Lieutenant Governor  
416 14th Avenue SW  
P.O. Box 40400

Dear Lt. Governor Owen:

I wanted to congratulate you on your recent re-election victory. Having just been through a successful campaign myself, I know how relieved you must feel at this point. Elections can be an exhausting process, but they can also be energizing and a source of new ideas. Both were certainly true in my case, and, I imagine, in yours as well.

I hope we can catch up in person at one of the upcoming meetings of the National Lt. Governors' Association.

Again, congratulations!

Best regards,

Phil Scott
