RE: VERMONT OPEN RECORDS REQUEST

Office of the Governor of Vermont

To Whom It May Concern:

Under the Vermont Public Records Law, §315 et seq., I am requesting a digital copy of each email message that regards or makes any mention of the proposed merger between Comcast and Time Warner and was sent or received between the dates of July 7th, 2014, and September 12th, 2014, by the following two officials:

1. Vermont Governor Peter Shumlin
 2. Scott Coriell, Former Special Assistant to Governor Shumlin
-

This request includes, but is not limited to, any message from a Comcast employee or any person acting in any manner as a representative of Comcast that includes any mention of the company's proposed merger with Time Warner and/or any the following key phrases: "merger", "FCC", "Federal Communications Commission", "Time Warner", "TWC", "Wheeler", and "Docket No. 14-57".

If there are any fees for searching or copying these records, please inform me if the cost will exceed \$20. However, I would also like to request a waiver of all fees in that the disclosure of the requested information is in the public interest and will contribute significantly to the public's understanding of the activities of government. I am a freelance journalist and this information is not being sought for commercial purposes.

I would request a prompt response to this request. If you expect a significant delay in responding to or in fulfilling this request, please contact me with information about when I might expect copies or the ability to inspect the requested records.

Please feel free to reach out to me by phone or email with any questions that may arise. My email address is spencer.woodman@gmail.com. My phone number is 919-418-0817.

If you deny any or all of this request, please cite each specific exemption you feel justifies the refusal to release the information and notify me of the appeal procedures available to me under the law.

Thank you very much for considering my request.

Sincerely,
Spencer Woodman
