Hello,

Attached is Katie McLinn's draft and cleanup of the language Karen sent Friday afternoon. I'll forward the separate section regarding the Green Mountain Care Board when I get it (among the division of duties, Jen is doing that piece separately), but I think that's pretty straightforward.

Karen -- I did take out the contracted "hours" terminology, but had the direct statutory cite put in instead -- that's the 1 FTE statewide. (It just sounded odd to say "hours.")

If folks could touch base Tuesday by 11 to say whether this matches their understanding, that would be helpful, as that is when we have it on the agenda again.

Thanks,

Anne
