Introduction

This report is submitted by the Vermont Municipal Clerks' and Treasurers' Association and the Vermont League of Cities and Towns in compliance with the provisions of 2018 Acts and Resolves No. 155 (Act 155). The report includes the pertinent language of Act 155; the names of the individuals who contributed to the report; requested information from 78 municipalities regarding the fees assessed and revenue derived therefrom; a draft of requested legislative language and table of requested fee changes.

Legislation – Act 155

Act 155 of the 2017 – 2018 legislative session called for a report from the Vermont Municipal Clerks' and Treasurers' Association and the Vermont League of Cities and Towns every three years beginning in 2019 that provides information on fees collected at the local level and any request for increases in fees that are established via legislation.

32 V.S.A chapter 7, subchapter 6A is added to read:

Subchapter 6A Town Fee Report and Request.

(b) On or before the third Tuesday of the legislative session of 2019 and every three years thereafter, the Vermont Municipal Clerks' and Treasurers' Association and the Vermont League of Cities and Towns shall jointly submit a consolidated town fee report and request. The report shall be submitted to the House Committee on Ways and Means, the Senate Committee on Finance, and the House and Senate Committees on Government Operations. The provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall not apply to the report to be made under this subsection.

(c) For each fee in existence on the preceding July 1, the report shall specify:

- (1) its statutory authorization and termination date, if any;
- (2) its current rate or amount and the date it was last set or adjusted by the General Assembly;
- (3) the fund into which its revenues are deposited; and
- (4) for each town, in each of the two previous fiscal years, the revenues derived from each fee.

(d) A fee request shall contain any proposal to:

(1) Create a new fee, or change, reauthorize, or terminate an existing fee, which shall include a description of the services provided or the function performed.

(2) Set a new or adjust an existing fee rate or amount. Each new or adjusted fee rate shall be accompanied by information justifying the rate, which may include:

(A) the relationship between the revenue to be raised by the fee or change in the fee and the cost or change in the cost of the service, product, or regulatory function supported by the fee;

(B) the inflationary pressures that have arisen since the fee was last set;

(C) the effect on budgetary adequacy if the fee is not increased;

(D) the existence of comparable fees in other jurisdictions;

(E) policies that might affect the acceptance or the viability of the fee amount; and

(F) other considerations.

(3) Designate, or re-designate, the fund into which revenue from a fee is to be deposited.

Committee Recommendation

The last time the recording fees were increased was July 2009.

	Current Fee	Proposed
Standard land record	\$10.00 per page	\$15.00 per page*
Property Transfer Tax Return	Flat \$10.00	\$15.00 per page*
Mylar (Map filings)	\$15.00 per sheet	\$25.00 per sheet*

*The recommendation includes a mandate that municipalities must set aside a portion of the per page/sheet for recording/restoration/conservation. These monies are to be used at the discretion of the Town Clerk for the digitizing, restoring/conservation of documents, or doing vault improvements.

The Committee is also recommending increasing the Record Search Fee (Vault Fee) from \$2/hour to \$4/hour. 32 VSA § 1671 (a)(4) is not clear when this fee was last increased. Although some Clerks do not charge this fee, to some Clerk's it is an important source of income for their office.

Fees Established in Statute for Goods and Services Provided by Municipal Clerks

32 V.S.A. § 602 Definitions (2) (C) is added to read:

(2) (C) “Fee” also means fees established in statute for goods, licenses, certificates, registrations and services provided to members of the public by municipal officials.

32 V.S.A. § 605 Consolidated Executive Branch Annual fee report and request (b) (4) and (f) are added to read:

(4) A fee report, to be titled the Municipal Statutory Fee Report Recommendation covering all fees established in statute for goods, licenses, certificates, registrations and services provided to members of the public by municipal officials shall be submitted by the third Thursday of the legislative session beginning in 2017 and every three years thereafter.

(a) The Municipal Statutory Fee Report Recommendation shall be developed by the Commissioner of the Department of Finance and Management in consultation with a representative of the Vermont League of Cities and Towns; a representative of a small (less than 2500 population) municipality and a representative of a large municipality appointed by the Vermont Municipal Clerks and Treasurers’ Association; and the State Archivist.

(f) The Municipal Statutory Fee Report Recommendation shall include the information required of subsection (c) of this section. Notwithstanding subsection (d) of this section, the report recommendation shall include only proposals to create new fees payable to municipalities in statute. Nothing in this section or any other provision of statute prevents a municipality from establishing fees for goods, licenses, certificates, registrations and services provided to members of the public in addition to statutorily established fees, and that are established pursuant to municipal bylaws, ordinances and fee schedules.

32 VSA sec. 1671 is amended to read:

(a) For the purposes of this section a “page” is defined as a single side of a leaf of paper on which is printed, written, or otherwise placed information to be recorded or filed. **Each separate entry on a page shall be considered a separate document to be recorded and charged accordingly.** The maximum covered area on a page shall be 7 ½ inches by 14 inches. All letters shall be at least one-sixteenth inches in height or in at least eight- point type.
