

Stern Center

for Language and Learning

Mission

The Stern Center for Language and Learning is a nonprofit educational center dedicated to helping children and adults reach their full potential. Through high-quality direct service, professional learning, and research, we are committed to enriching the lives of learners because all great minds don't think alike!

Vision

We envision a world where all learners reach their academic, social, and professional goals.

LEARNING IS OUR PASSION

At the Stern Center for Language and Learning, we help all students and educators reach their academic and professional goals *because all great minds don't think alike.*

"My son has gained increased appreciation for everyone's unique abilities as reflected in the Stern Center's philosophy."

- Parent of Stern Center Learner

"Nobody does what the Stern Center does to lay the foundation in deep reading."

- Michaela Martin, Co-Director of School Transformation
Central Vermont Supervisory Union

"I think it is imperative that every elementary teacher take part in a course such as this."

- Lead to Read participating teacher
