

Email received 3/23/15 as Public Comments for the 3/24/15 Public Hearing on Renewable Energy Siting

From: Walter Cudnohufsky [mailto:walt@wcala.com]

Sent: Monday, March 23, 2015 2:27 PM

To: Katie Pickens

Subject: Research shows that Rooftop is logical and powerful solution to energy needs.

Dear Committee Clerk K Pickens,

Please heed the wisdom and common sense in this research and feature roof top solar as a center piece of energy security in VT.

Thank you

Walt Cudnohufsky
