I appreciate everyone's prompt input. I've attached the final draft that Rebecca will be sending out at noon today. Please take a look for any factual issues that might cause you problems. Feel free to call me if that is easier: 802-279-1086.

Thank you. Per our call with you and Secretary Cohen, Leslie and I are working on a suggested revision to mitigate the potential implication of the second to last paragraph (and to provide assurance to those regions that have, appropriately, begun their preK programs). We will redline and comment for ease of reference and discussion and revert this afternoon.
