Dear Members of Shen Yun Performing Arts:

It is a great privilege to welcome you to the State of Vermont.

We are so honored that Shen Yun Performing Arts has chosen to perform at the Flynn Center for the Performing Arts in Burlington. I recall that Shen Yun visited Vermont last year on their Symphony Orchestra tour, and I am thrilled to hear that you have decided to come back to Burlington again this year to share your one-of-a-kind musical and dance presentation.

This performance is no doubt an effective way for Shen Yun to share aspects of traditional Chinese culture and universal values with the people of Vermont. Your blending of classical Chinese instruments with Western orchestral sounds is a unique mechanism to communicate Chinese culture through the arts of music and dance. The unique styles of Shen Yun dancers and vocalists are immensely impressive, and will no doubt have a significant impact on your Vermont audience. In the process, I hope that our two cultures recognize positive, universal values which we both share.

Again, I am so pleased that you have decided to perform again in Vermont, and I sincerely hope that you decide to come back again in the future.

Sincerely,

Phil Scott
