Dear Senator Kitchel:

The Senate Committee on Committees is pleased to appoint you to the Committee on Transportation Funding, pursuant to Act 153 of 2012.

As you know, the Committee was established to evaluate potential new state revenue sources for transportation projects, and how existing state revenue sources could be modified to address projected transportation funding gaps. We are confident that you will make a significant contribution to this important work, and we appreciate your willingness to serve.

The Office of the Legislative Council will follow up with you with details about the first meeting.

Please do not hesitate to contact us if we can be of any help. The best way to reach us is through the Senate Office at 802-828-3806, or the Lt. Governor's office at 802-828-2226.

Sincerely,
