

Attached please find a memo to Rep. Jewett containing the language that I said I would provide the committee regarding § 8103 is section 5 of S. 155.

Additionally, I testified yesterday regarding dynamic IP addresses – that is IP addresses that are reassigned by the internet service providers when needed. In a recent AGO criminal investigation a service provider disclosed that it changed the IP address assigned to a single subscriber more than 1,800 times in a 6 month period.
