Subject: WCAX Record Request Appeal

May 4, 2016

Darren,

I am writing to appeal the 5/2/16 decision to withhold communications involving the Governor and senior staff regarding "Peep the Duck" based on the determination of privilege and confidentiality. In the spirit of transparency, we request that the senior staff's emails and texts be released, even if the governor's correspondence is withheld.

Best,

Jennifer T. Costa
