Hi Lawrence and all,

I briefly reviewed the PPR response. Seems a bit extreme to redact everything. I'll have someone review the exemptions this weekend and then get back to you/DVHA next week about any potential appeal.

In the meantime, can someone tell me what specific contract(s) with BCBSVT the reconciliation communications pertain to?

Thanks,
Neal

Neil,

I have just finished reviewing DVHA's pending response to your request and I do not have anything responsive in my custody that is not included in that response. DVHA is responsible for redaction under the relevant exemptions. I expect you will receive that package this afternoon.

It is my understanding that no other member of the Governor's office had any responsive records either; accordingly I believe the DVHA response will also complete the request of the Governor's office.

Respectfully,
Lawrence
