Dear Mollie:

The Senate Committee on Committees is pleased to appoint you to the Tobacco Evaluation and Review Board, pursuant to 18 VSA 9504, as a representative of Vermonters under age 30.

As you know, the Board was established to work with the Agency of Human Services and the Department of Health in establishing the annual budget, program criteria and policies of Vermont's tobacco prevention and treatment programs. We are confident that you will make a significant contribution to this important work, and we appreciate your willingness to serve.

Stephen Morabito, Administrator of the TERB, will follow up with you with details about meeting dates and times.

Please do not hesitate to contact us if we can be of any help. The best way to reach us is through the Senate Office at 802-828-3806, or the Lt. Governor's office at 802-828-2226.

Sincerely,
