 - a. Attorney Hibbert updated the Board on Act 35.

6. Correspondence:
 - a. Kathryn Robbins submitted an email stating that she is licensed as a doctorate psychologist in New Hampshire. She does psychology contract work for a New Hampshire school and they have an out of district student placed in a Vermont school for which testing is requested at the Vermont school. She asks if she can do this with her New Hampshire license or does she need to be licensed in Vermont. The Board responded that she must be licensed in Vermont with either a permanent license or a temporary license. She is directed to the rules on how to apply for licensure and to review the rules surrounding a temporary license.
 - b. Neila Decelles emailed the Board regarding supervised billing questions. The Board responded that it does not regulate billing, so it is not able to answer questions regarding this. They recommend that she review ASPPB's Best Practice for Supervision Guidelines.
 - c. Venessa Luck emailed the Board asking if they would accept the 400 hours of practice she received. The Board stated that under the circumstances, yes, this would be accepted.
