**Subject:** FW: WCAX: records request

Hi Jennifer,

We have no correspondence between Bill Lofy and Ariel Quiros, or between Alex Maclean and Ariel Quiros. Correspondence between Bill Lofy and Bill Stenger, and correspondence of Alex Maclean's that involves Bill Stenger, has been under a litigation hold related to now-public litigation involving Jay Peak EB-5 projects. Records that are relevant to pending litigation are exempt from disclosure under 1 VSA 317(c)(14). Before responding further to your request, we need to determine whether the records we have been keeping pursuant to the litigation hold are exempt from disclosure pursuant to 317(c)(14). We will be in touch as soon as a determination regarding the status of the litigation hold records has been made.

Sincerely,

Sarah
