**Analysis of Bill**

1. Summary of bill and issue it addresses. To establish criteria and a review process for decisions to reinstate the operator license of a person whose license was suspended for lack of medical fitness to drive.
2. Is there a need for this bill? *Yes, it is appropriate to consider reinstating the license suspended for medical reasons if their condition improves.*
3. What are likely to be the fiscal and programmatic implications of this bill for this Department? None
4. What might be the fiscal and programmatic implications of this bill for other departments in state government, and what is likely to be their perspective on it? DMV would have to be involved in the process
5. What might be the fiscal and programmatic implications of this bill for others, and what is likely to be their perspective on it. The only cost would be for the medical community to examine the person and make sure they are fit for driving. This would be covered by the persons own insurance
6. Other Stakeholders:
  - 6.1 Who else is likely to support the proposal and why? AARP, advocates of seniors
  - 6.2 Who else is likely to oppose the proposal and why? none
7. Rationale for recommendation: *If the condition that keeps a person from driving changes the person should be able to get their license back.*

8. **Specific modifications that would be needed to recommend support of this bill:** *Not meant to rewrite bill, but rather, an opportunity to identify simple modifications that would change recommended position.*

9. **Gubernatorial appointments to board or commission?**
