Subject: Minor changes on P 17 for clarity

Hi Aaron,

I know you have a lot on your plate and we appreciate all your work on H40. After reviewing and discussing with Asa I think the following additions would offer greater clarity on page 17 where we had some confusion between the two of us;

Line 6: add "renewable energy credits from" after "employ".

Line 12: after "obtain" add "sufficient renewable energy credits to meet the distributed renewable generation requirement from"

Line 19: add "purchase of" prior to "tradeable renewable energy credits..."

Please let me know if any questions.

Thanks

Darren
