Independent Auditor's Report

Selectboard
Town of Milton, Vermont
43 Bombardier Road
Milton, Vermont 05468-3205

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Milton, Vermont, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Town of Milton, Vermont's basic financial statements as listed in the Table of Contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in "Government Auditing Standards", issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Town's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Town's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to previously present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Milton, Vermont, as of June 30, 2021, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Principles

As described in Note I.F. to the financial statements, effective June 30, 2021, the Town implemented GASB Statement No. 84, "Fiduciary Activities".

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis on pages 4 through 14, the budgetary comparison information on Schedule 1, the Schedule of Proportionate Share of the Net Pension Liability on Schedule 2 and the Schedule of Contributions on Schedule 3 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

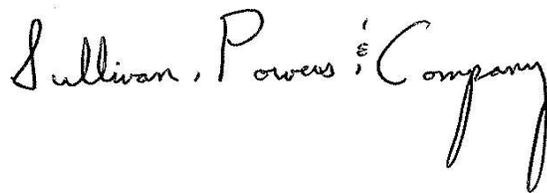

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Milton, Vermont's basic financial statements. The combining fund financial statements and the budgetary comparison schedules for the Water and Sewer Funds are presented for purposes of additional analysis and are not a required part of the basic financial statements. These schedules have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by “Government Auditing Standards”

In accordance with “Government Auditing Standards”, we have also issued our report dated December 10, 2021 on our consideration of the Town of Milton, Vermont’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with “Government Auditing Standards” in considering the Town of Milton, Vermont’s internal control over financial reporting and compliance.

December 10, 2021

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

Management of the Town of Milton (the Town) offers readers of the basic financial statements this narrative overview and analysis of the financial activities of the Town for the fiscal year ended June 30, 2021. Please note that this section of the Basic Financial Statements is unaudited.

FINANCIAL HIGHLIGHTS

- The Town's assets and deferred outflows of resources exceeded its liabilities and deferred inflows of resources at the close of the fiscal year by \$41,132,727 (net position). Of this amount, \$4,108,003 (unrestricted net position) may be used to meet the Town's ongoing obligations. The balance of net position is made up of \$33,400,579 invested in capital assets net of related debt and \$3,624,145 restricted for specific purposes.
- The Town's total net position increased by \$828,032 (2.1%). Of this amount, net position of the governmental activities increased by \$523,448 (3.3%), and net position attributable to business-type activities increased by \$304,584 (1.3%).
- At the close of the current fiscal year, the Town's governmental funds reported combined ending fund balances of \$10,718,133. This is an increase of \$2,072,059 from the prior year's combined ending fund balance of \$8,646,074. This increase is primarily in assigned and unassigned fund balances. Most of the assigned fund balance is for capital expenditures.
- At the end of the current fiscal year, unrestricted fund balance (the sum of unassigned, assigned and committed fund balance) for the general fund was \$2,474,633, or approximately 33.6% of total general fund expenditures.
- The Town's total outstanding long-term debt increased by \$1,135,088 during the current fiscal year. Additions to long-term debt totaled \$6,023,967 offset by principal payments of \$4,888,879. The additions included notes for a plow truck, an ambulance, a police cruiser, and a shared use vehicle.
- The COVID pandemic had minimal financial impact on the Town in 2021. Property tax collection was actually slightly above the average, meaning there were fewer delinquent accounts than in previous years. There were reductions in revenue of various fees for services, but those were offset by savings in expenditures.

OVERVIEW OF THE FINANCIAL STATEMENTS

This discussion and analysis is intended to serve as an introduction to the Town's basic financial statements which are presented in three sections: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. In addition to the basic financial statements, this report also contains other and required supplementary information such as budget to actual comparisons and combining financial statements.

It is important for the reader to understand that, although governmental accounting resembles private sector accounting, the two differ significantly. The government-wide financial statements will be the most familiar for readers versed in private sector financial reporting. Readers should know that the financial activities of the government unit are recorded in funds. A fund, generally, is a separate set of self-balancing books for each major activity. For example, the Town operates a sewer facility referred to as a business-type activity, which is supported by user fees and recorded in an enterprise fund separately from the general governmental activities which are accounted for primarily in the general fund and supported in large part by property tax revenues.

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

Government-Wide Financial Statements

The government-wide financial statements provide a general overview of the Town's operations presenting all data on the full accrual basis, similar to the way a private sector business would present its financial statements. There are two statements presented at the government-wide level: the Statement of Net Position and the Statement of Activities. Within each of these statements, governmental activities are presented separately from business-type activities. The governmental activities reflect the Town's basic services; including general government, public safety, highways and streets, culture and recreation, and community development. Property taxes finance the majority of these services supplemented by program fees, grant revenues, and other revenues. The business-type activities reflect private-sector-type operations for which user fees recover all or a significant portion of costs. The business-type activities of the Town include both water and sewer operations.

The Statement of Net Position presents information on all of the Town's assets, deferred outflows of resources, liabilities, and deferred inflows of resources, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Town is improving or deteriorating.

The Statement of Activities reports how the Town's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused leave time).

Government-wide financial statements include not only the Town itself (referred to as the primary government), but also other legally separate entities for which the Town is financially accountable (referred to as component units). During the current year, the Town was not responsible for any entities that qualify as component units.

The government-wide financial statements can be found in Exhibits A and B of this report.

Fund Financial Statements

A fund is a group of related accounts used to maintain control over resources that have been segregated for specific activities or objectives. The Town, like other state and local governments, uses fund accounting to ensure and demonstrate finance-related legal compliance. The funds of the Town are segregated into three categories: governmental funds, proprietary funds, and fiduciary funds.

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. Unlike the government-wide financial statements however, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Consequently, the governmental fund financial statements provide a detailed short-term view helping the reader determine the level of financial resources available to finance the Town's programs in the near future. Because this information does not encompass the long-term focus of the government-wide statements, additional information is provided reconciling the governmental fund financial statements to the government-wide statements explaining the relationship between the two.

TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021

The Town maintains three major governmental funds; the General Fund, the Town Core TIF Fund, and the Capital Reserve Fund. In addition to these, the Town maintains six special revenue funds, two capital project funds, and one permanent fund, none of which qualify as major funds. These funds are consolidated into the column labeled Non-Major Governmental Funds in the Fund Financial Statements. Combining financial statements containing more detailed information on these funds may be found in Schedules 4 through 9.

The basic governmental fund financial statements can be found in Exhibits C through E of this report. The Town adopts an annual appropriated budget for its general fund. A budgetary comparison statement is provided in Schedule 1 for the purpose of demonstrating compliance with the duly appropriated budget.

Proprietary funds are used to account for a government's business-type activities at the fund level. There are two types of proprietary funds: enterprise funds and internal service funds. Enterprise funds are used to report the same functions presented as business-type activities in the government-wide financial statements. The Town maintains two enterprise funds: the Water Fund and the Sewer Fund. Internal service funds are an accounting device used to accumulate and allocate costs internally among various functions. At this time, the Town has no internal service funds.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide information for the Water Fund and the Sewer Fund separately.

The proprietary fund financial statements of the Town may be found in Exhibits F through H. Although not required, non-GAAP budgetary comparison statements and reconciliation to the financial statements is provided in Schedules 10 and 11.

Fiduciary funds, also known as trust and agency funds, account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statements because the resources of those funds are not available to support the programs of the Town. The accounting used for fiduciary funds is much like that used for proprietary funds. The Town has one Custodial Fund detailed in Exhibits I and J.

Notes to the Financial Statements provide additional information necessary to obtain a full understanding of the data provided in the government-wide and fund financial statements. The notes serve to explain, clarify, and expand upon the financial data presented in the financial statements, and provide some additional information. The notes can be found immediately following the basic financial statements.

In addition to the basic financial statements and accompanying notes, certain **Supplementary Information** is provided, including a budgetary comparison statement for the general fund, information on changes in the net pension liability, and employer contributions to pensions. The supplementary information can be found immediately following the notes to the financial statements in this report.

The combining statements referred to earlier in connection with nonmajor governmental funds are presented immediately following the required supplementary information on the general fund budget and pension.

Net Investment in Capital Assets	10,561,927	11,511,098	22,838,652	22,878,520	33,400,579	34,389,618
Restricted	3,624,145	3,693,292	0	0	3,624,145	3,693,292
Unrestricted	2,242,456	700,690	1,865,547	1,521,095	4,108,003	2,221,785
Total Net Position	\$ 16,428,528	\$ 15,905,080	\$ 24,704,199	\$ 24,399,615	\$ 41,132,727	\$ 40,304,695

As noted earlier, net position serves as a useful indicator of a government's financial position over time. At the end of the most recent fiscal year, the Town's assets and deferred outflows of resources exceeded liabilities and deferred inflows of resources by \$41,132,727. The Town's total net position is split between governmental activities net position of \$16,428,528 and business-type activities net position of \$24,704,199.

The largest portion of the Town's total net position \$33,400,579 (81.2%) reflects its investment in capital assets (construction in progress, equipment, vehicles, land, buildings and infrastructure) net of any outstanding debt used to acquire or construct those assets. The Town uses capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the Town's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources since the capital assets themselves cannot be used to liquidate these liabilities.

The Town's total net position includes \$3,624,145 (8.8%) of restricted net position. Restricted net position represents assets whose use is subject to external restrictions. The remaining balance of \$4,108,003 (10.0%) is unrestricted net position, which may be used to meet the government's ongoing financial obligations. Included in unrestricted net position are amounts that management has assigned for particular purposes, such as capital reserve funds and reserves for expenditures in subsequent years.

Governmental Activities

Governmental activities increased the Town's net position by \$523,448 for the year ended June 30, 2021. Key elements of the change are as follows.

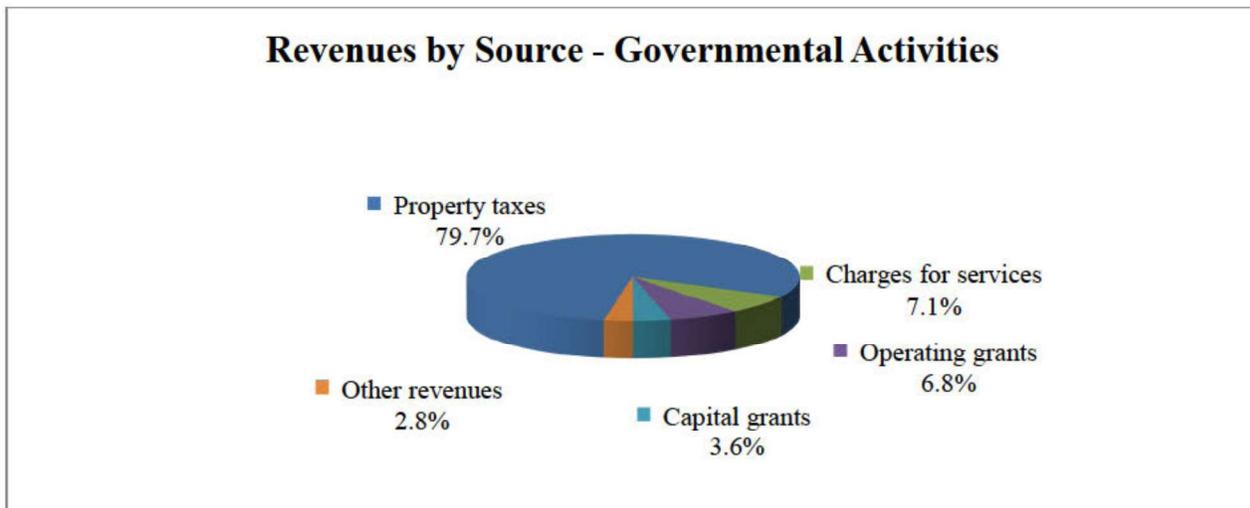

- Total governmental activities' revenues decreased by 1.5% (\$141,428) from 2020 to 2021. This was driven by a decrease in capital grants as well as a slight decrease in charges for services.
- Property tax revenues increased 8.2% or \$557,361 from the previous year as a result of an increase in the grand list.
- Total governmental activities' expenses decreased by 3.4% (\$303,621) from 2020 to 2021. Public safety expenses end the year at 36.1% (\$3,094,023) of total governmental activities' expenses. Public safety remains the largest category of expenses from year to year, followed closely by highways and streets at 33.3% (\$2,852,430) of total governmental activities' expenses for the year.
- General Government expenses increased 0.8% or \$14,102 from the previous year. This was a result of insurance benefit increases and other slight increases to other general operating expenses.

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

The following graph entitled Expense and Program Revenues – Governmental Activities, gives the reader an idea of how each major program is funded. The revenues included in this graph are program specific revenues including user fees, operating grants, and capital grants. General revenues such as property tax revenues and interest earnings are excluded. The supporting data may be found on Exhibit B, the Statement of Activities. As noted previously, public safety is the largest category of expenses in the current year and historically, followed closely by highways and streets.

The vast majority of revenue for governmental activities comes from property taxes; 79.7% of total revenue or \$7,350,829. The second largest category of revenue is charges for services coming in at 7.1% or \$654,470 of total revenue. The following graph shows the distribution of governmental activities revenues by source for the year ended June 30, 2021.

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

Business-type Activities

Business-type activities increased the Town's net position by \$304,584 during the current fiscal year. Key elements of this increase are as follows.

- Charges for services increased by \$115,754 or 5.7% from \$1,995,487 to \$2,111,241. On the government-wide financial statements charges for services in the business-type activities are made up of user fees, penalties and connection fees. Increases in charges for service (\$97,723) make up the majority of the increase, followed by an increase in connection fees (\$41,251).
- Total expenses of \$1,969,069 reflect a decrease of \$15,414 (0.8%) as compared to the prior year. The driving factors contributing to the decrease are as follows.
 - Interest expense decreased \$49,843 or 78.4% from the previous year.
 - Repairs and maintenance decreased \$28,333 or 29.4% from the previous year. Several large maintenance projects were completed in the prior year, requiring less repairs and maintenance in 2021.
 - Insurance expense decreased \$10,081 or 56.9% from the previous year.

FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

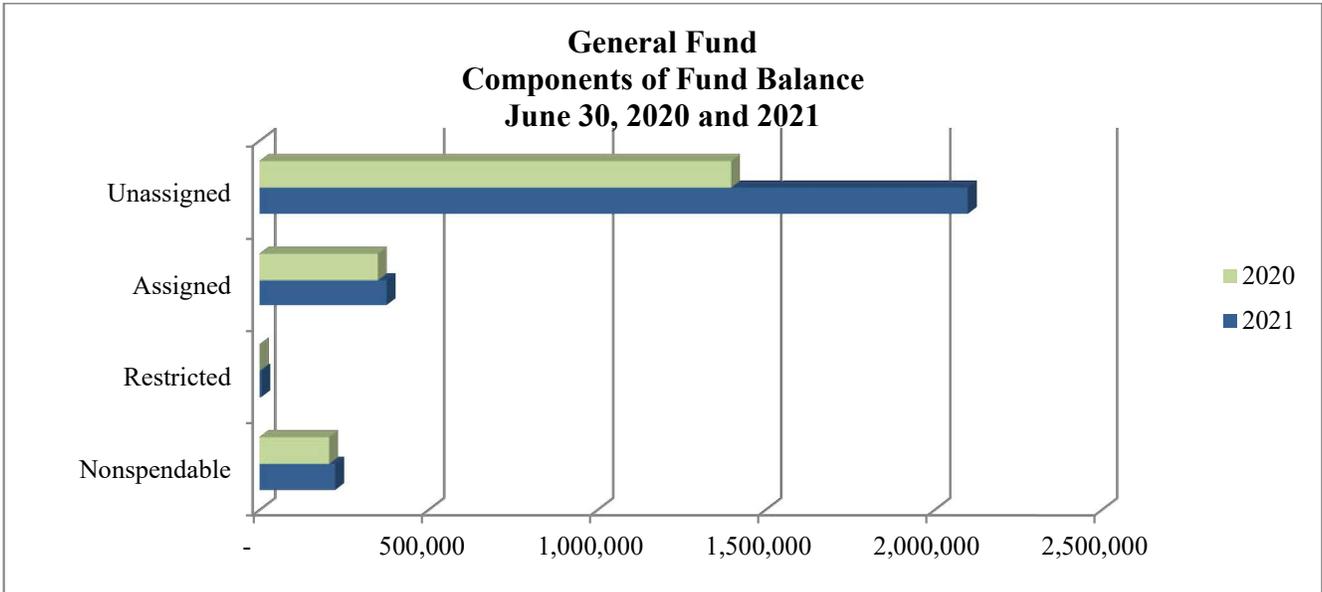

As noted earlier, the Town uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. Information presented and discussed in this section is specific to the fund financial statements.

Governmental Funds

The focus of the Town's governmental funds is to provide information on current year revenue, expenditures, and balances of spendable resources. Such information is useful in assessing the Town's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

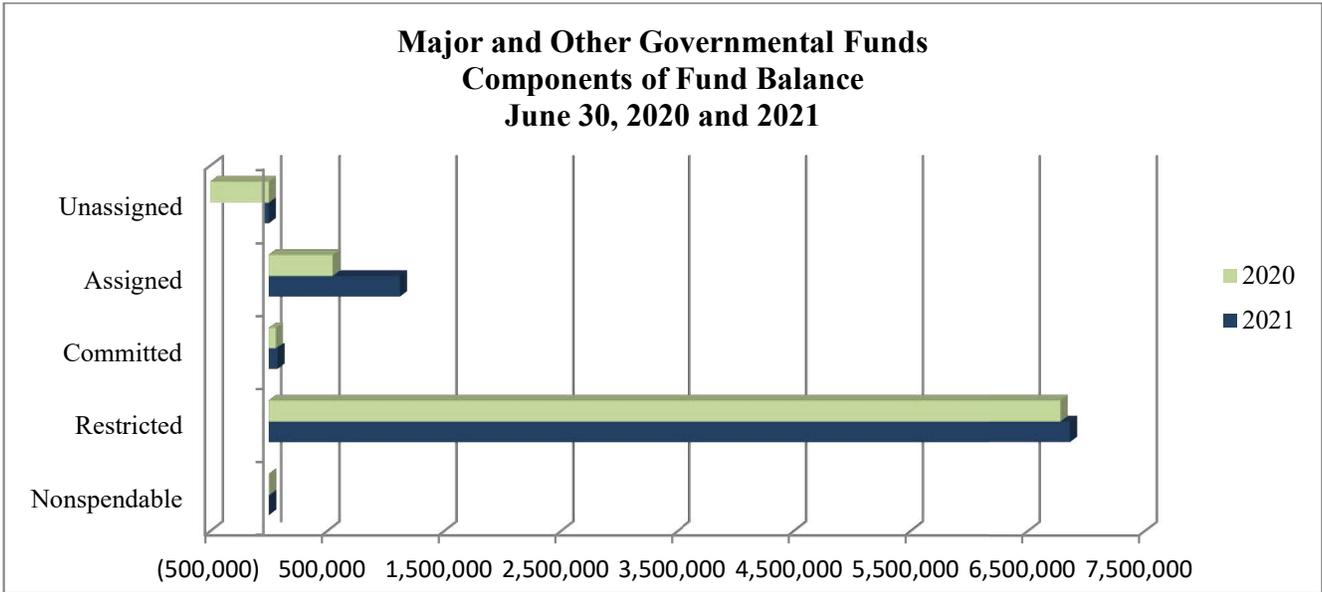

At June 30, 2021, the Town's governmental funds reported combined fund balances of \$10,718,133, an increase of \$2,072,059 in comparison with the prior year. 19.1% of this amount (\$2,047,032) constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of the fund balance is either nonspendable, restricted, committed, or assigned to indicate that it is not in spendable form (\$228,331), restricted for particular purposes (\$6,870,102), committed for particular purposes (\$74,279), or assigned by the Town for particular purposes (\$1,498,389). The components of each category of fund balance are detailed in Footnote IV.K. Fund Balances.

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

The general fund is the chief operating fund of the Town. At the end of the year, total fund balance in the general fund was \$2,703,505, an increase of \$750,316 from the previous year. Of this amount, \$223,831 is in non-spendable form (prepaid expenses and inventories). Of the remaining amount, \$375,928 is assigned for purposes detailed in Footnote IV.K. and \$2,098,705 is unassigned.

As a measure of the general fund’s liquidity, it may be useful to compare total fund balance to total general fund expenditures. Total fund balance represents approximately 36.8% of total general fund expenditures, however, this amount includes nonspendable balances which would not be available to finance general fund expenditures if necessary. The remaining categories of fund balance (committed, assigned, and unassigned) are referred to as unrestricted fund balance and are resources that could be liquidated to support general fund expenditures if necessary. Unrestricted fund balance represents 33.6% of total general fund expenditures.

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

In the governmental funds other than the general fund the most noteworthy change to fund balance are increases in unrestricted and assigned fund balances of \$649,642 and \$577,252, respectively. The Town's Capital Reserve Funds reports and increase in restricted, assigned and unassigned fund balances related to the receipt of debt proceeds expended in a prior period, and unspent debt proceeds on deposit for budgeted capital projects that will be fully complete in 2023.

General Fund Budgetary Highlights

The Town's budget for the year ended June 30, 2021 passed on the first vote in March of 2020 and there were no amendments made during the year. The voter approved budget included a \$350,000 reduction in fund balance (a budgeted deficit). Actual results on the year were a surplus of \$750,316. Expenditures came in under budget by \$802,520 as a result of budgeted debt payments that were not paid as the existing lines of credit were extended and no payments were due, as well as savings in various departments due to vacancies and the pandemic. Revenues were over budget by \$297,796. The most significant contributing factors are recording fees in the Clerk's office were over budget by \$111,013 due to an increased volume of recording, FEMA and State grants for COVID/pandemic response in the amount of \$121,759, and additional State Aid to Highway funds that were not anticipated in the amount of \$75,556.

Proprietary Funds

The Town's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Total net position in the water fund is \$6,107,058, an increase of \$240,448 or 4.1% from the previous year. The water fund has \$5,310,288 of net position invested in capital assets net of related debt. This leaves an unrestricted balance in the fund of \$796,770. In the sewer fund, total net position is \$18,597,141, an increase of \$64,136 or 0.3% from the previous year. Similar to the water fund, the vast majority of net position in the sewer fund is invested in capital assets net of related debt (\$17,528,364), leaving an unrestricted balance of \$1,068,777. Other major factors concerning the finances of these funds have already been addressed in the discussion of the Town's business-type activities.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

The Town's capital assets for governmental and business-type activities as of June 30, 2021 were \$66,121,864 (before depreciation). This investment in capital assets includes land, construction in progress, buildings and improvements, machinery and equipment, and infrastructure. The Town's combined investment in capital assets increased by \$1,493,550 from June 30, 2020 to June 30, 2021, or 2.3%. Combined accumulated depreciation at the end of the year is \$22,654,981. The increase in combined investment in new capital assets of \$1,493,550 resulted in a total combined investment in capital assets which exceeded the depreciation of \$1,406,653 causing a net increase in capital assets net of accumulated depreciation.

Less: Accumulated Depreciation	(15,428,539)	(14,389,557)	(7,226,442)	(6,858,771)	(22,654,981)	(21,248,328)
Total Assets, Net	<u>\$ 17,648,042</u>	<u>\$ 17,347,493</u>	<u>\$ 25,818,841</u>	<u>\$ 26,032,493</u>	<u>\$ 43,466,883</u>	<u>\$ 43,379,986</u>

Major capital asset activity for the year ended June 30, 2021 included the following:

- Paving projects totaling \$523,240 were completed during the year contributing to the increase in governmental activities infrastructure.
- Major construction projects to include road restoration on sections of Hardscrabble Rd and Poor Farm Rd.
- Vehicle and equipment purchases during the year included one police cruiser and one shared use vehicle.
- Other capital purchases include an equipment trailer, guardrail replacements, East Rd and Devino Rd culvert replacements, and municipal building improvements.

Additional information on the Town's capital assets can be found in Footnote IV.E. Capital Assets.

Long-Term Debt

The Town began the year with \$12,322,561 in long-term debt outstanding. As of June 30, 2021, this amount had increased by \$1,135,088 or 9.2% to end the current year with \$13,457,649 in long-term debt outstanding.

Summary of Long Term Debt

	June 30, 2020	Additions	Deletions	June 30, 2021
Governmental Activities	\$ 9,168,588	\$ 6,005,876	\$ 4,697,004	\$ 10,477,460
Business-type Activities	<u>3,153,973</u>	<u>18,091</u>	<u>191,875</u>	<u>2,980,189</u>
Total Government	<u>\$ 12,322,561</u>	<u>\$ 6,023,967</u>	<u>\$ 4,888,879</u>	<u>\$ 13,457,649</u>

**TOWN OF MILTON, VERMONT
MANAGEMENT'S DISCUSSION AND ANALYSIS
JUNE 30, 2021**

Factors contributing to the change include the following:

- Principal payments totaling \$4,697,004 were made on governmental activities debt and principal payments totaling \$191,875 were made on business-type activities debt.
- New debt in the amount of \$6,005,876 was incurred for a plow truck, police cruiser, ambulance, shared use vehicle, and to secure final financing for outstanding bond anticipation notes from the prior year for highway equipment/fire truck/bridge improvements/road restoration and paving.

Additional information about long-term debt can be found in Footnote IV.J. Long-term Liabilities.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

The Town's FY22 approved expenditure budget of \$8,688,495 was an increase of \$323,732 from the FY21 budget. The amount to be raised by property taxes increased by \$284,328. An additional one-time tax was levied to collect roughly \$400,000 for paving as approved by the voters on Town Meeting Day 2021. As a result of these two factors, the Town increased the municipal tax rate slightly from \$0.5385 to \$0.5805.

The FY22 budget includes a \$350,000 reduction in fund balance (a budgeted deficit), the same as in the prior year. The fund balance assigned for paving was entirely spent in FY21. The FY22 paving budget is \$350,000 plus the additional \$400,000 for a total of \$750,000.

The budgeted capital transfer was increased by \$159,399 for a total of \$458,749.

REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the Town's financial positions to all those with an interest in the government's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Finance Director at 43 Bombardier Rd., Milton, VT 05468. The report is available online at www.miltonvt.gov.

TOWN OF MILTON, VERMONT
 RECONCILIATION OF THE STATEMENT OF REVENUES,
 EXPENDITURES AND CHANGES IN FUND BALANCES OF
 GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES
 FOR THE YEAR ENDED JUNE 30, 2021

Amounts reported for governmental activities in the statement of activities (Exhibit B) are different because:

Net change in fund balances - total government funds (Exhibit D)	\$	2,072,059
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets (\$1,850,048) is allocated over their estimated useful lives and reported as depreciation expense (\$1,550,846). This is the amount by which capital outlays exceeded depreciation in the current period.		299,202
The net effect of various transactions involving capital assets (i.e., sales and losses on disposal of assets) is to reduce net position.		(16,453)
The effect of donated capital assets is to increase net position. The Town received a donation of public safety equipment during the year.		17,800
The issuance of long-term debt (\$2,162,376) (e.g., bonds, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt (\$853,504) consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net position.		(1,308,872)
Governmental funds report employer pension contributions as expenditures (\$206,737). However, in the statement of activities, the cost of pension benefits earned net of employee contributions (\$519,843) is reported as pension expense. This amount is the net effect of the differences in the treatment of pension expense.		(313,106)
Revenues in the statement of activities that do not provide current financial resources are not reported as revenues in the funds.		(226,023)
Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.		<u>(1,159)</u>
Change in net position of governmental activities (Exhibit B)	\$	<u><u>523,448</u></u>

The accompanying notes are an integral part of this financial statement.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

The Town of Milton, Vermont, (herein the "Town") operates under a Manager/Selectboard form of government and provides the following services as authorized by its charter: public safety (police and fire), highways and streets, health and social services, culture and recreation, community/economic development, public improvements, planning, zoning, water, sewer and general administrative services.

I. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies adopted by the Town of Milton (the "Town") conform to generally accepted accounting principles (GAAP) as applicable to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing accounting and financial reporting principles. The following is a summary of the more significant accounting policies employed in the preparation of these financial statements.

A. The Financial Reporting Entity

This report includes all of the activity of the Town of Milton, Vermont. The financial reporting entity consists of the primary government; organizations for which the primary government is financially accountable; and other organizations for which the nature and significance of their relationship with the primary government are such that their exclusion would cause the reporting entity's financial statements to be misleading or incomplete. Component units are legally separate organizations for which the elected officials of the primary government are financially accountable. The primary government is financially accountable if it appoints a voting majority of the organization's governing body and it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the primary government. The primary government is financially accountable if an organization is fiscally dependent on and there is a potential for the organization to provide specific financial benefits to, or impose specific financial burdens on the primary government regardless of whether the organization has a separately elected governing board; a governing board appointed by a higher level of government; or a jointly appointed board. Based on these criteria, there are no other entities that should be combined with the financial statements of the Town.

B. Basis of Presentation

The accounts of the Town are organized and operated on the basis of fund accounting. A fund is an independent fiscal and accounting entity with a separate set of self-balancing accounts which comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund equity, revenues, and expenditures or expenses, as appropriate. Government resources are allocated to and accounted for in individual funds based upon the purposes for which they are spent and the means by which spending activities are controlled.

The basic financial statements of the Town include both government-wide statements and fund financial statements. The focus of the government-wide statements is on reporting the operating results and financial position of the Town as a whole and present a longer-term view of the Town's finances. The focus of the fund financial statements is on reporting on the operating results and financial position of the most significant funds of the Town and present a shorter-term view of how operations were financed and what remains available for future spending.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

Government-wide Statements: The statement of net position and the statement of activities display information about the primary government, the Town. These statements include the financial activities of the overall government, except for fiduciary activities. Eliminations have been made to minimize the double counting of activities between funds. These statements distinguish between the governmental and business-type activities of the Town. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions. Business-type activities are financed in whole or in part by fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the Town's governmental activities and for each segment of the Town's business-type activities. Direct expenses are those that are specifically associated with a program or function and, therefore, are clearly identifiable to a particular program or function. Program revenues include (a) charges paid by the recipients of goods or services offered by the programs and (b) grants and contributions that are restricted to meeting the operational or capital requirements of a particular program. Revenues that are not classified as program revenues, including all taxes, are presented as general revenues.

Fund Financial Statements: The fund financial statements provide information about the Town's funds, including fiduciary funds. Separate statements for each fund category – governmental, proprietary and fiduciary – are presented. The emphasis of fund financial statements is on major governmental and enterprise funds, each displayed in a separate column. All remaining funds are aggregated and reported as nonmajor funds.

The Town reports on the following major governmental funds:

General Fund – This is the Town's main operating fund. It accounts for all financial resources of the Town except those accounted for in another fund.

Town Core TIF Fund – This fund accounts for all revenues and expenditures related to capital projects and improvements within the Town Core tax increment financing (TIF) district.

Capital Reserve Fund – This fund accounts for the general capital expenditures of the Town.

The Town reports on the following major enterprise funds:

Water Fund – This fund accounts for the operations of the Water Department.

Sewer Fund – This fund accounts for the operations of the Sewer Department.

Proprietary fund operating revenues, such as charges for services, result from exchange transactions associated with the principal activity of the fund. Exchange transactions are those in which each party receives and gives up essentially equal values. Nonoperating revenues, such as subsidies and investment earnings, result from nonexchange transactions or ancillary activities.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

Additionally, the Town reports the following fund type:

Custodial Fund – This fund is used to report resources held by the Town in a purely custodial capacity for other governments, private organizations or individuals.

C. Measurement Focus

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. Government-wide, proprietary and fiduciary fund financial statements are reported using the economic resources measurement focus. This means that all assets, deferred outflows of resources, liabilities and deferred inflows of resources associated with the operation of these funds (whether current or noncurrent) are included on the balance sheet (or statement of net position). Equity (i.e., total net position) is segregated into net investment in capital assets; restricted net position; and unrestricted net position. Operating statements present increases (i.e., revenues) and decreases (i.e., expenses) in total net position.

Governmental fund financial statements are reported using the current financial resources measurement focus. This means that only current assets, deferred outflows of resources, current liabilities and deferred inflows of resources are generally reported on their balance sheets. Their reported fund balances (net current position) are considered a measure of available spendable resources, and are segregated into nonspendable; restricted; committed; assigned and unassigned amounts. Operating statements of these funds present increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net current position. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

D. Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The government-wide, proprietary and fiduciary fund financial statements are reported using the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred, regardless of when the related cash flow takes place. Nonexchange transactions, in which the Town gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements, and donations. On the accrual basis, revenue from property taxes is recognized in the fiscal year for which the taxes are levied. Revenue from grants, entitlements, and donations is recognized in the fiscal year in which all eligibility requirements have been satisfied.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

Governmental funds are reported using the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. “Measurable” means the amount of the transaction can be determined, and “available” means the amount is collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The Town considers all revenues reported in governmental funds to be available if the revenues are collected within sixty (60) days after year-end. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, certain compensated absences and other long-term liabilities which are recognized when the obligations are expected to be liquidated or are funded with expendable available financial resources.

General capital asset acquisitions are reported as expenditures in governmental funds. Proceeds of general long-term debt, acquisitions under capital leases and sales of capital assets are reported as other financing sources.

Under the terms of grant agreements, the Town funds certain programs by a combination of specific cost-reimbursement grants and general revenues. Thus, when program expenses are incurred, there are both restricted and unrestricted net position available to finance the program. It is the Town’s policy to first apply cost-reimbursement grant resources to such programs, followed by general revenues. Expenditure driven grants are recognized as revenue when the qualifying expenditures have been incurred and other grant requirements have been met.

Recognition of revenues on funds received in connection with loan programs are recognized when loans are awarded and expenses incurred in excess of current grants and program income. An offsetting deferred inflows of resources is recognized for all loans receivable. Loan repayment revenue is recognized as the loans are repaid.

E. Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows and inflows of resources and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

F. New Pronouncement – Fiduciary Activities

Effective June 30, 2021, the Town implemented GASB Statement No. 84, “Fiduciary Activities”. GASB Statement No. 84 establishes specific criteria for identifying activities that should be reported as fiduciary activities to enhance the consistency and comparability of fiduciary activity reporting by state and local governments. This required moving certain items previously recorded through a General Fund liability account to the newly established custodial fund that reports additions and deductions for these activities. No restatement of beginning net position/fund balance was required in either fund. As a result, the collection and remittance of education taxes on behalf of other governments are now presented in a Custodial Fund.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

G. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Equity

1. Cash

Cash balances of most Town funds are deposited with and invested by the Town Treasurer. The Town considers all short-term investments of ninety (90) days or less to be cash equivalents.

Excess cash of individual funds are shown as due from other funds and excess withdrawals are shown as due to other funds. Interest income is allocated based on the due from/to other funds balances.

2. Investments

The Town invests in investments as allowed by State Statute. Investments with readily determinable fair values are reported at their fair values on the balance sheet. Unrealized gains and losses are included in revenue.

3. Receivables

Receivables are shown net of an allowance for uncollectible accounts for the estimated losses that will be incurred in the collection of the receivables. The estimated losses are based on the judgment of management and a review of the current status of existing receivables.

4. Internal Balances

Activity between funds that are representative of lending/borrowing arrangements that are outstanding at the end of the fiscal year are referred to as “advances from/to other funds”. All other outstanding balances between funds are reported as “due from/to other funds.” Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as “internal balances”.

5. Inventories and Prepaid Expenses/Items

Inventory quantities are determined by a physical count and are valued at the lower of cost or market. Inventories in the governmental funds consist of materials and inventories in the proprietary funds consist of chemicals and materials.

Certain payments to vendors reflect costs that are applicable to future accounting periods and are recorded as prepaid expenses/items.

Reported inventories and prepaid items of governmental funds in the fund financial statements are offset by a nonspendable fund balance as they are not in spendable form.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

6. Pensions

For purposes of measuring the proportionate share of the net pension liability and the related deferred outflows/inflows of resources and pension expense, information about the fiduciary net position of the Vermont Municipal Employees' Retirement System (VMERS) plan and additions to/deductions from the VMERS' fiduciary net position have been determined on the same basis as they are reported by VMERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

7. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statements element, "deferred outflows of resources", represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditures) until then. These amounts are deferred and recognized as an outflow of resources in the future periods to which the outflows are related.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, "deferred inflows of resources", represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. These amounts are deferred and recognized as an inflow of resources in the future periods to which the inflows are related or when the amounts become available.

8. Capital Assets

Capital assets are reported at actual cost or estimated historical cost based on appraisals or deflated current replacement cost if purchased or constructed. Contributed assets are recorded at their estimated acquisition value at the time received. Major outlays for capital assets and improvements are capitalized as constructed. The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend the assets' lives are not capitalized. Infrastructure assets are reported starting with fiscal year June 30, 2004. The Town has elected to not report major general infrastructure assets retroactively.

Capital assets reported in the government-wide and proprietary fund financial statements are depreciated in order that the cost of these assets will be charged to expenses over their estimated service lives, generally using the straight-line method of calculating depreciation.

Capitalization thresholds (the dollar values above which asset acquisitions are added to the capital asset accounts) and estimated useful lives of capital assets are as follows:

TOWN OF MILTON, VERMONT
 NOTES TO THE FINANCIAL STATEMENTS
 JUNE 30, 2021

	<u>Capitalization Threshold</u>	<u>Estimated Service Life</u>
Land	\$ 1,000	Not Depreciated
Land Improvements	5,000	25-50 Years
Buildings and Building Improvements	5,000	40-75 Years
Vehicles	5,000	4-15 Years
Machinery and Equipment	1,000	8-20 Years
Roads, Bridges and Sidewalks	5,000	30-75 Years
Water and Sewer Distribution and and Collection Systems	5,000	30-100 Years

Capital assets are not reported in the governmental fund financial statements. Capital outlays in these funds are recorded as expenditures in the year they are incurred.

9. Compensated Absences

It is the Town's policy to permit employees to accumulate earned but unused leave time. The accrual for unused compensated absences time, based on current pay rates, is recorded in the government-wide and proprietary fund financial statements. The liability for unused compensated absences is not reported in the governmental fund financial statements. Payments for unused compensated absences are recorded as expenditures in the year they are paid.

10. Long-term Liabilities

Long-term liabilities include bonds and notes payable and other obligations such as compensated absences and the Town's net pension liability. Long-term liabilities are reported in the government-wide and proprietary fund financial statements. Governmental fund financial statements do not include any long-term liabilities as those funds use the current financial resources measurement focus and only include current liabilities on their balance sheets.

11. Fund Equity

Fund equity is classified based upon any restrictions that have been placed on those balances or any tentative plans management may have made for those balances. Restrictions of net position in the government-wide and proprietary fund financial statements represent amounts that cannot be appropriated or are legally restricted for a specific purpose by a grant, contract, or other binding agreement. Fund balances of governmental funds are classified as nonspendable (not in spendable form or legally required to remain intact); restricted (constraints on the use of resources are either externally imposed by creditors, grantors, or donors, or imposed by law through enabling legislation); committed (constraints on the use of resources are imposed by formal action of the voters); assigned (reflecting the Selectboard's intended use of the resources); and unassigned.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

**II. EXPLANATION OF DIFFERENCES BETWEEN GOVERNMENTAL FUND
AND GOVERNMENT-WIDE STATEMENTS**

Governmental fund financial statements are presented using the current financial resources measurement focus and the modified accrual basis of accounting, whereas government-wide financial statements are presented using the economic resources measurement focus and the accrual basis of accounting. These differences in the measurement focus and basis of accounting lead to differences between the governmental fund financial statements and the government-wide financial statements as follows:

Long-term revenue differences arise because governmental funds report revenues only when they are considered “available”, whereas government-wide statements report revenues when they are earned. Long-term expense differences arise because governmental funds report expenditures (including interest) using the modified accrual basis of accounting, whereas government-wide statements report expenses using the accrual basis of accounting.

Capital-related differences arise because governmental funds report capital outlays as current period expenditures, whereas government-wide statements report depreciation as an expense. Further, governmental funds report the proceeds from the sale of capital assets as other financing sources, whereas government-wide statements report the gain or loss from the sale of capital assets as revenue or expense.

Long-term debt transaction differences arise because governmental funds report the issuance of long-term debt as other financing sources and principal payments as expenditures, whereas government-wide statements report those transactions as increases and decreases in liabilities, respectively.

Pension-related differences arise because governmental funds report the current year’s required employer contributions as current period expenditures, whereas government-wide statements report those transactions as deferred outflows of resources. In addition, the accrual for the Town’s proportionate share of the net pension liability is recorded in the government-wide financial statements along with the related deferred inflows and outflows of resources.

III. STEWARDSHIP, COMPLIANCE AND ACCOUNTABILITY

A. Budgetary Information

The General Fund budget is approved at the annual Town Meeting in March. The Town allows the Selectboard to approve adjustments from one line item to another within each fund, however, increases in total appropriations are not allowed without voter approval. The budget amendments for fiscal year 2021 are reflected in Schedule 1.

B. Budgeted Deficit

The Town budgeted a current year’s deficiency of revenues over expenditures in the General Fund in the amount of \$350,000 in order to utilize a portion of the previous year’s surplus. This is reflected as a budgeted deficiency of revenues over expenditures on Schedule 1.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

IV. DETAILED NOTES ON ALL FUNDS

A. Cash and Investments

The Town’s cash and investments as of June 30, 2021 consisted of the following:

Cash:	
Deposits with Financial Institutions	\$12,103,148
Cash on Hand	<u>5,390</u>
Total Cash	<u>12,108,538</u>
Investments:	
Certificates of Deposit	<u>25,675</u>
Total Cash and Investments	<u>\$12,134,213</u>

The Town has five (5) certificates of deposit at various banks ranging from \$905 to \$10,000 with interest rates ranging from 0.05% to 0.30%. All of the certificates of deposit mature by fiscal year 2025.

Custodial Credit Risk

Custodial credit risk for deposits is the risk that, in the event of the failure of a depository financial institution, a government will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. The custodial credit risk for investments is the risk that, in the event of failure of the counter-party (e.g. broker-dealer) to a transaction, a government will not be able to recover the value of its investments or collateral securities that are in possession of another party. The Town does not have any policy to limit the exposure to custodial credit risk. The following table shows the custodial credit risk of the Town’s cash and certificates of deposit.

	<u>Book Balance</u>	<u>Bank Balance</u>
FDIC Insured	\$ 540,629	\$ 540,629
Uninsured, Collateralized by U.S. Government Agencies Securities Held by the Pledging Financial Institution’s Agent	6,026,584	6,025,350
Insured by Letter of Credit Issued by Federal Home Loan Bank	<u>5,561,610</u>	<u>5,603,502</u>
Total	<u>\$12,128,823</u>	<u>\$12,169,481</u>

The difference between the book and the bank balance is due to reconciling items such as deposits in transit and outstanding checks.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

The book balance is comprised of the following:

Cash – Deposits with Financial Institutions	\$12,103,148
Investments – Certificates of Deposit	<u>25,675</u>
Total	<u>\$12,128,823</u>

Interest Rate Risk

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. The Town does not have any policy to limit the exposure to interest rate risk. The Town’s certificates of deposit are not subject to interest rate risk disclosure.

Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. The Town does not have any policy to limit the exposure to credit risk. The Town’s certificates of deposit are not subject to credit risk disclosure.

Concentration of Credit Risk

Concentration of credit risk is the risk that a large percentage of the Town’s investments are held within one security. The Town does not have any limitations on the amount that can be invested in any one issuer. The Town’s certificates of deposit are not subject to concentration of credit risk disclosure.

B. Deposit held by Escrow Agent

In 2021, the Town entered into a \$1,669,864 lease agreement with Municipal Leasing Consultants, LLC for the financing of capital equipment and vehicles. Unspent lease proceeds and the interest earned are held by an escrow agent until the acquisition of capital equipment and vehicles and reimbursement is requested. The amount held by the escrow agent as of June 30, 2021 is \$484,070.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

C. Receivables

Receivables as of June 30, 2021, as reported in the statement of net position, net of applicable allowances for uncollectible accounts, are as follows:

	Governmental Activities	Business-type Activities	Total
Delinquent Taxes Receivable	\$ 313,079	\$ 0	\$ 313,079
Penalties and Interest Receivable	27,795	0	27,795
Ambulance Receivable	264,968	0	264,968
Grants Receivable	77,628	0	77,628
Accounts Receivable	6,437	0	6,437
Billed Services	0	100,941	100,941
Unbilled Services	0	520,785	520,785
Allowance for Doubtful Accounts - Taxes	(5,000)	0	(5,000)
Allowance for Doubtful Accounts - Ambulance	(103,472)	0	(103,472)
Allowance for Doubtful Accounts - Water/Sewer	0	(3,400)	(3,400)
	<u>0</u>	<u>(3,400)</u>	<u>(3,400)</u>
Total	<u>\$ 581,435</u>	<u>\$ 618,326</u>	<u>\$ 1,199,761</u>

D. Loans Receivable

Loans receivable as of June 30, 2021 are as follows:

Loan Receivable, Meadow Lane Housing Associates, LP, Interest at 0%, Deferred Until June 1, 2035 at which Time all Principal is Due, Secured by Real Estate	\$296,000
Loan Receivable, Elm Place Limited Partnership, Interest at 0%, Deferred Until April 29, 2046 at which Time all Principal is Due, Secured by Real Estate	<u>555,843</u>
Total	851,843
Less: Allowance for Doubtful Loans Receivable	<u>(851,843)</u>
Reported Value as of June 30, 2021	<u>\$ 0</u>

Fire/EMS Capital Reserve Fund	General Fund	55,494	Fund Debt Service
Fire/EMS Capital Reserve Fund	Capital Reserve Fund	<u>16,380</u>	Fund Capital Expenditures
Total		<u>\$ 504,888</u>	

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

G. Deferred Outflows of Resources

Deferred outflows of resources in the governmental activities consists of \$214,871 from the difference between the expected and actual experience, \$228,186 from the difference between the projected and actual investment earnings, \$319,867 from changes in assumptions and \$5,840 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS) and \$206,737 of required employer pension contributions subsequent to the measurement date. Total deferred outflows of resources in the governmental activities is \$975,501.

Deferred outflows of resources in the business-type activities consists of \$11,620 from the difference between the expected and actual experience, \$12,339 from the difference between the projected and actual investment earnings, \$17,296 from changes in assumptions and \$315 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS) and \$11,165 of required employer pension contributions subsequent to the measurement date. Total deferred outflows of resources in the business-type activities is \$52,735.

Deferred outflows of resources in the Water Fund consists of \$7,112 from the difference between the expected and actual experience, \$7,552 from the difference between the projected and actual investment earnings, \$10,587 from changes in assumptions and \$193 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS) and \$6,838 of required employer pension contributions subsequent to the measurement date. Total deferred outflows of resources in the Water Fund is \$32,282.

Deferred outflows of resources in the Sewer Fund consists of \$4,508 from the difference between the expected and actual experience, \$4,787 from the difference between the projected and actual investment earnings, \$6,709 from changes in assumptions and \$122 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS) and \$4,327 of required employer pension contributions subsequent to the measurement date. Total deferred outflows of resources in the Sewer Fund is \$20,453.

H. Unearned Revenue

Unearned revenue in the governmental activities consists of \$27,636 of recreation fees and \$2,189 of grant revenue received in advance. Total unearned revenue in the governmental activities is \$29,825.

Unearned revenue in the business-type activities and Water Fund consists of \$5,402 of user fees received in advance.

Unearned revenue in the General Fund consists of \$27,636 of recreation fees received in advance.

Unearned revenue in the Non-Major Governmental Funds consists of \$2,189 of grant revenue received in advance.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

I. Deferred Inflows of Resources

Deferred inflows of resources in the governmental activities consists of \$7,071 from the difference between the expected and actual experience and \$107,424 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS). It also includes \$30,234 of prepaid property taxes. Total deferred inflows of resources in the governmental activities is \$144,729.

Deferred inflows of resources in the business-type activities consists of \$383 from the difference between the expected and actual experience and \$5,809 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS). Total deferred inflows in the business-type activities is \$6,192.

Deferred inflows of resources in the General Fund consists of \$208,600 of delinquent property taxes, penalties and interest on those taxes, \$64,318 of ambulance fees and \$277 of grant revenue not collected within sixty (60) days after year-end as these would not be available to liquidate current liabilities. It also includes \$30,234 of prepaid property taxes. Total deferred inflows of resources in the General Fund is \$303,429.

Deferred inflows of resources in the Capital Reserve Fund consists of \$20,666 of grant revenue not collected within sixty (60) days after year-end as these would not be available to liquidate current liabilities.

Deferred inflows of resources in the Non-Major Governmental Funds consists of \$47,573 of grant revenue not collected within sixty (60) days after year-end as these would not be available to liquidate current liabilities.

Deferred inflows of resources in the Water Fund consists of \$234 from the difference between the expected and actual experience and \$3,556 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS). Total deferred inflows of resources in the Water Fund is \$3,790.

Deferred inflows of resources in the Sewer Fund consists of \$149 from the difference between the expected and actual experience and \$2,253 from changes in the Town's proportional share of contributions related to the Town's participation in the Vermont Municipal Employee's Retirement System (VMERS). Total deferred inflows of resources in the Sewer Fund is \$2,402.

J. Long-term Liabilities

The Town issues general obligation bonds to provide resources for the acquisition and construction of major capital facilities and to refund prior issues. General obligation bonds have been issued for both governmental and proprietary activities. Bonds are reported in governmental activities if the debt is expected to be repaid from general governmental revenues and in business-type activities if the debt is expected to be repaid from proprietary fund revenues.

General obligation bonds are direct obligations and pledge the full faith and credit of the Town. New bonds generally are issued as 10 to 20 year bonds. Refunding bonds are issued for various terms based on the debt service of the debt refunded.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

The Town had bond anticipation notes to finance various capital improvements and purchases through a local bank.

The State of Vermont offers a number of no-interest revolving loan programs to utilize for predetermined purposes. The Town has borrowed money from the State of Vermont Special Environmental Revolving Fund for water and sewer projects.

The Town enters into lease agreements as the lessee for the purpose of financing the acquisition of major pieces of equipment. These lease agreements qualify as capital lease obligations for accounting purposes (even though they may include clauses that allow for cancellation of the lease in the event the Town does not appropriate funds in future years) and, therefore, have been recorded at the present value of the future minimum lease payments as of the inception date of the leases. Leases are reported in governmental activities if the debt is expected to be repaid from general governmental revenues and in business-type activities if the debt is expected to be repaid from proprietary fund revenues.

The net pension liability is the difference between the total pension liability (the present value of projected benefit payments to employees based on their past service) and the assets (mostly investments reported at fair value) set aside to pay current employees, retirees, and beneficiaries. The accrual for the Town's share of the net pension liability is recorded in the government-wide financial statements and proprietary fund financial statements.

It is the policy of the Town to permit employees to accumulate earned but unused benefits. The accrual for unused compensated absences time, based on current pay rates, is recorded in the government-wide financial statements.

Long-term liabilities outstanding as of June 30, 2021 were as follows:

Governmental Activities:

	<u>Beginning Balance</u>	<u>Additions</u>	<u>Deletions</u>	<u>Ending Balance</u>

Net Pension Liability	1,713,702	672,143	0	2,385,845	0
Total Governmental Activities Long-term Liabilities	<u>\$ 11,060,709</u>	<u>\$ 5,072,666</u>	<u>\$ 3,091,092</u>	<u>\$ 13,042,283</u>	<u>\$ 1,145,495</u>
Business-type Activities					
General Obligation Bonds Payable	\$ 3,153,973	\$ 18,091	\$ 191,875	\$ 2,980,189	\$ 174,333
Compensated Absences Payable	15,348	4,410	0	19,758	0
Net Pension Liability	88,678	40,335	0	129,013	0
Total Business-type Activities Long-term Liabilities	<u>\$ 3,257,999</u>	<u>\$ 62,836</u>	<u>\$ 191,875</u>	<u>\$ 3,128,960</u>	<u>\$ 174,333</u>

State and Federal laws and regulations required the Town to close its landfill in 1991. These laws and regulations required the Town to perform certain maintenance and monitoring at the site through May, 2013. After further testing, the State of Vermont has mandated the Town continue to perform maintenance and monitoring. The Town has estimated that they will continue for another two (2) years. The Town's estimated liability is \$23,000. This amount is based on what it would cost to perform all post closure care now. Actual costs may vary due to changes in the cost of living, changes in technology, changes in regulations or variances between estimated and actual amounts.

Compensated absences and required contributions to the pension plans are paid by the applicable fund where the employee is charged.

The change in the net pension liability is allocated to the function where the employee is charged.

K. Fund Balances

GASB Statement No. 34, as amended by GASB Statement No. 54, requires fund balances reported on the governmental fund balance sheet to be classified using a hierarchy based primarily on the extent to which a government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent.

Governmental fund balances are to be classified as: nonspendable (not in spendable form or legally required to remain intact); restricted (constraints on the use of resources are either externally imposed by creditors, grantors or donors, or imposed by law through enabling legislation); committed (constraints on the use of resources are imposed by formal action of the voters); assigned (reflecting the Selectboard’s intended use of the resources); and unassigned.

Special revenue funds are created only to report a revenue source (or sources) that is restricted or committed to a specified purpose, and that the revenue source should constitute a substantial portion of the resources reported in that fund. Special revenue funds cannot be used to accumulate funds that are not restricted or committed. These amounts will have to be reflected in the General Fund.

Amounts constrained to stabilization (rainy-day funds) will be reported as restricted or committed fund balance in the General Fund if they meet the other criteria for those classifications. However, stabilization is regarded as a specified purpose only if the circumstances or conditions that signal the need for stabilization (a) are identified in sufficient detail and (b) are not expected to occur routinely. The Town does not have any stabilization arrangements.

Some governments create stabilization-like arrangements by establishing formal minimum fund balance policies. The Town has established a policy to maintain a minimum unassigned fund balance of approximately ten percent (10%) of the budget. The unassigned fund balance is \$2,047,032 which is 23.6% of the 2022 expenditures budget.

When expenditures are incurred for purposes for which both restricted and unrestricted amounts are available, it is the Town’s policy to first consider restricted amounts to have been spent, followed by committed, assigned, and finally unassigned amounts.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

The purpose for each major special revenue fund, including which specific revenues and other resources are authorized to be reported in each, are described in the following section.

Total Governmental Activities	<u>\$3,624,145</u>

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

V. OTHER INFORMATION

A. Pension Plans

Defined Benefit Plan

The Vermont Municipal Employees' Retirement System (VMERS)

Plan Description

The Vermont Municipal Employees' Retirement System (VMERS) is a cost-sharing, multiple-employer defined benefit pension plan that is administered by the State Treasurer and its Board of Trustees. It is designed for municipal and school district employees that work on a regular basis and also includes employees of museums and libraries if at least half of that institution's operating expenses are met by municipal funds. An employee of any employer that becomes affiliated with the system may join at that time or at any time thereafter. Any employee hired subsequent to the effective participation date of their employer who meets the minimum hourly requirements is required to join the system. As of June 30, 2020, the measurement date selected by the State of Vermont, the retirement system consisted of 353 participating employers.

The plan was established effective July 1, 1975, and is governed by Title 24, V.S.A. Chapter 125.

The general administration and responsibility for formulating administrative policy and procedures of the retirement system for its members and their beneficiaries is vested in the Board of Trustees consisting of five members. They are the State Treasurer, two employee representatives elected by the membership of the system, and two employer representatives-one elected by the governing bodies of participating employers of the system, and one selected by the Governor from a list of four nominees. The list of four nominees is jointly submitted by the Vermont League of Cities and Towns and the Vermont School Boards Association.

All assets are held in a single trust and are available to pay retirement benefits to all members. Benefits available to each group are based on average final compensation (AFC) and years of creditable service.

Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources

As of June 30, 2020, the measurement date selected by the State of Vermont, VMERS was funded at 74.52% and had a plan fiduciary net position of \$740,052,895 and a total pension liability of \$993,026,959 resulting in a net position liability of \$252,974,064. As of June 30, 2021, the Town's proportionate share of this was 0.9941% resulting in a net pension liability of \$2,514,858. The net pension liability was measured as of June 30, 2020, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The Town's proportion of the net pension liability was based on a projection of the Town's long-term share of contributions to the pension plan relative to the projected contributions of all participating municipalities, actuarially determined. The Town's proportion of 0.9941% was a decrease of 0.0448 from its proportion measured as of the prior year.

For the year ended June 30, 2021, the Town recognized pension expense of \$550,787.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

As of June 30, 2021, the Town reported deferred outflows of resources and deferred inflows of resources from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Difference between expected and actual experience	\$ 226,491	\$ 7,454
Net difference between projected and actual investment earnings on pension assets	240,525	0
Changes in assumptions	337,163	0
Changes in proportion and differences between employer contributions and proportionate share of contributions	6,155	113,233
Town's required employer contributions made subsequent to the measurement date	217,902	0
	\$ 1,028,236	\$ 120,687

The deferred outflows of resources resulting from the Town's required employer contributions made subsequent to the measurement date in the amount of \$217,902 will be recognized as a reduction of the net pension liability in the year ended June 30, 2022. Other amounts reported as deferred outflows of resources and deferred inflows of resources will be recognized in pension expense as follows:

Year Ending <u>June 30</u>	
2022	\$191,017
2023	194,306
2024	174,805
2025	<u>129,519</u>
Total	<u>\$689,647</u>

Summary of System Provisions

Membership – Full time employees of participating municipalities. Municipalities can elect coverage under Groups A, B, C or D provisions. The Town elected coverage under Groups B, C and D.

Creditable Service – Service as a member plus purchased service.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

Average Final Compensation (AFC) – Group A – Average annual compensation during highest five (5) consecutive years. Groups B and C – Average annual compensation during highest three (3) consecutive years. Group D – Average annual compensation during highest two (2) consecutive years.

Service Retirement Allowance:

Eligibility – Group A – The earlier of age 65 with five (5) years of service or age 55 with thirty-five (35) years of service. Group B – The earlier of age 62 with five (5) years of service or age 55 with thirty (30) years of service. Groups C and D – Age 55 with five (5) years of service.

Amount – Group A – 1.4% of AFC times service. Group B – 1.7% of AFC times service as a Group B member plus percentage earned as a Group A member times AFC. Group C – 2.5% of AFC times service as a Group C member plus percentage earned as a Group A or B member times AFC. Group D – 2.5% of AFC times service as a Group D member plus percentage earned as a Group A, B or C member times AFC.

Maximum benefit is 60% of AFC for Groups A and B and 50% of AFC for Groups C and D. The previous amounts include the portion of the allowance provided by member contributions.

Early Retirement Allowance:

Eligibility – Age 55 with five (5) years of service for Groups A and B. Age 50 with twenty (20) years of service for Group D.

Amount – Normal allowance based on service and AFC at early retirement, reduced by 6% for each year commencement precedes normal retirement age for Groups A and B members, and payable without reduction to Group D members.

Vested Retirement Allowance:

Eligibility – Five (5) years of service.

Amount – Allowance beginning at normal retirement age based on AFC and service at termination. The AFC is to be adjusted annually by one-half of the percentage change in the Consumer Price Index, subject to the limits on “Post-Retirement Adjustments”.

Disability Retirement Allowance:

Eligibility – Five (5) years of service and disability as determined by Retirement Board.

Amount – Immediate allowance based on AFC and service to date of disability; children’s benefit of 10% of AFC payable to up to three minor children (or children up to age 23 if enrolled in full-time studies) of a disabled Group D member.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

Death Benefit:

Eligibility – Death after five (5) years of service.

Amount – For Groups A, B and C, reduced early retirement allowance under 100% survivor option commencing immediately or, if greater, survivor(s) benefit under disability annuity computed as of date of death. For Group D, 70% of the unreduced accrued benefit plus children's benefit.

Optional Benefit and Death after Retirement – For Groups A, B and C, lifetime allowance or actuarially equivalent 50% or 100% joint and survivor allowance with refund of contribution guarantee. For Group D, lifetime allowance or 70% contingent annuitant option with no reduction.

Refund of Contribution – Upon termination, if the member so elects or if no other benefit is payable, the member's accumulated contributions are refunded.

Post-Retirement Adjustments – Allowance in payment for at least one year increased on each January 1 by one-half of the percentage increase in Consumer Price Index but not more than 2% for Group A and 3% for Groups B, C and D.

Member Contributions – Group A – 3.00%. Group B – 5.375%. Group C – 10.50%. Group D – 11.85%.

Employer Contributions – Group A – 4.50%. Group B – 6.00%. Group C – 7.75%. Group D – 10.35%.

Retirement Stipend – \$25 per month payable at the option of the Board of Trustees.

Significant Actuarial Assumptions and Methods

Investment Rate of Return: 7.00%, net of pension plan investment expenses, including inflation, a decrease from 7.50% in the prior year.

Salary increases: Varying service-based rates from 0-10 years of service, then a single rate of 4.50% (includes assumed inflation rate of 2.30%) for all subsequent years.

Mortality:

Pre-Retirement: Groups A, B and C – 40% PubG-2010 General Employee below-median and 60% of PubG-2010 General Employee, with generational projection using scale MP-2019. Group D – PubG-2010 General Employee above-median, with generational projection using scale MP-2019.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

Healthy Post-retirement – Retirees: Groups A, B and C – 104% of 40% PubG-2010 General Healthy Retiree below-median and 60% of PubG-2010 General Healthy Retiree, with generational projection using scale MP-2019. Group D – PubG-2010 General Healthy Retiree, with generational projection using scale MP-2019.

Healthy Post-retirement – Beneficiaries: Groups A, B and C – 70% Pub-2010 Contingent Survivor below-median and 30% of Pub-2010 Contingent Survivor, with generational projection using scale MP-2019. Group D – Pub-2010 Contingent Survivor, with generational projection using scale MP-2019.

Disabled Post-retirement: All Groups – PubNS-2010 Non-Safety Disabled Retiree Mortality Table with generational projection using scale MP-2019.

Spouse’s Age: Females three years younger than males.

Cost-of-Living Adjustments: 1.10% for Group A members and 1.20% for Groups B, C and D members. The January 1, 2020 and January 1, 2021 COLAs are 0.80% and 0.40%, respectively, for all groups.

Actuarial Cost Method: Entry age actuarial cost method. Entry age is the age at date of employment or, if date is unknown, current age minus years of service. Normal cost and actuarial accrued liability are calculated on an individual basis and are allocated by salary, with normal cost determined using the plan of benefits applicable to each participant.

Assets: The valuation is based on the market value of assets as of the valuation date, as provided by the System. The System uses an “actuarial value of assets” that differs from market value to gradually reflect year-to-year changes in the market value of assets in determine the contribution requirements.

Inflation: 2.30%

Long-term Expected Rate of Return:

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan’s target asset allocation as of June 30, 2020 are summarized in the following table:

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-term Expected Real Rate of Return</u>
Global Equity	29%	7.07%
US Equity – Large Cap	4%	6.19%
US Equity – Small/Mid Cap	3%	6.93%
Non-US Equity – Large Cap	5%	7.01%
Non-US Equity – Small Cap	2%	7.66%
Emerging Markets Debt	4%	3.66%
Core Bond	20%	0.39%
Private & Alternate Credit	10%	6.03%
US TIPS	3%	(0.20)%
Core Real Estate	5%	4.06%
Non-Core Real Estate	3%	6.43%
Private Equity	10%	11.27%
Infrastructure/Farmland	2%	5.44%

Discount Rate – The discount rate used to measure the total pension liability was 7.00%, a decrease from 7.50% in the prior year. The projection of cash flows used to determine the discount rate assumed plan member and employer contributions will be made at rates set by the Board (employers) and statute (members) with scheduled increases through July 1, 2021. Further, based upon Board resolution, projected contributions beginning July 1, 2022, and each subsequent July 1, through 2025 include additional total contribution increases of 0.50% per year. For this purpose, only employer contributions that are intended to fund benefits of current plan members and their beneficiaries are included. Projected employer contributions that are intended to fund the service costs of future plan members and their beneficiaries, as well as projected contributions from future plan members, are not included. Based on those assumptions, the pension plans' Fiduciary Net Position was projected to be available to make all projected future benefit payments of current plan members as of June 30, 2020. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

The following presents the Town's proportionate share of the net pension liability calculated using the discount rate of 7.00 percent, as well as what the proportionate share would be if it were calculated using a discount rate that is one percent lower (6.00%) or one percent higher (8.00%):

<u>1% Decrease (6.00%)</u>	<u>Discount Rate (7.00%)</u>	<u>1% Increase (8.00%)</u>
\$3,842,194	\$2,514,858	\$1,422,742

Additional Information

Additional information regarding the State of Vermont Municipal Employees' Retirement System, including the details of the Fiduciary Net Position, is available upon request from the State of Vermont.

TOWN OF MILTON, VERMONT
 NOTES TO THE FINANCIAL STATEMENTS
 JUNE 30, 2021

Defined Contribution Plan

The Town participates in Group DC of VMERS, a defined contribution plan, which requires employees to contribute 5% of their gross salary while the Town contributes 5.125%.

The Town pays all costs accrued each year for the plan. The premise of Plan DC is to allow employees to have a choice in investing their retirement assets. Each employee will receive the value of their account upon retirement.

Total covered payroll for Group DC was \$620,105. Pension expense for the years ended June 30, 2021, 2020 and 2019 was \$31,780, \$31,641 and \$30,806, respectively.

Deferred Compensation Plan

The Town also offers its employees a deferred compensation plan in accordance with Internal Revenue Code Section 457. The Town is the administrator of the plan. The plan permits employees to defer a portion of their salary until future years. Deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency. The Town has no liability for losses under this plan, but does have the duty of due care that would be required of an ordinary prudent investor. All of the investments are self-directed by each employee.

B. Property Taxes

The Town is responsible for assessing and collecting its own property taxes, as well as education property taxes for the State of Vermont. Property taxes are assessed based on property valuations as of April 1, the voter approved budgets and the State education property tax liability. Property taxes are collected three (3) times per year. During the tax year ended June 30, 2021, taxes became due and payable on September 15, 2020, February 15, 2021 and May 15, 2021. The Town assesses an 8% penalty on delinquent taxes and interest is assessed at 1% per month. Unpaid taxes become an enforceable lien on the property and such properties are subject to tax sale. The tax rates for 2021 were as follows:

	<u>Homestead</u>	<u>Non-Homestead</u>
Town	.5752	.5752
Local Agreement	.0053	.0053
Education	<u>1.5330</u>	<u>1.7097</u>
Total	<u>2.1135</u>	<u>2.2902</u>

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

C. Risk Management

The Town is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Town maintains insurance coverage through the Vermont League of Cities and Towns Property and Casualty Intermunicipal Fund, Inc. covering each of those risk of loss. Management believes such coverage is sufficient to preclude any significant uninsured losses to the Town. Settled claims have not exceeded this coverage in any of the past three fiscal years. The Town must remain a member for a minimum of one year and may withdraw from the Fund after that time by giving sixty days notice. Fund underwriting and rate setting policies have been established after consultation with actuaries. Fund members are subject to a supplemental assessment in the event of deficiencies. If the assets of the Fund were to be exhausted, members would be responsible for the Fund's liabilities.

The Town has elected to pay actual unemployment claims instead of enrolling in an unemployment insurance program. No liabilities have been accrued as the Town is not able to make an estimate as to any future costs. The Town paid \$1,590 in unemployment claims during fiscal year 2021.

D. Tax Increment Financing Districts

In April, 2008, the Town created the Milton Town Core TIF District which VEPC approved in 2008. In April 2012, VEPC approved the TIF District Financing Plan and the District was activated at 2013 Town Meeting.

TIF Districts allow the Town to undertake and pay for infrastructure improvements that will allow for increased economic and community development. The Town cannot begin any TIF projects unless a debt ceiling is in place. The Town may adjust its debt ceiling through debt related ballot items for TIF projects. Milton specific legislation allows Milton to approve debt ceilings incrementally. All TIF District debt will be secured by the TIF District revenues and the general obligation of the Town. The Town can no longer borrow on the Town Core TIF District. The Town was required to incur all approved debt by March 31, 2018 which was completed. The Town previously incurred \$3,250,000 for Phases I and II of the Village Core Sewer Expansion System and to extend a waterline along Bombardier Road to Route 7. These projects were finished during fiscal years 2015 and 2016. The Town borrowed \$6,230,000 in 2018 to fund approved projects including \$2,800,000 for the Hourglass Intersection Improvement, \$2,500,000 for Streetscape Improvements along Route 7 and \$1,000,000 for the Southern Gateway Intersection. \$2,033,163 of outstanding debt is included in the Sewer Fund and \$78,000 in the Water Fund that will be paid with TIF District incremental taxes.

With a TIF District, the value of properties within the District are frozen at the time the District is created. All property taxes generated by the original base continue to go to the municipal General Fund and the State Education Fund. For twenty (20) years, the municipal and education property taxes generated by any new development are shared with 75% going to finance TIF District infrastructure debt and 25% going to the municipal General Fund and State Education Fund.

TOWN OF MILTON, VERMONT
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2021

E. Contingent Liabilities

The Town is a participating member in the Chittenden Solid Waste District (CSWD) and the Champlain Water District (CWD). The Town could be subject to a portion of these entities debt if these entities experience financial problems.

The Town participates in a number of federally assisted and state grant programs that are subject to audits by the grantors or their representatives. Accordingly, compliance with applicable grant requirements will be established at some future date. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined at this time, although the Town expects such amounts, if any, to be immaterial.

There are currently pending claims against the Town where the Town's insurance carrier is providing defense. The Town is vigorously defending the claims. The Town and the insurer do not believe that the claims could exceed the insurance policy limits in the event of unfavorable rulings.

F. Concentration of Expenses

The Town purchased all of their water from Champlain Water district "CWD" for the year ended June 30, 2021. The Town purchased \$399,659 of water from CWD.

Notes to Schedule

Benefit Changes: None

Changes in Assumptions and Methods: The following changes were effective for the June 30, 2020 valuation date:

- The investment return assumption was lowered from 7.50% to 7.00%
- The inflation assumption was lowered from 2.50% to 2.30%
- The COLA assumption was lowered from 1.15% to 1.10% for Group A members and from 1.30% to 1.20% for Groups B, C and D members
- The mortality assumptions were updated as follows:

Pre-Retirement:

- Group A/B/C - 40% PubG-2010 General Employee below-median and 60% of PubG-2010 General Employee, with generational projection using scale MP-2019
- Group D - PubG-2010 General Employee above-median, with generational projection using scale MP-2019

Healthy Post-Retirement - Retirees:

- Group A/B/C - 104% of 40% PubG-2010 General Healthy Retiree below-median and 60% of PubG-2010 General Healthy Retiree, with generational projection using scale MP-2019
- Group D - PubG-2010 General Healthy Retiree, with generational projection using scale MP-2019

Healthy Post-Retirement - Beneficiaries:

- Group A/B/C - 70% Pub-2010 Contingent Survivor below-median and 30% of Pub-2010 Contingent Survivor, with generational projection using scale MP-2019
- Group D - Pub-2010 Contingent Survivor, with generational projection using scale MP-2019

Disabled Retirees:

- All Groups - PubNS-2010 Non-Safety Disabled Retiree Mortality Table with generational projection using scale MP-2019
- The salary scale assumption was revised for varying service based rates from 0-10 years of service, then a single rate of 2.20% for all subsequent years, plus revised inflation of 2.30%
- The active retirement rates were updated as follows:
 - Group A: Decreased the rates throughout all ages
 - Group B: For females, slightly decreased the rates at younger ages and then increased the rates at later ages. For males, slightly decreased the rates at most ages
 - Group C: Simplified the assumption to a unisex table that more accurately aligns with the actual experience for both males and females
 - Group D: For members with less than 20 years of service, increased the rates for ages 55-59

- The inactive retirement assumption was updated to add a rate of 10% from early retirement age for each year until normal retirement age, then 100% at normal retirement age
- The liability loan of accumulated contributions for Inactive Members was removed. Liabilities for Inactive Members are now based on 100% of the accumulated contributions. Inactive Members who are vested immediately become Deferred Members, and the liabilities for all Deferred Members are based on the accrued benefit
- The termination rates were updated as follows:
 - Simplified female rates to one set of slightly reduced rates for all females

Fiscal year 2015 was the first year of implementation, therefore, only seven years are shown

Selectboard Annual Report

To All Residents,

This year we welcomed back Darren Adams as Chair of the Selectboard. Our other Selectboard members are Mike Morgan, Vice Chair; Chris Taylor, Clerk; Brenda Steady and John FitzGerald.

We would like to start by saying thank you to all of the volunteers who serve our Town, through boards and commissions and through public safety positions. Our volunteer Firefighters and Rescue members respond anytime of the day or night when the need arises, and their dedication to the Town of Milton is deeply appreciated. Like many communities in the region, we have faced EMS coverage shortages and are working vigorously to ensure 24/7 coverage is available. Additional full-time personnel are being added to augment our volunteers.

While we have continued to adapt to the complications brought by COVID-19, our municipal finances are in good condition. That said, the town was not without economic impact from COVID-19. We look forward to identifying the best use for funds provided by the American Rescue Plan Act (ARPA), to respond to economic impacts associated with the pandemic.

We are pleased with the work accomplished by the town's staff in many areas. Public Works and Public Safety continue to bring in much needed grant dollars for infrastructure and health/safety improvements. Several town employees reached milestone anniversaries in 2021: Richard Corbin (5 years); Kathy Stankiewicz (5 years); Ben Nappi (10 years); and Chris Grenier (20 years). Thank you for your many contributions to the Town of Milton.

We started a process to help guide our future called "Milton on the Move." In partnership with the Vermont Council on Rural Development, we have matched citizens and stakeholders with regional and state officials to develop a future which works for our needs. It is a great opportunity to change goals into action. Thank you to all of those who are participating.

Please feel free to contact Town staff or any member of the Selectboard anytime with your comments on issues and/or concerns. Your suggestions and feedback are always welcome.

We urge all residents to vote on Town Meeting Day in Vermont, Tuesday, March 1, 2022.

Respectfully Submitted,

Darren Adams, Chair

Mike Morgan, Vice Chair

Chris Taylor, Clerk

Brenda Steady

John FitzGerald

Town Manager's Report

To All Milton Residents,

2021 has been a year of adaptation and perseverance resulting in exciting progress in many areas. We have seen remarkable enthusiasm from residents to see forward progress, and we are grateful for community support with everything from budget approvals to participation in events and programs.

We had a great turnout at the 2021 Town Meeting Day, and our community and staff deserve credit for adjusting to an entirely new system as we adapted to the continuing challenges of COVID-19. In the interest of avoiding a large gathering, we released an informational video recap of 2020 and an outline of Fiscal Year 2022 proposals. With a combination of in-person voting and absentee ballots, 2218 residents voted. I would like to thank the community for getting out to vote and for supporting all of the ballot articles this Town Meeting Day. Your voice helps shape the future of our town.

We saw overwhelming support for an additional highway resurfacing/paving budget to help maintain our roadways. We are grateful for the community's show of support for this increased effort, as we recognize that we have underinvested in this for many years. This additional budget allowed us to complete several street paving projects in 2021, and we also completed the main street sidewalk and enhanced pedestrian travel with guardrail improvements. We look forward to continuing this momentum in 2022.

The town offices opened back up in June of 2021. We were thrilled to work together in person, once again. Despite the staffing challenges so many organizations have recently experienced, we have been fortunate to retain a solid team of dedicated staff and to recruit new, highly qualified individuals.

We have especially seen growth in the Public Safety department. Our rescue team has transitioned from an all-volunteer department to a combination volunteer and career department, after hiring two additional full-time EMTs. As our call volume continues to outpace our ability to serve the community, we will need to continue to invest in this service moving forward. The police and fire departments continue to see increasing call volumes, but the level of service remains sufficient with our current staff.

Our Recreation department continues to offer successful and well-attended programs. In our efforts to use the town's property and programs to attract different sectors of the community, we added a disc golf course, a fruit grove and community garden to our park amenities. We are also adding to and improving the many walking paths and trails in our community.

We have made investments to enhance town property/assets. We resealed and restriped the parking lot at the town offices and installed new flooring. We are also in the process of redesigning the town website as a tool to enhance communication and provide better service to residents. We will continue to focus efforts on developing improved communication channels with residents, both online and offline.

Our sights remain fixed on the future of Milton. We will begin 2022 with the completion of our Milton on the Move initiative, which brought community members together to examine issues, decide top priorities and develop action plans for the future of the town. We are always working to strengthen community engagement, so it was wonderful to see such strong participation in this effort.

We remain committed to investing in infrastructure and amenities for our growing community while doing our best to keep these investments affordable for our residents. Together we can make Milton a better place to live, work and raise our families.

Don Turner Jr., Town Manager

Milton Administration, Facilities, HR & IT – Fiscal Year (FY) 2021 Annual Report

As Director of Administration and Human Resources, I manage the day-to-day administrative functions of the Town offices and am the human resources specialist for the Town. I also provide oversight to the Recreation department, Planning & Economic Development department and oversee the Town's relationship with the Library staff. I prepare and administer the Administrative, HR and IT budgets.

It has been another very busy and productive year. Here are just a few of the FY21 highlights:

- Hired 6 staff members to replace departing or promoted employees. This is a similar turnover rate to FY20.
- Increased focus on virtual staff training. Improved technology to facilitate more staff working remotely.
- With leadership from Public Safety Director Michaela Foody, continued managing adherence to human resources policies, with special emphasis on COVID-related laws, orders and acts to ensure compliance with Town, local, state and federal laws, reporting requirements and safety compliance. These rules & procedural updates emanate from the Department of Labor, the Center for Disease Control (CDC) and the Vermont Department of Health.

As Director of Facilities, I manage the programs and staff associated with the long and short-range needs of the community for care and maintenance of facilities. I coordinate work on public properties including parks, athletic facilities, cemeteries, lawns and all Town buildings. I prepare and administer the Buildings & Grounds budget including purchasing, utility cost oversight and supply requisitioning. My staff includes Maintenance Techs Justin Bergeron (FT) and Jeremy Bushey (PT), as well seasonal grounds staff of Bailey Reilly, Marty Branch & Greg Roy.

There continues to be increased focus on preventative maintenance as our Town buildings continue to age and are fully utilized. These include the following buildings (year built) – municipal building including library (1995, library addition 2011), rescue station (1988), fire station (2003). The Town also owns the Milton Historical Society building on School Street and old fire station on Kienle Drive. The highway garage and wastewater plant maintenance is managed, with my assistance, by those departments' respective superintendents.

Here are some of the FY21 highlights:

- Throughout the entire fiscal year the overall operational and janitorial goal was to keep the building envelopes and workplaces safe for staff and visitors alike.
- Continued increase in utilization of Grange by non-profit entities unable to use school district libraries, gymnasiums and cafeterias due to COVID.
- Oversaw the following projects, among many others:
 - Leased a 2021 Chevy Equinox shared-use vehicle with enhanced safety features.
 - Renovated River Street Park electronic message board
 - Retrofitted Grange with LED emergency lights and exit signs
 - Continued conversion to LED lighting interior and exterior, including walkway lights
 - New high-traffic carpet installed in municipal building hallways and lobby. Multiple improvements in other workspaces.
 - Significant HVAC repairs and improvements.

No discussion about Town of Milton Buildings & Grounds would be complete without recognition of and appreciation for the hard work, dedication and years of professional service provided by my predecessor, Dustin Keelty. His shoes continue to be hard to fill as he was an excellent caretaker of all Town facilities & properties. His laughter & presence are truly missed within our hallways.

On July 1, 2020 I also took on oversight of Town information technology (IT), including coordination of our managed services provider (MSP). The Town's electronic tools, files and resources require constant vigilance to keep updated, operational and secure. Focus and improvements in Cybersecurity took place throughout FY21.

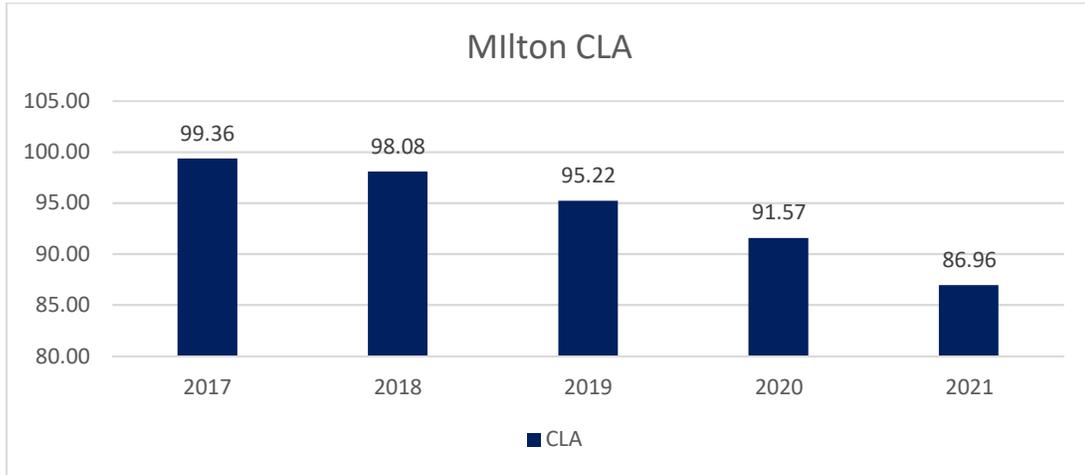

My staff and I look forward to continued service to residents as well as Town employees, for whom some of these buildings are workspaces. I can be reached via phone at 802-891-8049 or email at jbartlett@miltonvt.gov.

Respectfully submitted,

John Bartlett, Director of Administration, Facilities, Human Resources & IT

Town of Milton Assessor's Office

The Common Level of Appraisal (CLA) continued the decline from the previous year to 86.96. This is a drop from 91.57 the previous year. As seen from the following chart, the CLA has steadily declined since 2017. The CLA is a measure of the level of assessment compared to sales that have occurred in Milton.

When the CLA is less than 100 it indicates that property is being under assessed. The following chart shows that the median sales price of properties increased 16% from 2019 to 2021. The median assessed values are currently 28% below the median sale prices.

Appraisal and Sale Price Summary Statistics

Year	Count	Appraisal Mean	Sale Price Mean	Appraisal Median	Sale Price Median
2 2019	165	237703.9	274691.5	246690.0	285000.0
3 2020	174	230439.5	291217.1	226955.0	295000.0
4 2021	156	242740.6	339067.6	227165.0	330000.0
Combined	495	236737.7	300788.7	232880.0	297000.0

The reappraisal will be completed for the 4/1/2022 grand list. For information about the reappraisal go to the Town of Milton web site under Assessor and then Reappraisal. The last reappraisal for Milton was completed in 2006. The base values established at that time are still in place. It is important to understand that increases in value do not necessarily mean increases in taxes. If budgets are steady, as the grand list increases, the tax rate should decrease.

The past year we completed inspections for 163 new permits; 15 were new homes. A total of 263 change of appraisal notices were sent.

Respectfully Submitted,
 Edgar Clodfelter, VMPA
 Milton Assessor

Milton Fire Department Annual Report

As we close out 2021 we continue to operate with COVID lurking in the forefront. We had to be prepared for the unknown and still provide the Town of Milton with professional fire service, while protecting our members and our residents from being contaminated. It continues to be an unsettling time.

This year continues a staggering trend and our busiest year since record keeping. We responded to 282 calls for service. We had several serious calls which take a toll on our members.

Recruitment and retention of members continues to be a high priority. Daytime coverage has improved this past year as a number of members have taken jobs within our community. We still rely heavily on our mutual aid departments for assistance on daytime calls as they rely on us to cover their gaps too. If you have an interest in joining the Milton Fire Department and serving your community, please contact the Public Safety Office for an application.

Last year's events, with extended days traversing Arrowhead Mountain to extinguish a wildland fire, showed the immediate need for an all-terrain vehicle. Although the capital plan had future plans to purchase a UTV the Milton Firefighters Association voted to spend up to \$20,000.00 to purchase and equip a UTV. A Polaris Ranger six seater UTV was purchased, equipped with necessary firefighting equipment and put into service. An equipment trailer was purchased with funds from the regular Fire Department budget. This unit has been used several times this year and will no doubt be a big asset to the Fire Department in the future.

I want to take a moment to thank the voters for your continued support of our department. Looking to the future, we need to pay close attention to recruitment of members. Although our numbers are close to being fully staffed, history has shown that this can change rapidly. Again this year we will closely monitor and reevaluate our capital replacement plan regarding apparatus. We currently continue to operate a 1995 brush truck and a 1994 pumper truck. Both vehicles are well past their scheduled replacement, and as these vehicles age, maintenance and repair become very costly as well as out of service time. This year the 94 Engine had transmission issues that put it out of service for over a month. The issue is the age of the vehicles and repair parts are no longer available.

A very sad end to this year was the loss of DUSTIN KEELTY who passed on 12/21/21 at the young age of 46 after a five year battle with ALS. He was a thirty year member of the department and once held the rank of Captain and continued to support the department until he was unable. He continues vicariously through his two daughters, who are members of the department. This was a devastating loss to the department; he was a friend to ALL.

I would be remiss if I didn't recognize all the officers and members of this department for their commitment, dedication and professional service to the Town of Milton. The families of this department are also deserving of recognition for allowing us to take their loved one away from anniversaries, birthdays and family events to answer the call of need as they carry on in their place. Being the loved one of a firefighter is not for the faint of heart, and for that we all salute them. Thank you again for your support and stay safe and healthy during this unsettling time.

Professionally yours,

Christian Poirier, Chief

Town Health Officer Annual Report – FY 2021

The Town of Milton Health Officers provide coverage to the inhabitants of Milton concerning public health complaints seven days a week. The Health Officers receive calls concerning the public health from emergency service providers, private citizens of Milton, and tenants regarding Rental Housing Code concerns. During the fiscal year 2021, the Health Officers responded to the following complaints:

Type of Complaint	Number of Complaints
Sewage and Septic Failures	1
Odor, Smells, Garbage	3
Rental Housing Complaints	7
Other	2
Animal Bites	23
Total	36

Town Health Officers issued 6 Voluntary Compliance Letters during the fiscal year. The Milton Board of Health did not issue any Health Orders.

The state authorized Health Officers, as of July 1, 2018, the authority to fine up to \$100 per day for each rental housing code violation not corrected by the deadline provided in the inspection report, or if an affected unit is rented to a new tenant before the violation(s) are corrected.

Amanda Pitts is the Health Officer and Michaela Foody and Roger Dickinson are the Deputy Health Officers. During normal business hours, the Health Officer may be reached at (802) 893-6655 option 4. During non-business hours, and during the weekend, the Deputy Health Officer can be reached at (802) 373-7135. Please contact the Health Officer with any questions or complaints concerning the public health.

Respectfully submitted,

Amanda Pitts, Health Officer
Roger Dickinson, Deputy Health Officer
Michaela Foody, Deputy Health Officer

MILTON PUBLIC LIBRARY ANNUAL REPORT FY 2021 (July 1, 2020 – June 30, 2021)

We experienced many challenges throughout fiscal year 2021, but the staff at Milton Public Library faced these issues head on. Kathy D, our children's librarian, stepped in as interim director in November, 2020, and effectively led us through the rest of the year. Being short one full-time position and without the physical presence of our patrons in the library, we had to broaden our individual responsibilities to meet the needs of our community.

We continued to grow our collection, to make curbside services available, and to provide printing services to those without access to computers. Usage of online resources including Hoopla (new) and Overdrive/Libby increased. With MaryBeth covering daytime hours and Tracey and Lorraine supervising afternoon/evening hours, there was little to no interruption of library usage and availability, and patron needs were met in a timely manner.

To supply our community with much needed information, MaryBeth learned how to digitally edit videos for YouTube and how to promote programming via different formats. She established our eNewsletter, WOWbrary, which can be found on our website. Kathy D recorded weekly story times for our younger population. Kathy S put together weekly take-and-make kits throughout the summer to keep our young people entertained and connected. With the help of volunteers, we provided outdoor story walks just west of the dog park. Michelle taped weekly videos for the teens and led adult book discussions via Zoom. MaryBeth filmed and prepared adult programming. MaryBeth and Michelle presented our multi-generational puzzle project, hoping to bring unity in a difficult time. Tracey continued to facilitate inter-library loans and added adult book purchasing to her responsibilities. Lorraine took on the job of trouble shooting any technical issues we had and became our tech support liaison and videographer.

Under the direction of Kathy D, and with Leslie's help, we acquired and assembled 17 themed book kits for at home or daycare use for Pre-K aged children. Each kit contains several books, together with activities and craft ideas to supplement the themes. We also provided 5 STEM kits for ages 4 and up. These kits include a book and other pertinent activities and resources for further learning.

The Friends of the Library hosted their annual basket raffle which was facilitated through FaceBook and allowed patrons to purchase tickets online or in person. They continued to support our various programs and expenses. We are very grateful for their dedication.

In addition to the availability of our large collection of print, listening and DVD materials, we purchased several pairs of snowshoes through a grant from Rise VT. These were popular check out items through our long winter with little socializing. In collaboration with the Milton Recreation Department, we were able to loan guitars to patrons.

Working in conjunction with the Milton Town School District's lunch program, we distributed lunches and breakfasts to many families 5 days a week.

At the end of June, we prepared to re-open our doors to the public 3 days a week without need for appointments. This began on July 1st. We looked forward to welcoming back those patrons who were eagerly waiting to return. It was our pleasure to keep our services available to the residents of the Town of Milton and to accommodate our patrons' needs to the best of our ability.

A few quotes from our patrons:

In response to the multigenerational puzzle project: "This is an amazing idea. And the results are very uplifting." – Martha

In response to our curbside art kits, we received this comment: "You've all done a great job providing kits for kids." – Rosanne

In response to the guitar availability, we received this comment: "Our community is so fortunate to have such an amazing library!" – Emily

PLANNING & ZONING DEPARTMENT

Planning | Zoning Administration | Development Review | Economic Development | Conservation

The Planning & Zoning Department works to maintain and improve Milton’s common future, quality of life and general well-being. We do this by collaborating with the community to define the needs of present and future generations and by legally and ethically administering the Town’s development regulations in order to: protect property and people, ensure the quality and safety of development, foster orderly growth, and coordinate the efficient use of public resources. The department is also committed to reviving Milton’s economic development. The department has a hard-working team in place to answer your questions. We welcome your e-mails, calls and visits, and we value the opportunity to help property owners learn how they can build and develop in compliance with Milton’s standards.

In FY21, The Town reviewed 168 zoning permits and performed 88 Certificate of Completion inspections.

Type of Permit	# of Permits	# of New Units
Single-family dwelling	9	9
Multi-family dwelling	1	25
Duplex	0	0
Residential-Accessory Dwelling Units	4	4
Residential-Accessory Structures & Alterations	110	
New Non-Residential	3	
Non-residential Accessory Structures & Alterations	8	
Sign	8	
Demolition	4	
Change of Use	6	
Lot Line Adjustments	3	
Renewed Permits	0	
Amended Permits	8	
Withdrawn Permits	2	
Denied Permits	0	
Other (ie Infrastructure)	2	
Total	168	38

The Planning Commission updated the Unified Development Regulations to provide flexibility for home businesses and home occupations for their operation hours as well as to create a new commercial use called live-work unit in the Town Core area, which allows appropriate commercial uses along with a residential use within a single unit. The Planning Commission also created a density bonus incentive for commercial development in residential developments in the Town Core Planning Area. Lastly, the Planning Commission worked to provide more ownership options for conservation planned unit developments to create more opportunities for small business and start-ups in and near the Town Core, and for more housing options near the new downtown.

The Development Review Board conducted hearings and issued decisions on 26 applications during the fiscal year 2021: 7 Major Site Plans, 4 Conditional Uses; 9 hearing for Subdivisions; and 6 Variances. Staff issued determinations on 8 Sketch reviews for subdivisions, and decisions on 9 Minor Site Plans.

The Conservation Commission and the Tree Warden were very active in making repairs to the town’s trails including under the Lamoille River Walk Trail Project. The CC also held a successful Green Up Day in Milton this summer.

The Economic Development Commission continues to explore methods to increase economic development activity in Milton. The Commission finds that it is a priority to make and support an attractive, thriving environment for new and current businesses. Therefore, it has partnered with the Milton School District on linking high school students to local employment and training opportunities, as well as, contributing strategic planning ideas and network resources that guide the American Rescue Plan funds which the Town received this fiscal year.

The Planning office also dedicated itself to improving communication with the public. The Planning and Zoning Research Tool on the Town website contains thousands of zoning permits, certificates of compliance, and other documents for convenient, 24/7 public access. All notices are posted online through Facebook and Front Porch Forum, in addition to the traditional posting methods. All planning commission meeting documents are available online and the DRB hearing documents are available online upon request.

MILTON POLICE DEPARTMENT

Stephen D. Laroche, Police Chief

The Milton Police Department is comprised of 17 full-time officers, including the Chief of Police, three patrol Sergeants, four Corporals, nine Patrol Officers, K-9 Biscotti, and one Administrative Assistant. The Milton Police Department is assisted by the St. Albans Central Communications center. All 911 calls and calls for service are answered and dispatched by the staff at the St. Albans City Police Department Communications Center.

Looking back at the fiscal Year 2021, (July 1, 2020, to June 30, 2021), the Milton Police Department continued to find ways to serve the community in a safe and caring way during these challenging times.

From July 1, 2020, to June 30, 2021, the Milton Police Department handled 6476 incidents and complaints, which included 390 arrests. The top four offenses leading to these arrests were: Criminal Driving While License Suspended (65), Driving Under the Influence (71), Violation of Conditions of Release (46), and Assault (27). The most common types of calls we responded to are listed below:

Traffic Stops	1877
Medical Assists	391
Assist the Public	416
VIN Verifications	386
Motor Vehicle Complaints	375

The department continues to see calls for service where there is a mental health component involved. This past year we saw 227 incidents involving mental health. In 2020, there were 210 incidents, and in 2019, we saw 221. Starting on January 1, 2021, we have contracted with the Howard Center’s Community Outreach to assist the community with these types of calls.

After taking a year off due to the COVID-19 pandemic, this year we were able to hold the annual National Night Out event. With 700-800 in attendance, it was wonderful to see so many members of the community. The newly formed Police Advisory Committee continues to work with us to help better serve the community, businesses, and visitors of the Town of Milton.

It is the mission of the Milton Police Department to serve our community with honor, integrity, and promote public trust by protecting all individuals, groups, organizations, and businesses. We will treat everybody with compassion and respect while striving to enhance community safety with cooperation between all members of the community and the Police Department.

Milton Department of Public Works – FY 2021 Annual Report

July 1, 2020 to June 30, 2021

The mission of the Milton Department of Public Works (DPW) is to steward Milton’s infrastructure and environment by delivering efficient, effective, and equitable public services to all residents. Every Milton resident relies on the services provided by the DPW every day. We provide and deliver potable water, collect and treat wastewater, construct and maintain sidewalks, roads, and stormwater infrastructure. We plan and advance municipal capital improvement projects, and pursue federal and state grants in order to leverage Milton’s local budget to obtain outside funding for local projects.

During FY2021, DPW welcomed two employees to our staff. Residents may have already interacted with Cally Audet, our new Administrative Assistant, and Kirsten Jensen, our new public works engineer. Welcome Cally and Kirsten!

The DPW consists of the following divisions: the Engineering and Administrative Division (AD), the Water & Wastewater Division (W/WW), and the Highway Division (HD).

ENGINEERING & ADMINISTRATIVE DIVISION

The AD consists of David Allerton, P.E., Director of Public Works/Town Engineer, Kirsten Jensen, Public Works Engineer, and Cally Audet, Administrative Assistant. The AD is responsible for managing the Department of Public Works, including: capital projects, consulting engineers, construction contractors, and being the liaison with funding agencies; seeking state and federal grant funding opportunities; developing and managing annual budgets; overseeing the different DPW Divisions; reviewing and processing invoices to ensure projects remain on budget; responding to resident concerns; collaboration with other Town Departments on projects; etc. Additionally, we review and approve Highway Access Permits, Excess Weight Permits, projects under review by the Development Review Board and Planning & Zoning Office, and ensure we are meeting all State permit and reporting requirements.

This year, the AD was awarded and applied for several grants for Town projects. These grants include the following:

1. Class 2 Paving Grant for Lake Road. The Town was awarded a \$140,000 grant, with a \$35,000 local match, for the paving of a one mile section of Lake Road.
2. Grants-in-Aid Grant for \$26,660, and a local match of \$6,665, for a total of \$33,325. This grant was used to complete ditching improvements on Reynolds Road and ditching and culvert replacement on the Class 3 section of Devino Road. There was additional funding available through this grant to complete a ditching project on John Rowley Road, which took place in FY2022.
3. A Drinking Water State Revolving Fund (DWSRF) Loan with 75% subsidy for the River Street Pressure Sustaining Valve Replacement Project. The total project cost was approximately \$220,000, so the subsidy should be about \$165,000. The project will cost users approximately \$55,000. The final numbers are yet to be determined by the State.
4. Stormwater Grants
 - a. The Town obtained a Clean Water Design/Implementation Block Grant through the Southern Windsor County Regional Planning Commission for design work of the AB-2 project, an infiltration basin to treat runoff at the bottom of Allen Drive. The grant was \$3,500, and the local match was \$3,500.
 - b. The Town, working with the Chittenden County Regional Planning Commission, obtained a grant through the Mount Ascutney Regional Planning Commission for the design of stormwater improvements at the top of Allen Drive, the AB-3 project. The grant was for \$3,610, with a local match of \$3,610.

The total amount of grant and subsidy received is \$338,770, with a local match and/or project costs of \$103,775.

The AD managed and/or completed the following projects in FY2021: paving of East Road from Bridge No. 5 to McMullen Road, West Milton Road from the top of Munson Hill to the town line, Poor Farm Road (from Quail Hollow to the end), Duffy Road (from 425 Duffy Road to the Town Line). We replaced the guardrail on West Milton Road over the I-89 overpass. Additionally, we completed the long awaited Cherry Street sidewalk and crosswalk across Railroad Street project, in addition to supporting a project to construct new crosswalks and stormwater drainage at the intersections of Rebecca Lander and Route 7, and Lamoille Terrace and Route 7, including the installation of Rectangular Rapid Flashing Beacons for pedestrian safety. We worked with FEMA since October 2019 to obtain funding for the Rollin Irish Road culvert replacement project; this project was completed by Highway Division staff in August of 2021. We worked with the Agency of Natural Resources (ANR) to complete the River Street Pressure Sustaining Valve Replacement Project. We managed a project to replace crosswalk aprons on Herrick Avenue, Centre Street, and Bombardier Road. We have been updating all of the town's infrastructure into ArcGIS, which enables us to better manage and plan for improvements in the future. We worked with the Chittenden County Regional Planning Commission to obtain a grant to prepare the Town's Phosphorus Control Plan, identifying projects around town to help us reduce stormwater/phosphorus impacts to local streams, the Lamoille River, and Lake Champlain.

The AD is working to advance the following projects: Hourglass Project, Route 7 Streetscape Project, projects from the recently approved Phosphorus Control Plan and Stormwater Master Plan, revising the DPW Specifications and Water and Wastewater Ordinances, and the Beaverbrook (Flanders) Water and Sewer Evaluation. Additionally, we are working on a long term paving plan for the town, replacing guardrails, culverts, and repairing or replacing stormwater catch basins. There are many other projects on our list to do, including replacing a culvert on Duffy Road, improvements to the Catamount Industrial Park water mains, replacing Railroad Street water mains, and the Munson Hill slope failure and road repair, which we continue to search for funding to complete. We also worked with several developers and their engineers on new development projects in town.

WATER & WASTEWATER DIVISION

Five full-time employees staff the W/WW Division. The W/WW Division operates and maintains approximately 35 miles of water mains, pumping stations, water reservoirs, and more than 300 fire hydrants and blow-offs, while serving over 2,500 connections. Potable water is purchased through the Champlain Water District (CWD), and a Consumer Confidence Report (CCR) is published each year outlining water quality testing results. The CCR is available at the Milton Town Office, the Milton Town Website, or from CWD. Additionally, we operate and maintain approximately 15 miles of sewer collection mains, pump stations and the Milton Wastewater Treatment Facility (WWTF). The WWTF system serves approximately 1,350 connections.

Division staff are responsible for reading and repairing water meters, while the Town Finance and Town Clerk's Office provide billing and collections services. W/WW bills are issued quarterly, in January, April, July and October. Water main hydrants are flushed twice a year, in April and October.

W/WW worked on and completed the following projects this year:

1. Installed a Wet Well Wizard aeration system at the Route 7 Pump Station. This allows us to discontinue use of chemicals used for odor control saving over \$19,000.00 a year.
2. With the assistance of the Highway Division staff, replaced hydrants and valves on River Street and Railroad Street.
3. Assisted with installation and setup of our new Pressure Sustaining Valve on River Street.
4. Worked with the Champlain Water District and a consultant, Utilis, in identifying leaks in our water transmission and distribution system.
5. Working with Champlain Water District, evaluated the Maplewood Avenue Booster Pump Station to identify any deficiencies and prepare for future maintenance.
6. Hydrant flushing and maintenance, including painting of over 100 hydrants in the downtown area.
7. Emptied, cleaned and inspected Sequential Batch Reactor Basin No. 2.

8. Cleaning sewer mains.
9. Completed Whole Effluent Toxicity testing per our permit.
10. Continue to clean all sewer pump stations annually.
11. Installed a Mission Control online monitoring system for the Allen Drive lift station.
12. Responded to customers concerns of leaks and low water pressure, and changed over 60 water meters.
13. Continued with our monthly water read program incorporating new smart meter technologies to reduce customer's bills due to leaks. This has been a huge success in reducing water consumption and missed meter reading.

If you have a W/WW problem, please contact us as soon as possible. If a resident needs to contact us after hours for a W/WW problem, please call Milton Dispatch at 893-2424; do not call 911.

HIGHWAY DIVISION

The Highway (HD) consists of eight full time staff. The HD is responsible for maintaining Milton's network of more than 100-miles of paved and gravel roads. This is a huge task, and includes maintenance of pavement, stormwater improvements to roadside ditches, culverts, catch basins, signage, guardrails and equipment. This year we purchased a replacement single axle dump truck.

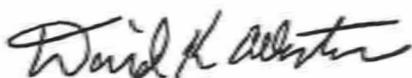

The HD accomplished the following work:

1. Completed ditching, drainage and road improvements to sections of Reynolds Road and Devino Road using funding from the Grants-in-Aid Program.
2. Completed the Main Street Sidewalk project, connecting East Road to Railroad Street with a concrete sidewalk.
3. Installed a Rectangular Rapid Flashing Beacon at the intersection of Main Street, North, East, and Westford Roads. This will improve pedestrian safety at the intersection, since this area is now connected with sidewalk to the village core.
4. Removed approximately one mile of shoulder berm.
5. Cleaned out 43,187-feet (> 8-miles) of ditching along town roads.
6. Cleaned 23 stormwater catch basins.
7. Installed Rectangular Rapid Flashing Beacons and stormwater improvements to the Rebecca Lander/Route 7 and Lamoille Terrace/Route 7 intersections.
8. Repaired and flushed seven stormwater outfalls.
9. Replaced seven culverts for a total pipe length of about 300 feet, including a five-foot culvert on the Class 3 portion of Devino Road.
10. Put down approximately 120 tons of asphalt patching.
11. With the W/WW Division, replaced hydrants on River Street and Railroad Street.

The HD continues to do the typical day-to-day duties we all take for granted: plowing the roads and sidewalks in the winter, performing roadside mowing and brush clearing in the summer, patching roads, placing gravel and calcium chloride on gravel roads, repairing guardrail, assisting with and constructing capital projects, vehicle maintenance, responding to resident concerns and numerous other tasks.

We look forward to continuing our service to the residents of Milton. If you have any questions, comments or suggestions, please contact us at 893-6655, or dallerton@miltonvt.gov.

Respectfully Submitted,

David K. Allerton, P.E., Director of Public Works/Town Engineer

The mission of the Milton Recreation Department is to advance Parks and Recreation efforts to enhance the quality of life for the community of Milton. We deliver this mission through a variety of accessible, affordable, and equitable services, including programs, events, parks, and facilities. We act as a resource to connect the community with other local organizations and non-profits and build strong community bonds through partnership and collaboration.

Milton Recreation continued to grow our park amenities in 2021. We added professional-level signage and professional-grade baskets to the revitalized disc golf course. After nearly two years of volunteer efforts, we were pleased to officially open the Milton Disc Golf: Eagle Course in October. In addition to the disc golf course, Milton Recreation also added a brand new Fruit Tree Grove and Community Garden this year. The Fruit Tree Grove features 19 fruit trees and six berry bushes, and will be ready for harvesting within two years. The Community Garden is a bare-bones, community-led garden that enjoyed its first season of use in summer 2021. Additionally, several smaller projects were completed this year, including a new stone bench in Bombardier Park West and maintenance to the Tennis Court gates and fencing. The first phase of the Bombardier Park Mountain Bike Trail project started in 2021 and will be completed in 2022.

Despite the COVID-19 pandemic, Milton Recreation held several events and programs in 2021. Pandemic-safe versions of the Winter Festival, Park Spruce Up Day, Egg Hunt, Green Up Day, July 4th, Trunk or Treat, Holiday Tree Lighting, and Holiday Light Parade were all a hit. We added two new events for 2021: The Great Milton Bake Off and the Haunted Forest.

Here are the highlights of 2021:

- 281 tickets were sold for the 1st Annual Ice Out Contest
- 241 children attended Milton Recreation summer camps
- 156 letters were received and responded to through the Letters to Santa program
- 1,258 people voted in the first-ever Great Milton Bake Off
- 751 people voted in the Holiday Decorating Contest
- 1400 people attended Trunk or Treat
- 543 tickets were sold for the Haunted Forest
- 11 people competed in the first Cardboard Sled Competition at the Milton Winter Festival
- Milton Recreation received four grants in 2021, totaling \$63,815 in funds.

In 2021, Assistant Recreation Director Ben Nappi celebrated his 10th anniversary with the Town of Milton. Milton Recreation staff participated in many Town committees, including the Technical Advisory Committee and the Economic Development Commission. The Recreation Commission continued to meet monthly despite the pandemic and provided valuable advice, insight, and assistance. This year, Milton Recreation continued to collaborate with many Milton businesses and organizations, including MTSD Food Service, the Conservation Commission, MCYC, youth sports groups, RiseVT, and many more. Milton Recreation teamed up with the Milton Artists' Guild for the Community Unity Puzzle, which saw over 40 artists create two murals over the course of the year. 14 Milton families applied for and received scholarships for Milton Recreation programs and summer camps.

Upcoming in 2022, we are excited about many new programs and parks projects. We look forward to enhancing the Disc Golf Course with new bridges, resurfacing the tennis courts, upgrading the Community Garden, and adding new inclusive playground structures to Bombardier Park. We will continue to work toward our mission of providing accessible, affordable, and equitable recreational services for all of Milton to enjoy. In 2021, we added an easy-to-use online scholarship application, removed gendered summer camps, added a non-binary account option, and added eSports programming to offer recreation opportunities for all abilities. We look forward to continuing to make advancements in 2022.

Milton Rescue Department Annual Report

2021 was a challenging and exciting year for Milton Rescue Department. We are still overcoming hardships like COVID-19 and staffing, but we have hit milestones within the past year that prove Milton Rescue is moving forward. Every change we have made supports the mission that emergency medical requests for service are met with rapid, reliable, efficient, and quality response.

This year, Milton Rescue was called for service 1073 times. This is an increase of 9% from last year's call volume of 985, and an increase of 23% since 2016.

As of December 31, 2021, the Milton Rescue Department has 31 active members. There are four (4) full time, nine (9) per diem, and eighteen (18) volunteer members. We onboarded nine (9) new volunteer and four (4) new per diem members. In the fall of 2021, with the Fiscal Year 2022 budget and approval from the Selectboard, Milton Rescue was able to hire two (2) more full time staff members, bringing the total full time staff to four (4).

In September, Milton Rescue took delivery of a new Braun Chief XL ambulance. This ambulance replaced our 2012 Lifeline Ambulance, Ambulance 2. Ambulance 2 had been experiencing multiple electrical issues and had to be taken out of service prior to the new ambulance being delivered. Northeastern Rescue Vehicles kindly loaned the Department an ambulance until our new one was finished, allowing us to remain in service while our second ambulance was away for maintenance or if we needed to respond to multiple calls.

While COVID-19 continues to impact our Department operations and the community, we appreciate the lessons in PPE, sanitization, and compassion that this pandemic has taught healthcare workers both around the world and within Milton Rescue. These now-standard procedures will benefit the health and safety of our staff and patients long after COVID.

As we begin 2022, we look forward to the hiring of a Full Time Rescue Department Chief. Since 2017, the responsibilities of the Chief have been assumed by the Public Safety Director, and before then it was a volunteer position. As Milton Rescue and the Town of Milton grow, we must also increase the leadership of the Department. Please continue to stay safe this year and remember that we are only a call away if you need us.

Michaela Foody
Public Safety Director
Acting Rescue Chief

TOWN CLERK'S REPORT

Fiscal Year 2020-2021

The past year has brought some big changes to the Town Clerk's office. In March, I was elected Town Clerk after Sheryl Prince's term ended. I'd like to thank Sheryl for her years of service to Milton and for her help transitioning into my new role. I have enjoyed all that I've learned so far and sincerely love working here!

We also changed our land record software program, and in doing so, made our land records available online. This has been very helpful to residents and professionals that need remote access to the records, especially during the Covid-19 pandemic.

When the Milton Town Offices re-opened to the public on June 1, 2021 the Town Clerk's office resumed services from the lobby counter. As a reminder, at the Town Clerk's office we:

- Record & maintain Milton's land records (Property Deeds, Mortgages, Liens, etc.)
- File & maintain vital records (Birth, Death & Marriage)
- Provide certified copies of vital records
- Issue marriage licenses
- Conduct local and statewide elections (voting, early/absentee ballots, etc.)
- Maintain the Milton voter checklist (register voters, update names & addresses)
- Notarize documents
- Process tax payments
- Process utility payments (water/sewer)
- Register dogs (a State law, due by April 1st each year)
- Renew DMV registrations
- Issue Green Mountain Passports (to State Parks, if over 62 years of age or a veteran)
- Post land with the State (restrict hunting on private land)
- Sell cemetery plots and maintain cemetery records
- File & maintain the meeting Minutes of various town boards & commissions
- Process liquor licenses for Milton businesses

Some Clerk-related statistics for the fiscal year 2020-2021:

- Births: 105
- Deaths: 84
- Marriage licenses: 65
- Dog licenses: 755
- Registered voters: 8,435
- We recorded 3,762 documents, totaling 14,235 pages, which filled 15 land record books.

The upcoming Town Meeting Day will be on Tuesday, March 1, 2022. In efforts to keep our election workers and voters as safe as possible, we encourage voters to vote early and absentee. Visit the Town Clerk & Treasurer page at www.miltonvt.gov for more election and voting information.

I am proud and honored to serve Milton as your Town Clerk. Feel free to call or visit our office, and we will help in any way that we can.

Respectfully submitted,

Kristin Beers
Town Clerk

The Milton Cemetery Advisory Committee

“It was here that I first saw the light of day; here that I received my bride. Here my dead lie buried, pillowed among the everlasting hills.”

- Calvin Coolidge

Each one of us, whether we are new residents of Milton or whose families have been here for generations, have a real connection with those buried in our cemeteries. For each generation, by their decisions and actions, helped to shape Milton today and beyond.

Peter Staniels, as over-all caretaker of the cemeteries (that are under Town care), is dedicated to our historic cemeteries and is an inspiration for all of us.

The Cemetery Advisory Board is appointed by the Selectboard to oversee the rules and regulations that govern our cemeteries. The members are Jimmy Ballard, Allen Beaupre, John Mayville, Beverly Hayden, and Jay Nadeau.

Milton Town Clerk, Kristin Beers, and staff are responsible for processing paperwork and forms:

- Certificate of Burial Rights work sheet - at time of lot purchase
- Interment Order form – before any interment (burial)
- Work Order Permit - whenever work is to be done in a cemetery
- Vault Storage Form - when the deceased is placed in the vault.

Peter and Kristin are working on a map to better locate plots and sections in the Village Cemetery that has over 2,600 burials. The Friends of Milton Cemeteries (led by Jimmy Ballard) has donated \$640.01 for row markers. The Friends (through the help of Karen Brigham) have started a Go Fund Me campaign for the restoration of the beautiful Miltonboro Cemetery stone fence.

We wish to thank all those who volunteered on July 31st, 2021 which was a cemetery work day. Last fall, students volunteered from Milton High School in memory of 9/11. Robert Lombard retired from the advisory committee and we thank him for his many years of service on the committee. We thank Jen & Bill Kaigle for their donation of cemetery name signs, and Don Turner and the Select board for their strong support.

Cemeteries under Town Care: The Village Cemetery, Miltonboro Cemetery, Old and New West Milton Cemeteries, Crown, Plains, Marris Hollow, the Allen and Austin Cemeteries. St. Ann’s Cemetery is under the care of the Roman Catholic Church.

General Stannard House Committee Report

In 2021, the General Stannard House Committee was pleased to complete work on the Stannard Park at the town's southern gateway, original site of George Stannard's post-Civil War farmhouse. The previous summer and fall, volunteers completed all of the landscaping work and installations from plans designed by Al Russell. Everett Ridley of Ridley Tile and Stonework and Jeff Towne put the icing on the cake with beautiful masonry restoration, finish trim and blue stone caps and benches installed atop the original house foundation walls.

In addition to the two interpretive sign panels installed in 2020, the final feature of the park was developed and installed in 2021 – a state roadside historic marker. In a process we had begun with the Vermont Division for Historic Preservation a few years ago, in April we gained approval for a 2-sided marker highlighting George Stannard's military achievements and local connections on one side, and the history of the site, farm / house and families on the other. Along with Al, Everett and Jeff, thank you to these other volunteers who helped make the park a reality, to create an attractive heritage stop and welcome to Milton: Chris Brosseau, Kate and David Cadreact, Roger Dickinson, Alex Fenton, Charlie Farrell, Bill and Evan Kaigle, Madeline Martin, Peter Pratt, Terry and Janet Richards and others.

October 20, 2020 was George Stannard's 200th birthday. In celebration, we opened the park with a wonderful dedication ceremony that weekend. We returned in October 2021 to dedicate the newly installed state historic marker. Both events were filmed by LCATV and are available for viewing. Many thanks to everyone who attended and delivered remarks: Author & military historian Liam McKone; State Representative Michael Morgan; Vermont Historic Preservation Officer Laura Trieschmann; Milton Town Manager Don Turner Jr.; Civil War author & historian Howard Coffin; State Sons of Union Veterans of the Civil War Commander Mo Cerutti and members of SUVCW Stannard and Ripley Camps; Milton Selectboard members John Palasik, Darren Adams, Brenda Steady and Chris Taylor; town historian Jim Ballard; members of Champlain Valley Historical Reenactors, and others. We encourage you to visit the park and other sites on the Vermont in the Civil War Heritage Trail.

The house components remain in safe storage at the Bombardier barn, and in December 2021, with town approval we placed a "Future Site of the General Stannard House" sign in its adjacent location in downtown Milton. Fundraising remains the largest remaining goal in our quest to bring the restoration project to fruition, and we hope this visual representation will assist in that effort. The committee sent a successful fundraising appeal in May 2021, and we appreciate every single one of our donors who contributed throughout the year. Our account balance is currently \$39,447.49.

In 2022 the Committee plans to engage the help of fundraising consultant Christine Graham, who is well-versed in preservation-based fundraising and capital campaigns, and connects with the Preservation Trust of Vermont. The Vermont Community Foundation offers a capacity-building grant to assist in paying for her services, and we are applying right after the new grant cycle opens up in January. Alongside fundraising, other plans for the coming year include a complete re-vamp of our website with updated information and images, a merchandise page, and other resources. We will also work on site plans for the house restoration, and if appropriate, beginning permitting processes.

George Jerrison Stannard, major general in the Union army, was renowned for helping to blunt Pickett's Charge at the battle of Gettysburg. On July 3, 1863, he ordered a series of pivot maneuvers and provided withering flanking fire to repulse the Confederate assault, a turning point in the battle and the Civil War. The restored General Stannard House will feature exhibits and an educational experience on Stannard and Vermonters in the Civil War, as well as community or town space, inside the Milton farmhouse he owned after the war.

We encourage your thoughts, suggestions and participation in this community project. Regular Committee meetings are held on the 2nd Tuesday monthly at the Milton Historical Museum, and reach out anytime via the contact info below. Very special thanks to our generous supporters for your donations of financial and in-kind service gifts. You all are very much appreciated.

Respectfully submitted January 2022,
Bill Kaigle & Kate Cadreact, Co-Chairs,
General Stannard House Committee

The Milton Historical Society & Museum Report

We are not makers of history. We are made by history. – Martin Luther King, Jr.

Museum

We entered 2021 with much optimism that things might return to some normalcy. But, due to the ongoing pandemic, the museum remained closed through 2021. The Reimagining Committee, directed by Gary Furlong, continued its work of reshaping the interior of the museum. Walls have been painted, LED lighting installed and partitions have been built to separate and enhance future exhibits. Many brainstorming sessions have been held to create informative and interactive exhibits. After surveying students and community members about what topics they'd like to see covered in museum exhibits, the Committee came up with five ideas: 1) Agricultural History of Milton; 2) History of Arrowhead Mountain and Arrowhead Lake; 3) The Flood of 1927; 4) History of Businesses in Milton; and 5) Myths and Mysteries of Milton. These are in development, and we are working hard to reopen the dynamic reimagined museum to visitors, aiming for May 2022.

Historical Programs & Outreach

In March, Milton High School students (and Reimagining Committee members) Mia St. Amand & Sage Maynard created a display at the high school to showcase "Women in Milton History". In July, the Society was delighted to participate in the town's annual Independence Day Parade. Our float honored and recognized First Responders and Essential Workers, pulled by John and Phyllis Mayville. Within the limitations of the pandemic, the Society hosted a few programs - In August, singer & researcher Linda Radtke, accompanied by pianist Cameron Steinmetz, presented "Vermont History through Song"; in September, Christine Hadsel presented "Vermont Historic Theater Curtains"; both were Vermont Humanities Council events. In September, a few Museum Reimagining Committee members took a field trip to the Green Mountain Audubon Center in Huntington to gather information about the Peregrine Falcons. Margaret Fowle greeted the group and gave them some wonderful information that will be useful in our upcoming "Arrowhead Mountain & Lake" exhibit. Also in September, as part of the "National 9/11 Day of Service and Remembrance", a group of MHS sophomores cleaned, moved furniture and learned a little local history at the museum. Many thanks to those that helped and organized this day. We will "Never Forget"!

Sharing Milton's Story

Despite a closed museum, the Society has continued to share Milton's fascinating history on our Facebook page (over 2,100 fans), with our monthly e-news, and with phone and email responses to requests for family and property history. The response to our numerous Facebook posts has been phenomenal, and further reinforces the fact that history must be shared. Interest in Milton's story is not confined to early settlers, past wars or events. There are many photos and topics which lead to related or new topics, and we all benefit from hearing shared experiences. Our 2022 calendar is a first-time collaboration between the Milton Historical Society and the Milton Artists' Guild, titled "MAGnificent Milton: History Meets Art". It presents vignettes of our town's history through a researched narrative, paired with the visual creativity of seven talented MAG member artists. As volunteer-based non-profits, all proceeds from the sale of these calendars will be divided evenly toward the support of both organizations.

Buildings and Grounds

In 2001, the Society moved into its current building, the 1891 former Trinity Episcopal Church. Since then, we have operated under a Town Memorandum put in place by then-Town Manager Ted Nelson. Unfortunately, the memorandum was a non-binding agreement between the Town and Society. In March of 2021, after meetings with Town Manager Don Turner Jr. and Facilities Director John Bartlett, a new binding agreement between the Town and Society was drafted, and on July 19, 2021 the new agreement was unanimously approved by the Select Board. Many thanks to the board, and town staff and crew for their support. We also wish to deeply thank the Society's board members and our loyal volunteers, researchers, visitors, donors, families and guests who make us successful. We hope guests find visiting the museum to be a fun, interactive and educational experience. Please feel welcome to come to any of our programs, support the Society with your membership and volunteer in any capacity. Stay tuned through local media, our Facebook page, or join our mailing list at miltonhistorical@yahoo.com for news and updates. We look forward to seeing you soon, and welcome any questions you may have.

Remembrance

As we end 2021, we remember recently departed Stan Henry and Dustin Keely, who both gave so much to the Society and the community. Stan was a charter member and held many roles in the Society. His contributions to represent the fact that history is the story of change. Stan knew that telling Milton's story is the foundation made of many stories of individuals and organizations. Dustin Keely - longtime Milton firefighter, public works staff and friend to so many - will be missed after his courageous battle with ALS. Dustin had a great sense of humor and never looked for the spotlight. Rest in peace Stan and Dustin, and we thank you for all you did to help us share Milton's story...even more, we thank you for the part YOU played in that story. Godspeed.

Respectfully submitted January 2022,

James Ballard
Town Historian

Rick Stowell
President, Milton Historical Society

The following taxpayers owe more than \$50 delinquent taxes at the end of 2021.
This list does not include those taxpayers who have an agreement with the town.

SCHOOL ARTICLES

ARTICLE I:

Shall the voters of Milton Town School District authorize the Milton Town School District Board of Trustees to expend \$31,764,139 dollars, which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$16,134.04 per equalized pupil. This projected spending per equalized pupil is 0.50% higher than the spending for the current year.

1131 YES
1057 NO

ARTICLE II:

Shall the voters of Milton Town School District authorize the Milton Town School District Board of Trustees to appropriate up to \$1,000,000 of the District's audited fund balance existing on June 30, 2020 to the MTSD Capital Reserve and Maintenance Fund? The audited fund balance as of June 30, 2020 is \$2,720,456. This article does not affect the school tax rate.

1509 YES
660 NO

ARTICLE III:

Shall the voters of Milton Town School District authorize the Milton Town School District Board of Trustees to establish an Education Reserve Fund to be initially funded with up to \$1,720,456 of the District's audited fund balance existing on June 30, 2020? The Education Reserve fund shall be used for future anticipated and unanticipated expenditures related to student needs, such as early literacy, Covid-19 recovery and learning loss, changes related to the State transition to Block Funding for Special Education, or other general budgetary expenditures. The audited fund balance as of June 30, 2020 is \$2,720,456. This article does not affect the school tax rate.

1419 YES
757 NO

The VT Spay Neuter Incentive Program aka "VSNIP", under the oversight of the VT Economic Services Department, is administered by VT Volunteer Services for Animals Humane Society (VWSA). VSNIP helps financially challenged Vermont residents spay/neuter cats and dogs for \$27.00. The balance is paid by fellow Vermonters when dogs are licensed by an added \$4.00 fee, the major funding for this important program. Funds are determined by the number of dogs licensed, which is required by law when a dog is six months of age. A current rabies vaccination is required to register, and a rabies vaccination can be administered after 12 weeks of age for both cats and dogs.

Prostrate and mammary cancer is more likely to occur in unsterilized cats and dogs. It's not pretty and they're likely to die. Animals live longer and happier when they're spayed and neutered, are less likely to fight for territory, and mark what they claim to be "theirs"!

Licensing a dog: 1) helps identify your dog if lost, 2) provides proof your dog is protected from rabies in the event your dog is bitten by a rabid animal, but would still need immediate medical attention, 3) if your dog bites an animal or person – which could result in quarantine or possible euthanasia to test for infection, and 4) helps pay for VSNIP, addressing the population situation in Vermont.

Farms with cats should especially be aware that one rabid cat or dog can affect an entire population of animals on the premise. The answer is neutering through VSNIP which includes a rabies vaccination and the first of the two part distemper series.

Look for Rabies Clinics in March across the state. You can call your veterinarian and ask the cost of a rabies vaccination only, or call your nearest Tractor Supply Store for their Monthly Rabies Clinic schedule. Rabies IS in Vermont and it IS deadly.

To receive a VSNIP Application, send a 9" S.A.S.E to: VSNIP, PO Box 104, Bridgewater, VT 05034. Indicate if it's for a cat, dog or both. For more information, call 802-672-5302.

Please visit our website: www.VWSAHS.org

VWSA will be hosting Rabies Clinics in March. Call for dates and locations.

The animals thank you in advance! *Together We Truly Do Make A Difference!!*

Sue Skaskiw, VWSA Humane Society Executive Director/VSNIP Administrator

MILTON TOWN SCHOOL DISTRICT

*****WARNING*****

ANNUAL MEETING

The legal voters of the Milton Town School District are hereby notified and warned that there will be a Public Hearing at the Town of Milton Offices, Milton, Vermont and via Zoom on January 31, 2022 at 6:00 PM to discuss the following Australian Ballot items pursuant to Section 806 A/B of the Town of Milton Charter; that a Special Meeting of the Milton Town School District will be held on February 28, 2022 at 6:00 PM in the Milton High School library and via Zoom, said voting by Australian Ballot on March 1, 2022 at the Milton Town Municipal Complex, beginning at 7:00 a.m. and to close at 7:00 p.m.

Jan 31, 2022 Zoom Information

<https://us02web.zoom.us/j/82921526179?pwd=UnRCM3VjUEtieHcza2d6SXliUWICQT09>

Meeting ID: 829 2152 6179

Passcode: 770030

February 28, 2022 Zoom Information

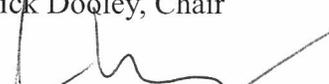

<https://us02web.zoom.us/j/83144109300?pwd=REYrbXFWM2loRktSR25kWGpCMkl3UT09>

Meeting ID: 831 4410 9300

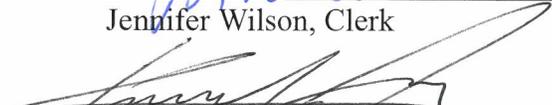

Passcode: 875802

Article 1: Shall the voters of Milton Town School District authorize the Milton Town School District Board of Trustees to expend thirty-two million, nine hundred twenty-seven thousand, one hundred ninety-six dollars (\$32,927,196), which is the amount the school board has determined to be necessary for the ensuing fiscal year? It is estimated that this proposed budget, if approved, will result in education spending of \$17,460.37 per equalized pupil. This projected spending per equalized pupil is 8.22% higher than the spending for the current year.

Rick Dooley, Chair

Jeremy Metcalf, Vice Chair

Jennifer Wilson, Clerk

Kumulia Long, Trustee

Michael Joseph, Trustee

Dated: January 20, 2022

My Fellow Milton Citizens: The Milton Town School District Board of Trustees and Leadership Team would like to thank you for your continued support. We have transitioned back to full-time in-person learning for the most part this year, but our school district faces new challenges as we are buffeted by the winds of the pandemic around us. Our dedicated leadership team, educators and support staff have continued to adapt their strategies to meet these new challenges. We have also begun implementation of our Lifting Student Learning plan to address the effects of the pandemic on student learning, engagement and social emotional health and wellbeing.

Health of the Facilities: With the return to in-person learning, the initial focus of facilities was to ensure that all required Covid-19 safe and healthy mitigation measures were in place. Upon receipt of a Corona Relief Fund grant through Efficiency VT, we were able to complete many indoor air quality improvements, including air conditioning for classrooms, mechanical ventilation controls, and rooftop air handling units all at Herrick Avenue along with new exhaust fans at the high school. Several safety related projects including the installation of new fire panels were also completed. With many normal school activities unable to take place, we had the opportunity to replace an assortment of outdated equipment including a Zero Turn Mower and Dump Truck. We were also able to purchase a Handicap Accessible Van using the General Fund instead of the Capital Reserve fund. In total, we expended approximately \$900,000: \$463,000 from the General Fund; \$410,000 in Corona Relief Grants; and only \$28,000 from the Capital Reserve Fund. Looking forward, the district has contracted with TruexCullins, to develop a 5 to 10 year facilities plan, which will ensure that future building renovation projects will continue to support the educational needs and goals of the district.

Health of our Fiscal Year 2022 Budget: As of June 30, 2021, the General Fund's total fund balance of \$4,519,827.00 consists of a nonspendable fund balance of \$33,238.00, a committed fund balance of \$912,937 (Capital Reserve), and an unassigned fund balance of \$3,573,652.00.

With the approval of the voters in 2021, we established an Education Reserve Fund, which as of July 1, 2021 is \$1,720,456.00. It allows us some flexibility to further address the impact of Covid-19 on learning and any legislative changes for funding special education. It may also be used to support new initiatives like the Milton Innovation Center. Also with the approval of voters in 2021, we were able to expand our Capital Reserve by \$1,000,000.00. As of January 2022, the Capital Reserve is \$1,461,933.88.

Fiscal Year 2023 Budget Details: The budget process this year was complicated by a 10% increase in our State-mandated health insurance premiums, the reduction in Milton's Common Level of Appraisal (CLA) to 86.96%, and the change in Special Education funding from a reimbursement model to a Census Block grant resulting in a revenue decrease of \$850,000. Despite these challenges, the MTSD has done its due diligence in controlling education costs. For FY 2023, despite reducing our non-payroll expenses by \$140,000, our total expenditures are predicted to increase by 3.66% or \$1,163,055.00 dollars over FY22, resulting in an increase in our Education Spending per Equalized Pupil of 8.22%. Despite this increase per equalized pupil, the anticipated education property tax rate increase is ZERO. There is no expected increase in the tax rate.

Looking Forward: Despite our challenges, MTSD has continued to work toward the goals of our Continuous Improvement Plan through our Whole Child Framework, including maximizing student achievement, effectively meeting the social-emotional health of students and improving school culture and climate. Through strong District coordination, each school is advancing the MTSD Vision of Learning. This includes strengthening inclusivity in the curriculum and through culturally and linguistically responsive instructional practices, increasing student voice and engagement initiatives, and providing more opportunities for personalized learning.

The challenges facing our school district are significant, but they are not insurmountable. Our learning community is vibrant, resilient, and hopeful, but it needs your continued support. Children and youth are the heart and the future of any community. We feel strongly that the work we are doing today, with your support, will result in a bright future for our town. As always, if you have any questions, please feel free to reach out to any MTSD Board Member.

Respectfully, Rick Dooley, Chair, MTSD Board of Trustees

Milton Town School District: 2020-2021 School Year: Hybrid Education in the Time of Covid-19

Programming

In the Fall of 2020, the MTSD reopened its doors to in person learning. With an abundance of Covid-19 health and safety practices in place and options for hybrid or virtual learning, staff and students returned to a new world of school. Everyone settled into new routines and quickly turned their focus to teaching and learning. Given the circumstances, we did our best to implement the MTSD curriculum, administer local and state required assessments, provide students access to our educational support system, and maintain a focus on the social, emotional and physical well-being of students and their families.

As we turned the corner into the winter of 2021, teachers and support staff kept their focus on students and teaching and learning, while district leadership began to prepare for 'Phase III'. With the support of expert teams and input from staff, students and families, we began the process of assessing the needs of students and drafting a multi-year plan to mitigate the impact of Covid-19 on student learning and social emotional health and well-being. This would include leveraging the Elementary and Secondary School Education Relief funds that would be awarded to districts.

Our Lifting and Leveraging Student Learning plan aligns with the MTSD Vision of Learning and our commitment to a whole child approach to education. Our mission to empower all students through equitable access and opportunity, to be resilient and passionate learners who are engaged locally and globally remains our focus as we continue to navigate the challenges of Covid-19. It was approved by the VT Agency of Education in May of 2021 and can be reviewed by going to our website (<https://www.mtsd-vt.org/>)

District Operations

In 2018, the General Assembly passed legislation requiring all school districts to use the same school financial management system selected by the state. As a result, the MTSD successfully transitioned the accounts payable and payroll operations from the Town of Milton to the MTSD in July of 2020. Throughout the 2020-2021 school year, the new business office not only converted to the State required uniform chart of accounts, it also identified and corrected accounting inefficiencies. This included the coding of positions, the monitoring of benefit deductions, and tightening procedures for both stipend disbursement and employee reimbursements. It also included cross training staff to carry out multiple roles.

In the Spring of 2021, the MTSD Board of Trustees added two new positions to district operations. A grants manager was added to not only maximize the use of ESSER and other grant funding opportunities, but to ensure that all grant requirements are met and all legal procedures followed. This position is funded through the indirect cost rates of our grants and not the general fund. The Director of Operations was added as a result of a Board Committee that reviewed the existing organizational structure of the MTSD District Office in relation to the scope of required roles and responsibilities. After reviewing existing structures, job descriptions, and discussing current challenges, the committee determined that the MTSD District Office is neither proportionately structured to meet the changing needs of public education nor is it equipped with the expert capacity to successfully fulfill the MTSD Vision of Learning while adequately maintaining all legal and fiduciary requirements. The committee's purpose statement and the new job description can be viewed in the May 13, 2021 MTSD School Board Packet located on the MTSD Website under School Board Agenda, Minutes and Packets. This position is cost neutral as it absorbed year over year unexpended dollars in facilities maintenance.

MTSD School Highlights of 2020-21

Milton Elementary School

- MES created and implemented an in-house Virtual Program for our families for the 20-21 school year. At its peak, 4 teachers served around 50 students in grades 1-4.
- Knowing how important community events are to our students and families, MES developed a Virtual Open House to allow all students and their families access to their child's classroom and information about the adults working in our building.
- By the end of November, in-person instruction was increased to 4 days a week for all students in grades PreK-4. (For the last 3 weeks of the school year, all elementary students were attending in-person 5 days a week.)
- On January 20th all staff attended a training hosted by Beyond Diversity. By doing so, MES was able to support our entire staff (and students of course) in continuing their growth and development in the areas of equity and anti-racism.
- Starting in March MES began administering the DESSA Screener (social/emotional learning and development). In addition to this, we began our journey with the SEE Curriculum in April. By starting our professional development and piloting lessons at the end of the 20-21 school year, our teachers will be better prepared to fully implement this assessment and curriculum next year to best meet the SEL needs of all students at MES.

Milton Middle School

- MMS, like all schools, adapted and adjusted throughout last year. We created and implemented an in-house Virtual Program, while also slowly increasing in-person learning for our 5-8 graders.
- On January 20th all staff attended a training hosted by Beyond Diversity. Training options were differentiated so that all staff engaged in a session that continued their growth and development in the areas of equity and anti-racism.
- MMS continued to develop and expand personalization experiences for our students. We implemented a student-led, school-wide DIY (Do It Yourself) personalized learning project and continued building our Flexible Learning Opportunities.
- MMS finalized the work as a design team in forming new team structures to embrace our new 5-8 middle school.
- MMS was able to maintain many traditions and activities with COVID modifications, including most athletics programs running and hosting an outdoor 8th-grade celebration.

Milton High School

- Work-based learning Coordinator, Christina Reider, began working with *Up for Learning* to expand our work-based learning program to include more opportunities for internships, classes offered here at MHS. An outcome for this work is to create an Innovation Center at Milton High School.
- All sports (except wrestling and indoor track), co-curricular activities, including the fall and spring drama productions (*Cabaret & The Great Gatsby*) were able to run with Covid modifications.
- Rowland fellows, Allie Vega and Maryann Carlson, led our work at MHS and helped us focus on anti-racism in the classroom while MTSD administrators and other State leaders participated in *LEADS - Leadership for Racial Equity*.
- Teacher Pete Wyndorf was awarded the first annual Innovative Leadership Award in honor of Ned Kirsch.
- Restorative Practices - Behavior Interventionist, Carol Cushing, and HHB Coordinator/ Restorative Practices Coordinator, Angela King, co-taught a graduate college course to 17 MTSD educators K-12.

29.	District spending adjustment (minimum of 100%)	140.197% based on yield \$10,648	145.971% based on yield \$10,883	142.116% based on \$10,763	134.965% based on yield \$10,763	29.
Prorating the local tax rate						
30.	Anticipated district equalized homestead tax rate (to be prorated by line 30) [(\$17,460.37 ÷ (\$12,937 / \$1.00))]	\$1.4020 based on \$1.00	\$1.4597 based on \$1.00	\$1.4212 based on \$1.00	\$1.3496 based on \$1.00	30.
31.	Percent of Milton equalized pupils not in a union school district	100.00%	100.00%	100.00%	100.00%	31.
32.	Portion of district eq homestead rate to be assessed by town (100.00% x \$1.35)	\$1.4020	\$1.4597	\$1.4212	\$1.3496	32.
33.	Common Level of Appraisal (CLA)	95.88%	95.22%	91.57%	86.96%	33.
34.	Portion of actual district homestead rate to be assessed by town (\$1.3496 / 86.96%)	\$1.4622 based on \$1.00	\$1.5330 based on \$1.00	\$1.5520 based on \$1.00	\$1.5520 based on \$1.00	34.
<p>If the district belongs to a union school district, this is only a PARTIAL homestead tax rate. The tax rate shown represents the estimated portion of the final homestead tax rate due to spending for students who do not belong to a union school district. The same holds true for the income cap percentage.</p>						
35.	Anticipated income cap percent (to be prorated by line 30) [(\$17,460.37 ÷ \$15,484) x 2.00%]	2.28% based on 2.00%	2.37% based on 2.00%	2.34% based on 2.00%	2.26% based on 2.00%	35.
36.	Portion of district income cap percent applied by State (100.00% x 2.26%)	2.28% based on 2.00%	2.37% based on 2.00%	2.34% based on 2.00%	2.26% based on 2.00%	36.
37.	#N/A	-	-	-	-	37.
38.	#N/A	-	-	-	-	38.

- Following current statute, the Tax Commissioner recommended a property yield of \$13,846 for every \$1.00 of equalized homestead tax per \$100 of equalized property value, an income yield of \$16,705 for a base income percent of 2.0%, and a non-residential tax rate of \$1.385. **THESE FIGURES USE THE ESTIMATED \$90,000,000 SURPLUS FROM THE EDUCATION FUND. I DO NOT EXPECT THAT SURPLUS WILL BE USED TO INCREASE THE YIELDS.** I would suggest using the figures provided without the surplus: \$12,937 for the property yield, \$15,484 for the income yield, and \$1,482 for the non-homestead tax rate.
 - Final figures will be set by the Legislature during the legislative session and approved by the Governor.
