TOWN OF LANDGROVE - 2017

Minutes of Town Meeting 2017

Call to order at 6:08 pm

Lynn Eckhardt led the town in the pledge of allegiance to open Town Meeting, and all were welcomed by Selectboard Chair John Ogden who read the first article.

ARTICLE 1: To elect a Moderator for the ensuing year. Claudia Harris was nominated by Bobby Waite, seconded by Jon Bigelow and approved by the voters. Claudia went over rules, and asked non-voters to introduce themselves. Kim Eckhardt from the Collaborative spoke about their work preventing substance abuse in our teenagers and distributed their annual survey. Representative Linda Sullivan spoke about her work in Montpelier and encourages us all to contact her, attend her community meetings at Hapgood Store the first Sunday of each month 10:30 - 11:30am.

ARTICLE 2: Lynn moved the article, Bobby Waite 2nd To elect the following officers as required by law:

officer	term	candidate	move	second
Town Clerk	1 year	Chrystal Cleary	May Bigelow	Virginia LaPrade
Town Treasurer	1 year	Andrea Ogden	Sally Waite	Victoria Duffy
Selectboard Member	3 years	Tom Dibble	Sally Waite	Kim Eckhardt
Auditor	3 years	Mary English	Andrea Ogden	Sally Waite
Lister	3 years	Kim Eckhardt	Chuck Sweetman	Harry Lux
Cemetery Commissioner	5 years	May Bigelow	Clarence Nichols	Lynn Eckhardt
Cemetery Commissioner	1 year	Jay Snyder	Lynn Eckhardt	Clarence Nichols
Collector of Delinquent Taxes	1 year	Andrea Ogden	Anne McClaran	Bobby Waite
Grand Juror	1 year	Claudia Harris	Sally Waite	Harry Lux
Town Agent	1 year	John Hadden	Virginia LaPrade	Victoria Duffy

ARTICLE 3: To hear the reports of Town Officers and take proper action on the Auditors' report. Moved by Bobby Waite, Seconded by Michael Mole.

John Ogden spoke about the Selectboard report, thanked Treasurer Andrea Ogden and Town Clerk Chrystal Cleary for their hard work and answered some questions about the roads and repair grants. Greg praised Road Commissioner Steve Hall for cracking down on trucks driving on the roads when soft by post-

TOWN OF LANDGROVE - 2017

ing limits and granting permission for passage of heavy vehicles when frozen or dry. Mr. Ogden asks all residents to make sure your fuel is topped off before thaw makes the roads too soft. Andrea Ogden reminds residents about tax filing and homestead filings, and that homestead filings are often missed when taxpayers file for an extension. School Director Jeff Cleary spoke about the Act 46 School Merger vote tomorrow. Motion to pass was made by Kim Eckhardt, 2nd by Jon Bigelow. Article 3 passes.

ARTICLE 4: To see whether the Town will appropriate \$15,000 to the Landgrove New Cemetery Stonewall Project. Moved: Victoria Duffy, Seconded: Anne McClaran. Clarence Nichols thanked all for donations that allowed the wall to be completed thus far and said that this final amount was the last bit to complete the wall. Harry Lux notes that last year's request was supposed to complete the wall and wonders why it didn't actually complete the wall. Clarence said the estimate was inconsistent (quoted in feet vs paid in hours) and there was additional tree work done and stump extraction. It is the Cemetery Commission's belief that this is indeed the final-FINAL request for town funds for the wall. Motion to approve: Sally Waite, 2nd by Harry Lux. Article 4 passes.

Dr. Roger Fox and Elsie Smith are allowed to speak. Mountain Valley Medical Clinic board believes it is not necessary to ask for funding from the towns this year as it usually does to offset the burden of uncompensated care- for Landgrove this is \$3000. Due to the new partnership as part of Springfield Hospital MVMC receives Federal Funds to fund the clinic for uncompensated care. The funds may be still be given and donated to the equipment wish list.

ARTICLE 5: To see if the Town will authorize its Selectboard to apply any surplus or unanticipated funds toward the proposed budget. Moved: Harry Lux Seconded: Kim Eckhardt. No discussion. Motion to Approve: Victoria Duffy, 2nd Kim Eckhardt. Article 5 passes.

ARTICLE 6: To see if the Town will vote to pay its taxes on real and personal property on or before October 1, 2017. Moved: Sally Waite, Harry Lux, no discussion. Motion to Approve: May Bigelow, 2nd Michael Morfit. Article 6 Passes.

ARTICLE 7: To see if the Town will vote to raise the budgeted monies necessary to pay Town expenses and obligations for the 2017 year. Moved: Kim Eckhardt, 2nd Anne McClaran. Andrea Ogden noted that West River Sports has requested no money this year, since middle school soccer has gone back into the School budget at Flood Brook School. May Bigelow asks if we might give more to Mental Health and Visiting Nurses- Andrea answers that those amounts are the specific requests made by those entities. The \$3000 item allocated for MVMC was discussed as a possible donation to the clinic wish list, a motion is

TOWN OF LANDGROVE - 2017

not needed to send this community appropriation, to remove the \$3000 would require an amendment to the budget.

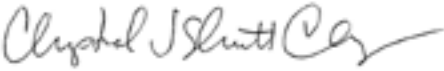

Motion to Approve: Bobby Waite, Chuck Sweetman. Article 7 passes.

ARTICLE 8: To transact any other non-binding business proper to come before said meeting, not acted upon in the preceding articles. Virginia LaPrade asked if there has any progress on Town Garage. John and Greg described the parcels looked at and their various inadequacies. Suggestions are welcome. Moved: Jon Bigelow, Kim Eckhardt. There is no discussion. Motion to Approve: Chuck Sweetman, 2nd Michael Morfit. Article 8 passes.

ARTICLE 9: To see if the Town will agree to meet in 2018 on the first Monday before the first Tuesday in March (March 5th) at 6pm for the annual Town Meeting. Moved: Michael Mole, Michael Morfit. No discussion. Motion to Approve: Chuck Sweetman, 2nd by Kim Eckhardt. Article 9 Passes. Sally Waite dislikes the evening Town Meeting but is outvoted.

Motion to Adjourn- Bobby Waite, 2nd Lynn Eckhardt. The 2017 Landgrove Town Meeting Adjourned at 7:44 pm

Respectfully Submitted by

Chrystal Cleary, Town Clerk

Moderator Claudia Harris

As of 12/31/2017, there are four properties with unpaid taxes from 2015, 2016 and/or 2017. During 2017, one property was sold at tax sale. One property owner sought tax abatement through the Board of Tax Abatement. The Board did not grant relief from taxes owed, but did feel, given the information presented, a reduction in the amount of penalty and interest owed was reasonable.

Information about which properties are delinquent is public information and is available at the town hall upon request.

Respectfully submitted,

Andrea Ogden
Collector of Delinquent Taxes

Please note that taxes are due on or before October 1. Payments received or post-marked after that date are considered delinquent and are subject to a penalty fee of 8% and additional interest of 1% for the first three months or part thereof, and 1 ½% per month or part thereafter, as allowed under the laws of the State of Vermont.

TOWN OF LANDGROVE - 2017

Reserve Funds

The following funds are all held within the Town's Stifel-Nicolaus cash account. A summary of these funds can be found on the Town Balance Sheet on page 14.

Cemetery Wall Fund			
	Income	Expense	Balance
Balance 1/1/17			(6,912.27)
Donations - 18 donations	2,061.08		
Town Appropriation	15,000.00		
Ogden & Chalmers, LLC		24,987.22	
Balance 12/31/17			(14,838.41)

The negative balance of this fund indicates that the cemetery commission has borrowed money from the town's unallocated reserve fund. All the bills associated with the wall have been paid. The cemetery commissioners have indicated that there are transfers and pledges in process that will bring the fund down to zero by the end of 2018.

Dog License Account			
	Income	Expense	Balance
Balance 1/1/17			3,100.57
Licenses Issued	230.00		
Cost of Tags		80.49	
State of VT		225.00	
Balance 12/31/17			3,025.08

Landgrove does not have an Animal Control officer and therefore, should the situation arise that we need to implement an animal control program, we would have to hire an outside service. The money in this account is held in reserve to cover costs should the need become real.

Dog licenses are available at the Town Clerk's office any time after January 1st each year. For a spayed or neutered dog, the charge is \$9 and for an unaltered dog, the charge is \$13. After April 1st, a late charge of \$2 and \$4 will apply for altered and unaltered dogs, respectively. New puppies or dogs acquired after April 1 will be charged half of the regular fee.

Please note that rabies inoculations must be current before a license can be issued.

TOWN OF LANDGROVE - 2017

Equipment Fund			
	Income	Expense	Balance
Balance 1/1/17			80,000.00
Taxes raised (as voted)	25,000.00		
Balance 12/31/17			105,000.00

This fund is used to minimize the impact to taxpayers of large equipment purchases used to maintain our roads. Taxpayers allocate money to the fund each year and the fund accumulates until it is necessary to draw funds down for a large purchase. The town truck was purchased in 2010 and is starting to show signs of wear. The grader was purchased in 2012.

Reappraisal Fund			
	Income	Expense	Balance
Balance 1/1/17			10,008.08
State of VT - per parcel	2,157.00		
Lister Ed Fund - closing and transfer	1,281.11		
Balance 12/31/17			13,446.19

The Reappraisal Fund is held in reserve to cover costs associated with a town-wide reappraisal, which last occurred in 2014.

Lister Education			
	Income	Expense	Balance
Balance 1/1/17			1,281.11

Records Restoration Fund			
	Income	Expense	Balance
Balance 1/1/17			7,176.98
Taxes raised (as voted)	1,000.00		
Recording Fees	299.00		
Grand List Binding		7,048.00	
Balance 12/31/17			1,427.98

The Records Restoration fund is money held in reserve for preserving the town's historical records, primarily our grand lists. Income sources are the town appropriation and the state-mandated \$1 per page recorded by the Town Clerk.

Town Hall Maintenance Fund			
	Income	Expense	Balance
Balance 1/1/17			12,176.57
Taxes raised (as voted)	2,500.00		
Balance 12/31/17			14,676.57

This fund is intended to grow gradually to help mitigate the costs of large projects associated with proper care of our town hall building. In 2017, care and painting of the cupola were determined to be a priority. That project is half finished and is estimated to be \$4,600.

TOWN OF LANDGROVE - 2017

Select Board/Road Commissioner Report

As usual, the primary focus of the Landgrove Select Board in 2017 was the continued improvement of the overall quality of the town roads. Like last year, we are continuing to be proactive with ditching, resurfacing, and culvert replacement in the hopes that the more extreme weather that seems to have become the norm, and the ever-increasing traffic (particularly truck traffic) that has also become the norm will inflict less damage on our roads. We have completed the grant funded project of repaving the two paved bridge surfaces in town, and the other grant funded project of resurfacing some of the more high use areas of our dirt roads is continuing. We will continue to be applying for grants to help offset the costs of maintaining our roads, particularly as we will be dealing with more state mandated maintenance in the coming years. We also have been involved in an ongoing effort to work with Jay Merrill and Merrill's Excavating to make sure that the contracts that we have with them to perform the road work for us are current and up to date. The select board would like to thank Jay and Merrill's Excavating for all they do to maintain our roads.

There was one tax sale of property in Landgrove in 2017. We were able to sell the property and recoup all of the back taxes that were owed.

We have contracted to have Leurich Field mowed on a regular schedule over the summer. It is our hope that everyone – residents and non-residents alike – will start to use this piece of town land more. Any suggestions for further improvements to the land should be brought to the select board.

Hal Wilkins (Planning Commissioner) has completed a road sign inventory for us so that in the future it will be easier to keep on top of the task of recognizing when road signs are missing and getting them replaced in a timely fashion.

The discussions about finding a more suitable home for our town road equipment and winter sand pile continue, but without much headway. As always we would very much appreciate any help with this project that anyone has to offer.

The stonewall around the "New" Cemetery has been completed, and it looks beautiful. The Cemetery Commission is still trying to raise the last of the money to pay for the wall and donations would be greatly appreciated. It is a project that all of our residents can be quite proud of.

This year at Town Meeting we are asking the voters to consider whether we should replace the large, old windows in the old part of the town hall. The storm windows that we have been using are too large to function properly and they are starting to cause some moisture problems around the windows. New insulated glass windows, properly installed, should solve the moisture problems and help to make the main room of the schoolhouse more

TOWN OF LANDGROVE - 2017

comfortable, as well as be much more functional. The Landgrove Historical Society has very generously offered \$1000 toward the cost of this project. This is part of an ongoing effort to keep up on the maintenance of the town hall building.

The Select Board meets twice a month and the general public is always welcome. Please come to these meetings with any and all ideas, criticisms, compliments, or constructive advice.

Respectfully submitted,

John Ogden
Select Board Chair

FYI

Select Board meetings are held on the 2nd and the 4th Thursdays of each month at 6pm at the Town Hall. Members of the public are always welcome to observe the meeting. Please contact the clerk a week in advance of the meeting to get on the agenda. Also, please note that the minutes of the meeting are public record and are available at the Town Hall and on our website at landgrove.vermont.gov.

Cemetery Commission

We begin this report by saying thank you to everyone that helped us complete the stone wall project. We had enough stones to extend the wall several feet beyond the original plan. The work area was cleared of debris and reseeded with grass. At this time, the funds received have not covered the expenses and we have a plan in place for closing the gap.

We thank Lynn Eckhardt for helping with the placement of flags for the veterans at the cemeteries and we thank Marc Waldo for keeping them mowed. The Landgrove Historical Society and the cemetery commission met to clean some of the markers in the south cemetery. Two fallen trees were removed and a small stone wall repair was made at the Martin cemetery. This remote cemetery has been well maintained by volunteers for many years.

Listing of the two main cemeteries can be found online at the Cemeteries of Vermont - Bennington County website (<https://vermonthistory.org/documents/digital/CemeteryIndex5.pdf>).

Two lots were sold in the south cemetery.

There were three interments: James Mills, Warren Fuller, and Byrd LaPrade.

Cemetery Commissioners:

May Bigelow, Lynn Eckhardt, John English, Clarence Nichols, Jay Snyder, and honorary commissioner, Duncan Ogden.

Clerk's Report

With no elections this year, your Clerk focused on continuing preservation of our historic grand lists, attending trainings, clerking for Landgrove at School District meetings and working with the Board of Civil Authority to hear assessment grievances and -as always- processing dog licenses.

This year we completed the preservation and binding of the old handwritten marbled paper grand list books from 1926 up to 1949 in beautiful durable clear sheets with strong bindings.

In November I attended a training on preparation for the upcoming Census (2020). Before the actual Census, Towns are asked to cross-reference the 911 addresses and 'housing units' for each town with the data the Census has. Landgrove will participate in the data comparison to make sure everything is accurate and runs smoothly when the Census occurs.

As the school districts merged again to form the Taconic and Green District, all town clerks in the district gathered in a couple of meetings to establish procedures for that election and the meeting that followed to ring in the new District.

Most of the drama this year has been around dog licensing. After theft of cash from the town hall office, increased security of the dog license cash under lock and key has been enacted, and we are looking more closely at our procedures for banking cash in a routine weekly fashion with a more convenient bank account.

In accordance with state law, I received a hospital report of a dog bite in Landgrove over the summer, only to discover that the resident dog in question was not licensed with the Town nor compliant with state rabies vaccination laws, and the Selectmen and Constable were called to action to follow up with the owner. This family has since moved to another town, but I would like to remind everyone that dog licensing is the primary vehicle the State has to ensure that dog owners comply with our rabies laws as a matter of public health and safety. Rabies was confirmed in raccoons and a fox in surrounding towns last year, so it is important to protect our animals and by extension, our friends and neighbors.

Lastly, this summer I received an increased number of calls of roaming dogs with no identification, believed to be the dogs of summer renters as they were not on my list of licensed resident town dogs. Please help summer guests and renters using your property remember to put identification on their dogs so they can be reunited quickly.

Respectfully submitted,
Chrystal Cleary

VACCINATE TO ELIMINATE RABIES

WHAT IS RABIES?

Rabies is a viral infection passed from animals to other animals or humans, usually through a bite. The virus affects the brain, and is nearly always fatal (causes death). Here's how we control rabies in animals and reduce transmission to people.

1. VACCINATE DOGS

Rabies shots protect dogs and people. Because dog vaccination is common in the United States, people don't get rabies from dogs like they do in countries where dogs are not vaccinated.

2. VACCINATE CATS

In the last 25 years, most of the rabid domestic animals in the US have been cats. Cats are almost 5 times as likely as dogs to get rabies - but you can prevent this by vaccinating them.

3. VACCINATE WILDLIFE

Many Vermont wildlife are vaccinated with an edible vaccine through a bait drop. Do not touch or feed wildlife.

4. PREVENTION IN PEOPLE

If you are bitten or scratched by an animal or find a bat in a room where you were sleeping, wash any wound thoroughly. Call your doctor and the health department. 1-800-4-RABIES. You may need to get post-exposure prophylaxis (PEP), a series of shots that keep the virus from making people sick.

Landgrove Community Club

The Landgrove 4th of July event was again a beautiful evening, enjoyed by all. The definition of community is easy to see that night, but it really played out the following morning. At 9am sharp, several people including a centenarian! Many hands make light work and a grateful community club! The same was true for the Halloween party - special thanks to Ann Hausslein for taking the lead on the party and to the town hall regulars who pitched right in to make the clean up swift and efficient!

Many thanks to Charlotte and Katharine Ogden for jumping in to coordinate Green Up Day and bringing homemade donuts!

Conservation Commission

The conservation commission was dormant in 2017. Attrition of members has made it difficult to keep the momentum of prior years. If you are interested in joining the conservation commission or would like more information please contact Priscilla Grayson at priscillagrayson@earthlink.net.

Following is an excerpt from the Association of Vermont Conservation Commissions website (vtconservation.com):

What Are Conservation Commissions?

In Vermont, conservation commissions are advisory bodies that exist in many towns across the state. Broadly, they are established to help communities protect and enhance their natural resources. In 1977, Vermont passed the enabling legislation (24 V.S.A. 4501) to establish municipal conservation commissions. By 1996, 96 Vermont towns had conservation commissions or similar committees. Today there are just over 100 conservation commissions in Vermont.

This website has a lot of good information if you are considering reinvigorating this commission.

TOWN OF LANDGROVE - 2017

Landgrove Historical Society

Our continuing goal is to gather documents, photos and artifacts of historical significance to our town, and to make our collections accessible to the public.

Kerry Howard has recreated our exhibits from 2003 to 2008 and placed them in a large binder in the Town Hall, accessible whenever the hall is open. She is working on exhibits from more recent years.

This year we responded to five requests for genealogical information about Landgrovians from the 1800's. We fielded a request from a person researching grange halls. While our present town hall was once the Farmers and Mechanics Hall, the West Branch Grange once held their meetings here. And we provided photos to someone from VTrans doing research on early road maintenance. The photos we sent were of the horse-drawn snow roller, taken in about 1910, part of the Landgrove Old Photo Collection; the first snowplow, taken on March 12, 1931, and provided by Monk Ogden; a horse drawn road grader, taken on Ridge Rd. in 1930 by Bill Badger, Sr.

We have 70 members.

Our office in the town hall is open on Thursday mornings, 9-noon.

Events during 2017

- April 9** Pancake breakfast with Ann Hausslein's pancakes and syrup from Rob Hausslein's Sugar Bob's Finest Kind and Jerry Evarts' and Jonathan Bigelow's Landgrove Sugarworks. This event, in its 11th year, attracted a lot of folks..
- July 1** The sixth annual potluck and square dance at the Town Hall. The band was the Turkey Mountain Window Smashers with caller Andy Toepfer,
- July 4** For the third year, and in partnership with the LMH and the Vermont Humanities Council, David Eckhardt led a participating audience in readings and discussion of abolitionist and former slave Frederick Douglas' 1852 address commemorating the signing of the Declaration of Independence.
- July 9** Late Landgrove Artists and their Depiction of our Town. Artists whose work was displayed were Bobby Comfort, Daisy Pitcher, Lynn Pitcher, Tom Dibble, Jim Mills, Mouse Thatcher, Elaine Raphael, Peg Pfister, Bill Gwinn, Max Simpson, Wendy Evarts, Bernadine Custer Sharp, Barney Lintott, Burnham Hoyt, and Dorothy Phillips. The show ran through the month of July.
- August** Photos of the Landgrove 4th of July by Rob Aft taken over the past

Listers' Report

Once again, this was another busy, unique and challenging year for the listers. First of all, early in the year, we were notified that by the state that we were one of three towns "selected" for an audit of Current Use parcels by the Director of Property Valuation and Review (The Department of Taxes). Specifically we think this is done to ensure we are not doing some "special" adjustment to assessments for current use properties in comparison to noncurrent use parcels. By statute, this selection of three towns annually for auditing is to be sure that use value assessments are consistent with assessments for non-enrolled parcels. We think this is done to be certain the state is not reimbursing the towns more of current use assessments than appropriate. Also we believe we were selected for audit because our land values are substantially higher than the state average. The good news is that after reviewing and comparing data of over 32 properties, we were given a "clean bill of health " as all was done well and appropriately.

Next, we had to deal with a Vermont State Law dealing with current use valuation that was changed in June of 2015; that change was supposed to be effective with the 2016 tax year. We did not make those changes until this year. There were 14 current use properties whose assessments changed and where by the property owners collectively saw their tax bill go up approximately \$12,000 and the state's reimbursement to the town goes down that same amount. Without going into all the finer points of the change, the key concept is that "if the land

TOWN OF LANDGROVE - 2017

to be appraised is a portion of a parcel, any portion not receiving a use value appraisal shall be valued at its fair market value as a stand alone parcel...". Happily the state did not ask for any 2016 year reimbursement from the town or the property owners. We were not alone in this oversight as there were a number of towns that also missed that law change for 2016.

The listers visited eight construction projects this past year and provided revised appraisals for them; there were no grievance appeals on those projects. We reviewed, as we do annually, all current use filings as reported by the state. In addition, we reviewed and recorded in our files and on our software programs all property transfers from data provided the state.

Overall this year there were four grievance hearings held at the lister level; one of those went to the BCA for a hearing, The decision of the BCA was not accepted by the heirs of the property in question and is being sent to the courts or state appraisers. Decision expected in 2018.

The computer system, various state software programs, as well as the

NEMRC system seem to always be changing or adding new level of sophistication. This seems to add to even more work or certainly more training to our positions. Thanks to Kim Eckhardt for handling most of our technology reporting; and especially great thanks to our Vermont state district advisor, Cy Bailey, who has been a wonderful hands on, available resource to us. As an aside, it does seem the work of the listers is becoming more complicated and more demanding.

Cy Bailey with Listers, Chuck Sweetman and Jerry Hassett

All the various state forms and reports were filed on time and were accepted. We should note that Equalized Education Grand List for Landgrove for 2017 is \$105,196,621. Our CLA (common level of appraisal) for the year is an excellent 99.34%. A number below 100% means property is generally listed at less than fair market value but with 99.34%, we feel right on the mark. We are also happy to report that our COD (coefficient of dispersion) is 6.27%; a COD of less than 10% is considered to reflect a relatively high level of equity across

TOWN OF LANDGROVE - 2017

taxpayers' assessments. Again, we are proud about these scores.

Finally, thanks to the property owners, and town officials for their cooperation, and support as we strive to perform our responsibilities with integrity, caring and due diligence.

Respectively submitted with cheer and good tidings,

Kim Eckhardt

School Director's Report

Every year seems to be an even more exciting year than the last when it comes to education in our area, and 2017 is no exception. Now that the Act 46 merger has happened and we are part of the new Taconic & Green Supervisory District, the focus is changing from managing Floodbrook School (which was the job of the Mountain Towns RED) to managing education and all its trappings for the five schools in our nine towns. Truly, community members, board members, teachers and school administrators are looking at all our students as ALL our students (the motto of the Taconic & Green).

As a member of the Taconic & Green Board, I can tell you that the next few years will be critical as we review how we educate, transport and care for students across this large district. We will be looking at all these elements with an eye to equity: what services, classes and opportunities does each student have, and how can those be improved so a student in any school has the same opportunity as another. For example, at Floodbrook, students have the opportunity to learn French, but students at all four of the other schools do not. How can we get the same level of French instruction at the other schools? Through technology? Moving teachers or students? What is least disruptive to students and teachers, and is still a valuable learning experience for students? How do this for the least cost? We will study this in all ways possible, and start taking steps to provide like services to all our students so that in all areas, from Math, to Arts, to Sports, in all areas of school life, all our students receive equal opportunities.

The budget passed by the Taconic & Green Board represents about a 3% increase from last year's total budget. This will mean about a 6 cent increase in taxes for Landgrove residents, after applying the benefits of the new RED (yes, we are in a RED again and receive tax benefits) and our CLA. This increase is less than the State rate set by the legislature. In short, we did see some savings from moving to the new health care system, but we also have some increased costs for the merger to add some new administrators we need.

TOWN OF LANDGROVE - 2017

We do expect in the next few years that those new administrators will be able to find efficiencies that we do not yet have. Due to the hard work of the Bennington-Rutland Supervisory Union, we had already realized many efficiencies in administration, and we hope to replicate that work again in these new areas.

It is worth noting that yet again our area has seen an increase in the student population. Unlike much of the State, our area has been growing, and surveys tell us that an important factor in drawing new families to our area is the strength and choice of our education system.

With the merger, there are number of steps that have changed for voters. Below is a list of what and when you need vote:

February 27, starting at 7pm at Floodbrook School. That night there will be 2 meetings. The first is for the Mountain Towns RED: even though the MTR will dissolve June 30th, we still need to hold our annual meeting and elect a moderator and a treasurer. As soon as that is complete, we will hold the annual meeting for the Taconic & Green where we will DISCUSS (not VOTE) on their business. This is a great opportunity to come and talk to the Board and ask questions about the budget. But there will be no voting on the floor for the budget, only for a moderator, clerk, and a treasurer.

March 5, starting at 6pm at Landgrove Town Hall. Our Town Meeting night, we will need to elect a School Director to the Mountain Towns RED Board. My term expires that night, and we need someone be on that Board for another few months until it dissolves June 30.

March 6, 8am to 7pm at Landgrove Town Hall. With the merger, we now vote all articles of the Taconic & Green warning by Australian ballot, which happens on Town Meeting Day. This is where you will vote on the budget and the other articles we used to vote on the floor at Floodbrook.

We will not be mailing the annual report to everyone as we've done in the past. You will get a post card with the above information, as well as directions on how to get the report. You can pick up copies at any school or town hall, and you should be able to find it at <https://goo.gl/xFSLgr>.

It has been my pleasure to represent you on the Mountain Towns RED Board, as well as the Taconic & Green and BRSU Boards. Please feel free to contact me at jeffclearylandgrove@gmail.com or 824-5394 if you have any questions, or even if you want to chat!

Treasurer's Report

As treasurer of a small town in Vermont, I am always looking for ways to improve the level of service I am able to offer the town and its taxpayers. Being able to communicate with tax payers over email has been a great improvement and I encourage you to get in touch with us via email to make sure we have the correct email on file for you. Through email and the ability to send out a reminder that taxes are coming due, I believe fewer people missing the deadline because it slipped their minds. This year, in particular, we saw the smallest amount of delinquency due to oversight than in all of my time as treasurer. We also had very few people miss the homestead declaration deadline (always on April 15th) this year! This deadline is often missed by people who are filing for an extension for their federal taxes.

Going forward, I am looking forward to offering taxpayers the option to pay their property taxes by credit card or e-check. There will be roughly a 3% fee that will be tacked on to the amount due for taxpayers who choose this option. We will be using the same service as the Town of Londonderry. Look for more information on our website as the tax deadline approaches.

Please feel free to contact me at treasureroflandgrove@gmail.com if you have any questions.

Respectfully submitted,
Andrea Ogden

In case emailing and taking credit card payments have you thinking Landgrove has entered the 21st century, please note the state of our election management system. No voter fraud when Bobby and Sally Waite are at the voter check-in table!

Trustees of Public Funds

The Trustees of Public Funds manage two funds for the people of Landgrove. The first fund is the Cemetery Endowment. This fund was established as an endowment to ensure that the cemeteries of Landgrove would be maintained in perpetuity. The principal of the fund is not to be touched, and each year the Trustees of Public funds will determine what percentage of the interest on the account can be disseminated to the Cemetery checking account. In 2017, the interest earned on the principal was over \$800. While we are pleased that this number is growing, trustees agreed to leave the interest in the fund again this year.

We also are happy to see that the fund has grown in excess of \$50,000. At the start of 2013, just five short years ago, the balance was just over \$32,000. We are encouraged by this growth and feel positive about the long term goals of the fund.

The second account in the care of the Trustees of Public Funds is the Conservation Fund. The 2017 goal of determining the future of this fund has been rolled over into 2018.

Zoning & Planning

The 2017-year saw a number of changes and projects being undertaken by P&Z. First, we welcomed our new zoning administrator, Hal Wilkins. He has been a valuable resource establishing office hours on Thursday mornings to coincide with town office being open. In addition we reorganized our committee to spread out the workload amongst the various committee members, the town clerk, and the administrator. This has worked out well. All meetings are warned in advance, open to the public with minutes routinely posted on the town's website.

Our P&Z Commission spent time working with our administrator to review and revise our permit fee structure as well as our application forms. In addition many of these items as well as a helpful flow chart of the process were put on line for the public.

One of our two time consuming and significant projects/achievements this past year was a comprehensive review of our entire zoning bylaws. With the great assistance of Catherine Bryars from the Bennington County Regional Planning Commission, and Hal Wilkins, we reaffirmed, revised, deleted, added and updated where appropriate and/or necessary our zoning bylaws. Changes required by new state statutes also were incorporated. While we finished this project with public hearings and final selectmen approval in late summer, it should be noted this project was begun back in 2016. Always nice to have this type of extensive project comes to an end!

Our second big project was the review, revision, update and enhancement of The Landgrove Town Plan. While working on this project for approximately a year, our committee would also like to thank Mary English who chaired our last town plan which served as a strong foundation for our work. Catherine and Hal were again most helpful in ensuring that all town data available from state/federal agencies was updated. Thanks also to our town treasurer and town clerk, the listers, and our volunteer photographer Marion Sweetman for their valuable and appreciated assistance in this project. It should be noted each town is required to have an updated town plan which is now good for 7 years. The plan is consistent with updated planning and zoning regulations and was approved after a public hearing, by the selectmen. Thanks also to the town leadership for approving the funding to print and distribute the plan to all property owners.

The history, the data, the "essence" of Landgrove along with the public policies noted should be of interest to all. We believe this town plan provides an unbelievable amount of interesting and useful information and data about Landgrove and what makes it so special. We have received many compliments on this comprehensive and attractive 50 page booklet which gives the reader a real sense of who we were, who we are now and where we plan on going in the

TOWN OF LANDGROVE - 2017

future as a town.

Finally, as part of our routine business we dealt appropriately with a conditional use application, a subdivision application and a variance application.

First Annual Taconic and Green Town Report Notice

As you know, on March 7, 2017, voters from Danby, Dorset, Landgrove, Londonderry, Manchester, Mt. Tabor, Peru, Sunderland, and Weston overwhelmingly approved the merger of their school districts. The new entity for these communities, the Taconic and Green Regional School District, becomes officially operational as of July 1, 2018.

Please note that the launch of the Taconic and Green Regional School District will create some changes to the normal flow of information that you receive in advance of the annual town meetings. Let's review the distribution process for this year. Please call 802-362-2452 ext. 1528 if you have any questions.

The Taconic and Green Regional School District has produced an Annual Report that will be available to the public on Thursday, February 15. The Taconic and Green Report will include:

- Annual Meeting Warning (Note that a postcard will be sent to all residents of the towns listed above by the end of January.)
- FY19 Budget for the Taconic and Green Regional School District
- FY19 BRSU General Budget
- FY19 BRSU Special Education Budget
- BRSU Treasurer's Report
- Tax rate historical information for all towns
- Audit Report
- Enrollment Report
- Superintendent Report
- Principal Reports (Currier, Dorset, Flood Brook, Manchester, Sunderland)
- Taconic and Green School Board Report
- Taconic and Green Board Member information
- Taconic and Green Board Goals and Norms
- Minutes from the Taconic and Green District Organization Meeting in June 2017

The Taconic and Green Annual Report will be available at the following:

- Online at <https://goo.gl/xFSLgr>
- Request via info@brsu.org or 362-2452
- Local Town Office
- Manchester Library
- Pick one up at one of the following Taconic and Green schools – Currier, Dorset, Flood Brook, Manchester, Sunderland
- Pick one up at the BRSU Office – 6378 VT Route 7A, Sunderland, VT

The Taconic and Green Annual meeting will be on Tuesday, February 27, 2018 at 7pm at the Flood Brook School. Bus transportation will be provided for the

TOWN OF LANDGROVE - 2017

public from the following schools: Currier, Dorset, Manchester and Sunderland. The buses will leave at 6pm. Light refreshments will also be provided at the annual meeting.

NOTE:

**Next years budget (2018-2019) will only be discussed at the
Taconic and Green meeting on February 27, 2018.
Your attendance is very important.**

Londonderry Solid Waste Group Report

Serving the towns of Landgrove, Londonderry, Peru, Weston, Windham

The Londonderry Solid Waste Group (LSWG) is committed to developing programs and policies that reduce the amount of waste disposed in landfills, increase recycling and maximize hazardous waste collections.

As of October 2017, cash is no longer accepted as payment for trash disposal at the transfer station. Punch cards can be purchased at Londonderry, Peru, Weston and Windham town offices OR at Londonderry Hardware and Weston Marketplace.

Annual Permit Stickers are required for entrance to the transfer station for trash disposal and recycling. They are only available at the Londonderry Town office in person or by mail with a SASE. You must be from the five towns in the LSWG to use the transfer station.

See the following page for a reference guide as to how to dispose of various materials.

As always, your comments and questions are welcome. You can contact your recycling coordinator, Esther Fishman, at londonrecycle@vermontel.net.
