Pardon Coordinator
Office of the Governor
109 State Street
Montpelier, VT 05609-0101

To Whom It May Concern,

I am writing in support of a pardon for Edwin Owusu. Over past last year I have participated in several events with Edwin in which he has played a responsible, positive, and valuable role.

I understand Edwin was found guilty of drug possession over a decade ago and that he has paid required fines as well as successfully served his probation. He has since engaged in the community both professional and civically and I believe he has shown that he has turned a corner. He now desires to continue his higher education and expungement of his record would be extremely beneficial as he navigates this process.

Edwin is an intelligent and talented man with aspirations to make great contributions to our society. I thank you for considering my support as you deliberate granting him this.

Respectfully,

David Zuckerman, Lieutenant Governor
