Hi Sarah,

As discussed the other day, we would like to request one more search related to this request. We would like to obtain all email correspondence between the office of Governor Peter Shumlin and Carlos Fuentes (a legislative aide of Sen. Sanders) related to the VA or veterans between November 20, 2013 and August 30, 2014. Let me know if we should submit another Public Records request for this. Thanks again for your help. Best,
