Hey Sue — Would you mind letting me know how much the state has spent on sending the gov to NGA meetings/events this year? Broken down trip by trip?

No need to go back to last term, I think. Don't want this to be too onerous a request.

Many thanks,  
Paul

p.s. Would be great if you could include the total cost — i.e. if staff went with him. I know you can't include security costs, so that's cool.
