopefully approved within the next couple of months. During hearings and until final statute appeal periods have run, both old and new bylaws will be used as standards for review of projects. Again, it is very important to be in touch with the Zoning Administrator with all questions regarding your project.

Respectfully Submitted  
Frederick B. Chadwick, Whiting Zoning Administrator

## 2003 TOWN HALL REPORT

In 2003, the Whiting Town Hall was used on 27 occasions at no charge. This included Town meetings (1), 4-H functions (8), Whiting Elementary School functions (7), Fire Department (3) and Whiting Water Corp (1). The Town Hall was rented for a total of \$75 during the first 8 months of 2003.

The tables and chairs may be rented to town residents for \$2.50 per table and \$.25 per chair. This year \$197.50 was received for these rentals.

The town hall is available, at no charge, for town group meetings (school, fire department, church, 4-H, little league etc) and for public meetings and hearings.

Morris (Sandy) Sanders, Town Hall Custodian for the first 8 months.

After Sandy's resignation, Tammy Leno was appointed to be Custodian of the Town Hall. People are to call her at 623-6197 for rentals of either the hall or tables and chairs.

Tammy's report is the Town hall was used on 15 occasions. 8 times at no charge: 6 to the 4-H, 1 to the Whiting School, 1 to the First Response meeting and 1 to the Whiting Water Corporation. The Town Hall was rented for a total of \$190.00 during the past year. The tables and chairs were rented out for a total of \$7.00

In the year of 2004, Tammy's plans are to get the floor fixed, the walls fixed and painted if it is in the town's budget.

Tammy Leno, Town Hall custodian for the last 4 months.

## RULES FOR TOWN HALL RENTALS

The town hall is available for rent, by Whiting town residents, for showers, parties, weddings, reunions, and dances, but not for stag parties. A deposit of \$30.00 and a \$5.00 fee for the key paid in addition to rental fee, will be returned if the building has been left clean and in good order after use.

Guidelines for renting the town hall, established by Whiting Selectmen include:

1. Responsible Whiting adults are to be in charge of any event taking place at the town hall.
2. A constable must be present at all adult dances where alcoholic beverage is served.
3. Tables and chairs are to remain within the town.
4. To use the building, one needs to contact the custodian before hand to insure that it will be available.

A contract needs to be signed by anyone renting the hall to protect our liability and property.

## **Whiting Community Festival**

The second Whiting Community Festival was held September 6, 2003 on the fields behind the school and firehouse. People entering the festival through our welcoming tent enjoyed making crafts, petting zoo, and hayrides. Children participated in carnival games, a dunking booth, pony rides, clowns, balloons and free books. The Whiting Fire Department trucks were on display. They also displayed two campsites; one safe and one unsafe for children to compare. The fire department also provided the dunking booth. Visitors were entertained by a variety of music and dance from old time fiddlers, square dancing, to a DJ playing rock n' roll.

Thanks to the generosity of many local businesses and organizations, people enjoyed snacking on apples, cheese, spring water, and popcorn from our own popcorn popper donated to the Town of Whiting through Healthy Communities Committee and the Vermont Department of Health Community Tobacco Control Grant.

The Whiting School Board presented Sue Kellogg with a plaque to honor her for 25 years of exemplary service at the Whiting School.

We had a fantastic potluck buffet featuring barbecue beef cooked by Ed Hornbeck. Thanks to all the people who brought dishes to share. The bringing and sharing of these potluck dishes makes it truly a community meal. Donated ice cream made a great dessert.

This event would not have been possible without the generous support of many community members. This included the many donations of time, equipment, and materials. A special thank you to the Whiting Volunteer Fire Department for all their help with this event which included, setting up and taking down, lights, and parking.

The overwhelming response to this event has been gratifying to those who worked on the Whiting Community Festival Committee. Putting on an event like this festival is very labor intensive. There are many hours of planning and organizing needed leading up to the event, as well as, the working hours needed on the day of the festival and cleaning up the next day. With this in mind, the Whiting Community Festival Committee has decided that the Festival should be held every two years. Our next Festival meeting will be held March 8<sup>th</sup> at the Whiting School at 7:00 p.m. We welcome your ideas and support.

This free event was made possible in part by support from the Town of Whiting, a grant from Healthy Communities Committee and the Vermont Department of Health Community Tobacco Control Grant, and many private donations.

The legal voters of the Addison County Solid Waste Management District are further notified that voter qualification, registration and absentee voting relative to said special meeting shall be as provided in Chapters 43, 51, and 55 of the Title 17, Vermont Statutes Annotated, and Sections 46 and 47 of No. M-6 of the Acts of 1989.

The ballots cast in each member municipality shall be commingled and counted by a member(s) of the Board of Supervisors of the District with the Town Clerk from each member municipality or his or her designee, as required by Section 36(b)(4) of the District Agreement.

Adopted and approved at a regular meeting of the Board of Supervisors of the Addison County Solid Waste Management District held on December 18, 2003.

  
George West, Chair, Board of Supervisors

Filed with the District Clerk this 18<sup>th</sup> day of December, 2003.

Attest:   
Teresa A. Kuczynski, Clerk of the District

## WHITING ANNUAL SCHOOL MEETING

March 4, 2003

This meeting was opened at 7:30 PM on March 4th with Town Clerk Grace Simonds reading the warning and Article 1.

Article I (a) was the election of a Moderator in which Morris Sanders was elected with no opposition.

Article I (b) was the election of a school treasurer. Heather Bouchard, an incumbent, was elected with no opposition.

Article I (c) was the election of a school director for 3 years. Paul Quesnel, an incumbent, was nominated and elected school director for 3 years.

Article I (d) was the election of a school director for 2 years. Cindy Crawford and Jeanne Lamoureux were both nominated and seconded for this position. A secret ballot was then requested with the results of Cindy receiving 25 votes and Jeanne receiving 13. The newly elected school director for 2 years was Cindy Crawford..

Article II was accepting of the school report. Paul Quesnel, chairman of the school board, then reviewed the budget as presented to the voters. He explained where they had cut in the various categories. This meant that the budget presented was down from last year. He then thanked the people for their participation in the Whiting Community Day and for all the help that has been given to the school.

A question about no busing for the elementary school. Otter Valley busses our school children .

The School Board's report was then accepted as presented and voted in the affirmative.

Article III was to move the bus sinking fund into the general fund to cover the expenses of the Otter Valley busing of the elementary school children. The motion was made and seconded to do this. It was then voted by a voice vote to move this money into the general fund to cover the busing expenses.

Article IV was to vote on the budget. A motion was made and seconded to vote the budget for 2003-2004 of \$324,465.31. This was approved by a voice vote.

Article V was amended to read "as approved under Article IV" instead of how it was warned "as approved under Article III". The amendment was approved and then it was moved, seconded and voted in the affirmative to allow the School Board to borrow money if needed to meet the school's cash demands.

Article VI was for any other nonbinding items to be brought before the people at this time.

This meeting adjourned at 7:53 PM. Submitted by Grace Simonds, Town Clerk.

## Whiting Elementary School Principal's Report

All of us at Whiting Elementary School continue to stress traditional family values, yet teach for the 21<sup>st</sup> century. We use current, best practices to implement district curriculum and goals while fostering individual growth and creative expression.

Our **Whiting Community Preschool** had a great first year. This present year we have ten students, five from Whiting, one from Sudbury, and four from Leicester. This registered preschool is held Mon., Wed, and Fri. mornings from 8:00 – 11:30. We have had teachers from other areas who have visited because they are considering setting up a preschool and they see ours as a great example of a successful preschool.

This year's **Whiting Week** (held in May) will focus on the Westward Expansion of our country. We continue to produce a yearly musical in which all our students participate. This year's musical was *Tall Tales and Heroes*.

P. E., with instructor, Chad Chamberlain is held Friday mornings. Most of our 4<sup>th</sup> – 6<sup>th</sup> grade students participated in the after school soccer program offered last fall. **Art** and **music** are taught a half a day a week each. All our 5<sup>th</sup> and 6<sup>th</sup> graders participate in instrumental music. For the second half of the year, they will combine with Sudbury's band. Our *Pig in a Blanket*, painted by our students with the help of our Art and Music teacher, Sandy Button, is now back at school (thanks to the generosity of Mrs. Moffat and Mrs. Kline). An after school homework club is offered two afternoons a week and is open to any student in grades 3 – 6.

All of our students have formal computer lessons twice a week, in addition to using our computers for a variety of projects. Our students are right on target with the district's new technology benchmarks. We hope that everyone continues to enjoy our school **Moosletter**, which is mailed to everyone in town several times a year.

Educational field trips enhance our curriculum. Last fall the 3<sup>rd</sup> & 4<sup>th</sup> graders participated in several field trips with Leicester's 4<sup>th</sup> graders connected with the study of Geology. This spring the students will be attending a performance at the Paramount Theater in Rutland. The 5<sup>th</sup> and 6<sup>th</sup> graders attended a natural science field day held at the Addison County Fair Grounds. The younger students also enhanced their curriculum through local field trips.

Many of our students take advantage of our Breakfast Program. We have been able to provide breakfast for a quarter ( cereal, bagel, or muffin and milk & juice) with the help of parents who are great coupon shoppers and donations from the Community Cupboard, the food shelf in Whiting. Microwaves are available for students who need to heat their lunches.

Our **school nurse** (Tatiana Green) is in our school on Thursdays and always available by phone. Ms. Green is also our representative to the district Crisis Planning Team.

Yearly, our students complete several formal required assessments, the DAR (2<sup>nd</sup> grade reading test), the Terra Nova (a national achievement test for 3<sup>rd</sup>, 5<sup>th</sup>, and 6<sup>th</sup> grades), the NRSE (a state test for 4<sup>th</sup> grade) and a the 6<sup>th</sup> grade PASS (a science test), as well as more informal classroom tests. Our daily attendance average last year was 72.6%. (This was due to frequent absences by older students and our low student count.)

Communication between parents and the school is very important to us. Two formal conferences are held with students and parents twice a year, a goal setting conference in the fall and a portfolio review conference in the spring. Informal visits with parents are frequent and interim reports for grades 3 – 6 are sent home on a regular basis. We also encourage parents and community members to stop by and visit the school any time, or to help with projects.

## WHITING TOWN SCHOOL LEGAL NOTICES

**School Board** - The school board welcomes your input on all issues. The school board meets on the second Thursday of each month at 6:00 PM at the school. Please call the school in advance (623-7991) in order to assure time for you on the agenda and to see if there have been any date changes, postponements or cancellations.

**Equal Opportunity** - The Rutland Northeast Supervisory Union insures equal employment and educational opportunities regardless of race, color, handicap, national origin, or sex.

**Students with Disabilities** - The Rutland Northeast Supervisory Union is required by federal laws IDEA-B (Formerly EHA-B) and Section 504 and state regulations to identify and locate all persons with disabilities between the ages of birth and 21 who may be in need of regular education, special education services or accommodations in accessing public education. If you know of any individual residing in the town of Whiting who you suspect of having such needs, but who is not currently receiving them, please contact the special education coordinator, Michele LaRouche, at (802) 247-5757 or the school principal for your town.

**Records Review** - As provided under federal and state laws and regulations, all parents and legal guardians are hereby notified that the school records for their children are available for inspection. Please contact your school and set up an appointment if you wish to exercise this right.

**Asbestos** - The Asbestos Hazard Emergency Response Act [40 CFR 763.93 (g) (4)] requires that written notice be given that the following schools have Management plans for the safe control and maintenance of asbestos-containing materials found in their buildings. These Management Plans are available and accessible to the public at the administrative offices of each facility listed below. Please contact the building Principal if you wish to read this plan.

Rutland Northeast Supervisory Union  
Summary of Discipline Policy  
(Annual Report required by Safe Schools Act, 16 VSA 165 (J))

The school is a community. It is responsible for education of those children who attend and, therefore, it must establish and enforce guidelines and procedures that provide for an orderly learning atmosphere. There must be a set of procedures for dealing with inappropriate student behavior; including ones for detention, suspension, and expulsion.

Principals and teachers shall have the authority to establish and enforce such rules and procedures as are consistent with state laws, regulations, local policies and board directives.

Among these actions are:

Immediate removal: A student may be summarily removed if there is an imminent danger to the student, other school personnel, or the school property. Due process rights will be accorded as soon as practical following the summary suspension.

Short Term Suspension: The Superintendent, principal, or a teacher (in the absence of the principal), may suspend a student from the school as a reasonable form of punishment, or for the purpose of securing or maintaining order in the school. Suspensions under this section shall not exceed 10 consecutive days. Due process rights are provided to the student.

Long Term Suspension: Long term suspension is defined as exclusion from school for ten days or more, but for a set period of time, not to exceed 90 days. Due process rights provided to the student are the same as those provided under expulsion.

Expulsion: The dismissal of a student for the remainder of the school year, or up to 90 days, (or in the case of a weapons violation, one year) shall occur only upon recommendation of the Superintendent of Schools and concurrence of a majority of the Board of School Directors. Due process rights shall be available to a student whose dismissal is under consideration.

## 2003 Student Assessment Results

### Terra Nova Assessment

The Terra Nova Multiple Assessment is a norm-referenced, standardized test, in its fourth year of use in Rutland Northeast. A great advantage of this test is that it allows citizens to see how Rutland Northeast achievement test scores compare to the nation. Further, you can see whether a group of students is improving as compared to the nation.

In looking at the scores for your school, the national average is 50. If your grade level scores increase as you read across a line, that means that class of students improved, as compared to the national average, as they moved from one grade to the next. The bold printed number is the grade the students were in when tested in Spring, 2003. The regular print numbers are the grade levels for earlier year scores. A score of 60 for a grade level grouping is excellent and a score of 70 or above is exceptional.

**Cautions:** Standardized tests are important but they do not measure all the important things that we teach. They also do not test the various skills and talents of individual students. Further, attitudes, behaviors, school tone and the like are not well represented by standardized tests.

Also, year-to-year comparisons become less reliable as the number of children tested within a grade level goes down. Twenty is about the lowest stable class size and classes of less than ten show erratic score patterns.

### New Standards Reference Examination

The New Standards Reference Examination is required by the State of Vermont and is administered in reading and mathematics in grades 4, 8, and 10.

The test results indicating the percent of students who "mastered" the examinations are available on the state education department's site and are not reported here. State mastery levels are not consistent from grade to grade or from year to year due to changes in test forms.

The scores below show how local students scores in relation to national averages over the past four years. The national average is set at 50, a score of 60 is excellent and a score of 70 is exceptional.

**Cautions:** Remember that each fourth grade class is different. These tests do not compare the same students over time like the TerraNova tests. Thus, scores will not always show a consistent pattern. Twenty is about the lowest stable class size and classes of less than ten show erratic score patterns.

### Vermont Developmental Reading Assessment

The Vermont Developmental Reading Assessment is required by the State for students in Grade 2. It is a performance-based test that reports the percentage of students who met the state's second grade standard for reading.

**Report of the Superintendent of Schools  
Whiting Town School District**

Next school year brings the beginning of Act 68, the new state aid formula. This law, passed with broad bipartisan support, is seen by most folks as a significant improvement to Act 60. While exact numbers are not available as this report goes to press, early estimates show significant decreases in your school property taxes. However, the law now places technical (vocational) education costs in your local town school budget. This makes your town school budget appear to increase more than it actually does. However, rest assured that we get other revenues from the state to offset these costs.

Across the state, school enrollments are going down and we are no exception. Consequently, your board is keeping a careful eye on staffing levels and is managing this decline. Rutland Northeast schools are very close to state averages on teacher to student ratios. Whiting has offset student loss by accepting outside tuition students to our pre-school program. The teachers and school board have done a marvelous job in making this program a success. A couple of new move-ins should also help get our numbers back up.

Blue Cross/ Blue Shield rates went up 9.75%. This is a lower level of increase than in earlier years but this is still a serious problem. Many of us are disappointed that the federal and state governments have not moved on this nationwide crisis. Comprehensive health care reform is beyond the scope of school districts, businesses and most citizens to solve. For your information, our employees must pay deductibles as well as co-pay 20% of their medical expenses.

This year, we implemented a new k-12 transportation system. After the start-up problems were sorted out, the system is working well. Bus behavior is generally better for all students. (This was a concern for many parents). We still have work to do and will continue to make refinements and improvements as time goes on.

As part of our goals, we have expanded our early education programs, as noted above. Money spent in the early years is returned four-fold in later school and adult years. We now have solid options available to students throughout the supervisory union.

Another major goal is the implementation of the new federal education law. While the intentions were certainly noble, the law is drastically underfunded. What this means is an "unfunded mandate" where the costs are passed on to state and local governments. Despite Vermont's scoring an average of thirty percentile points higher than the nation (and our lead is increasing) every school in the state will ultimately be declared a "failure" due to flaws in the law. We continue to work with our state and federal governments on these issues. The Rutland Northeast board asked us to look at whether we should reject the federal money because the costs outweigh the benefits.

We can take justifiable pride in many of our stellar student performances. They match the best in the nation. At the same time, we are just as concerned with giving the best opportunities to all children. Thus, we have focused on alternative settings. Our goal is for every child to be a productive contributing member of society.

In service, we have concentrated on improving our classroom assessment practices. We have good performance on standardized tests but the numbers we test each year are so small that it is hard to draw conclusions. However, if active community support and a good learning environment are our measure, then we are certainly succeeding.

The Whiting board meets on the second Thursday at 6:30pm at the school. We welcome your participation. If you have any questions, please feel free to contact me or any of your board members.

Respectfully Submitted,

William J. Mathis  
Superintendent of Schools
