H.525

Representative Emmons of Springfield moves that the bill be amended by adding a Sec. 11a and its reader assistance heading to read as follows:

\* \* \* Water Quality Programs; Consultation with Treasurer \* \* \*

Sec. 11a. WATER QUALITY PROGRAMS; CONSULTATION WITH  
STATE TREASURER

In providing financial assistance under Sec. 8 (Environmental Stewardship Program), 10 (Conservation Reserve Enhancement Program), or 11 (Ecosystem Services Incentive Program) of this act, the Secretary of Agriculture, Food and Markets shall consult with the State Treasurer to ensure that the projects to be funded with capital appropriations are capital eligible.
