ATHENS, VT

2004

We Remember

Over the past several months the Town of Athens has lost two very active members of the community in years past.

**Robert Palin 1918 – 2003
Robert MacIntyre 1937 - 2004**

Each will be remembered for his many services rendered to the Town.

WARNING
ANNUAL JOINT TOWN
&
TOWN SCHOOL DISTRICT MEETING

The legal voters of the Town of Athens are hereby notified and warned to meet in the Elementary School in Athens on Tuesday, the 1st of March A.D. 2005, at 10 o'clock a.m. to take action on the following articles:

- ARTICLE 1: To elect a moderator.
- ARTICLE 2: To act on Town Reports.
- ARTICLE 3: To see if the Town will elect a Road Commissioner.
- ARTICLE 4: To elect all Town/Town school District Officers required by law.
- ARTICLE 5: To authorize Selectmen and School Directors to borrow money against anticipated revenue to meet the financial requirements of the Town and School.
- ARTICLE 6: To see if the Town will vote to collect taxes on the 10th of September, 2005.
- ARTICLE 7: To see if the Town will vote to publish a list of Delinquent taxpayers in the Town Report.
- ARTICLE 8: To see how many dollars the Town will vote to raise to defray Town expenses.
- ARTICLE 9: To see if the Town will vote the sum of \$10,000.00 for a Road Surface Treatment Sinking Fund.
- ARTICLE 10: To see if the Town School District will authorize its Joint Contract Board of School Directors to make available school facilities and equipment for other specific purposes which appear to be in the best interest of the residents of the District with due consideration being given to efficient, economical and appropriate use of the facilities and equipment.
- ARTICLE 11: To see if the Town School District will approve the Joint Contract District budget of One Million Eighty-One Thousand Three Hundred and Ninety-One Dollars (\$1,081,391) that includes Five Hundred Dollars (\$500) compensation for each School Director.
- ARTICLE 12: To see if the Town School District will raise money for the education of its students for the period of July 1, 2005 to June 30, 2006; and if so, how much?
- ARTICLE 13: To see if the Town will vote to appropriate the sum of \$340.00 to Southeastern Vermont Community Action (SEVCA) to provide assistance to low income town people in need of food, clothing, shelter, and access to other programs.
- ARTICLE 14: To see if the Town will raise and appropriate the sum of \$250.00 to the Bellows Falls Area Senior Center.
- ARTICLE 15: To see if the Town will raise and appropriate the sum of \$450.00 to the Women's Crisis Center to provide assistance to women and children who have been harmed by domestic and sexual assault.
- ARTICLE 16: To see if the Town will raise and appropriate the sum of \$1,078.00 to support the home care and hospice care of patients by the Visiting Nurses Alliance of Vermont and New Hampshire.

- ARTICLE 17: To see if the Town will raise and appropriate the sum of \$200.00 to support the Council on Aging for Southeastern Vermont to provide services to the elderly.
- ARTICLE 18: To see if the Town will raise and appropriate the sum of \$313.00 to support the Health Care & Rehabilitation Services of Southeastern Vermont.
- ARTICLE 19: Shall the voters of the Town of Athens vote to approve the resolution concerning the war in Iraq and the deployment of members of the Vermont National Guard in that war, as attached to the petition and incorporated herein by reference, and then send a copy of the resolution to Vermont's state and federal office-holders? (A copy of the full resolution can be viewed at <http://iragresolution.org/> or at the Town Clerk's Office.)
- ARTICLE 20: To set the time of future Town Meetings.
- ARTICLE 21: To transact any further business proper to come before said meeting.

Dated this 23rd day of January, 2005 at Athens, Vermont.

Road Commissioners Report

Road Commissioner, Tom Taylor reports that much of the road work done this year was related to general maintenance. Culverts were repaired on Valley Cemetery Rd, Brookline Rd. and Reed Rd. Road widening was done at the junction of Valley Cemetery and Brookline Rd. as well as Herring Hill. Ernst Rd. and Valley Cemetery Road ditches were cleared. Dead trees were cut and removed from Rte 35.

Fifteen hundred yards of road gravel was purchased as was 1500 yards of winter sand.

**TOWN OF ATHENS
DOG ORDINANCE**

DOGS [AND WOLF HYBRIDS]

SECTION 1. AUTHORITY. This ordinance is adopted by the selectboard of the Town of Athens under authority of 20 V.S.A. 3549, 24 V.S.A. 2291 (10) and 2291 (14 & 15), and 24 V.S.A. Chapter 59.

SECTION 2. PURPOSE. It is the purpose of this ordinance to regulate the keeping of dogs [and wolf hybrids], to protect public health and safety and to protect the residents' quiet enjoyment of their homes and properties.

SECTION 3. DEFINITIONS. For purposes of this ordinance, the following words and/or phrases shall apply:

- A. "Dog" means any member of the canine species;
- B. "Wolf hybrid" means:
 - 1. An animal that is the progeny of an dog and wolf (*Canis lupus* or *Canis fufus*);
 - 2. An animal that is advertised or otherwise described to be a wolf hybrid; or
 - 3. An animal that exhibits primary physical and/or behavioral wolf characteristics.
- C. "Owner" means any person who has actual or constructive possession of a dog [or wolf hybrid]. The term also includes those persons who provide food, shelter, shots, and registration to a dog [or wolf hybrid].
- D. "Running at large" means that a dog [or wolf hybrid] is not:
 - 1. on a leash;
 - 2. in a vehicle;
 - 3. on the owner's property;
 - 4. on the property of another person with that person's permission;
 - 5. clearly under the verbal or non-verbal control of the owner; or
 - 6. hunting with the owner.
- E. "Vicious dog [or wolf hybrid]" means a dog [or wolf hybrid] that attacks any person or causes any person to reasonably fear attack or bodily injury from such animal, unless the person is trespassing on the property of the owner of the animal. The term shall also mean any animal that, while running at large, attacks another domestic pet or domestic animal, as defined in 20 V.S.A. 3541.

SECTION 4. DISTURBANCES AND NUISANCES.

- A. No dog [or wolf hybrid] shall run at large in the town.
- B. No dog [or wolf hybrid] shall harass or attack other animals or people unless such animals or people are trespassing on the private property of the owner of the dog or wolf hybrid.
- C. A female dog [or wolf hybrid] in heat shall be confined to a building or other secured enclosure, except while under the direct control of the owner.
- D. No person shall own, keep or harbor a dog [or wolf hybrid] that disturbs the quiet, comfort and repose of others by frequent, habitual or persistent barking or howling.

SECTION 5. POOPER SCOOPER. The person in control of a dog [or wolf hybrid] that defecates in any public area or on the private property of another person shall immediately remove the fecal material and dispose of it in a sanitary manner.

SECTION 7. HUMANE CARE OF DOGS [AND WOLF HYBRIDS]. All dogs [and wolf hybrids] shall be furnished with clean and safe facilities sufficient to protect the animal and the public health. Any dog [or wolf hybrid] determined by [the constable/police/animal control officer/humane officer] to be without such clean and safe facilities may be impounded.

SECTION 8. ENFORCEMENT. This is a civil ordinance and shall be enforced by [the constable/police/animal control officer/humane officer] in the Vermont Judicial Bureau in accordance with 24 V.S.A. 1974a et seq.

CEMETERY COMMISSION REPORT

Over the past several months, the Cemetery Commission has met several times to discuss the advisability of opening the East Cemetery.

As it stands now, the fill used years ago was composed of large rocks and very little soil. Digging for graves is possible but difficult and would require replacement of clean fill over and around the vault.

The opportunity to receive free fill from the Rte 121 Highway Improvement project was discussed with an SCI engineer present. He could not guarantee either the content or the quality of the fill that would be dumped.

The amount proposed to be dumped would raise the ground level on the Miller Road low area two and a half to three feet only. It would still be necessary to dig into the existing ground fill to accommodate the vault.

In addition, we took into consideration the damage which might occur to Brookline Road which already needs resurfacing, by overweight trucks hauling the fill.

Taking all into account, the majority of the Commissioners voted against any attempt to open the East Cemetery.

LISTERS

The State mandated Town Reappraisal was completed in March 2004 and followed by the grievance meetings when all property owners were given opportunity to meet with assessors.

The resulting outcome brought land values and residential properties into line with Fair Market Value. This value is utilized by the Property Valuation & Review when analyzing data submitted by the Town from sales to determine our Coefficient of Dispersion or the fair distribution of property tax within the town. The resulting 8.13 % indicates a relatively high level of equity across taxpayers assessments.

Athens/Grafton Joint Contract School District
Report of the School Board, December 2004

The Athens/Grafton Joint Contract School Board is made up of the five elected members of the Grafton School Board and the three elected members of the Athens School Board. We have met together for our first official year, ending June 30, 2004. The individual school boards of the two towns also conduct business, typically on the same night as the Joint Contract Board meets. In this year of development, we have worked together to pass the school budget in both towns, to review and make new policies, and to manage the school as its elected board.

As we had hoped when we originally began working together to create the new joint contract school district, we have good school attendance numbers and see growing enrollment. We have achieved the desired effect of leveling per pupil expenditures by combining the two school populations.

We rely on our administrative staff to carry out the day-to-day operations of the Joint Contract School. As a board, we have worked to ensure that we have enough teaching staff to offer good interaction in the primary grades, with separate classes for kindergarten, first grade, and second grade. We continue to group students together in the older grades, with third and fourth sharing one teacher and fifth and sixth another. School space is at a priority, but we are determined to make the building work for our growing numbers without enlarging the space.

The Athens/Grafton Joint Contract School Board meets regularly at least once a month at a time announced after March town meeting when new board members join. Meetings alternate between the Grafton Elementary School and the Athens Elementary School. School directors from the three boards (Athens, Grafton, and the Joint Contract Board) also participate in the Windham Northeast Supervisory Union Board. Please feel free to contact any of us with concerns or comments about the operation of the School or the decisions we make.

Respectfully submitted,

Amy Howlett

Clerk, Athens/Grafton Joint Contract School Board

Ken Dufort, Chair, Grafton
Denise Randall, Vice Chair, Athens
David Culver, Grafton
Gerald Drabyn, Grafton
Lisa Dufresne, Athens
Stephen Fine, Athens
Amy Howlett, Grafton
Sandra Stevens, Grafton

Athens/Grafton Joint Contract School District
Principal's Report
November 18, 2004

On June 30, 2004 we completed our first year as a Joint Contract School District. Although there were no noticeable differences in the day-to-day operations due to the new governing contract, we continue to see our enrollment rise. With our numbers increasing, we again hired a grade 2 teacher using federal grant monies specifically for class-size reduction. Sarah Meyers has joined our staff to teach that class this year. Other changes in our staff include Shane Clifford in grade 5/6 and Emily Brown teaching first grade.

In addition, we have a Title I math teacher, Chris Dunham, working part time with small groups of students in grades 3 through 6 this year. We are in our second year of a Reading First Grant that has allowed us to hire Beth Ann Drinker as the reading coach to work with staff on improving reading instruction and to also work with students needing early interventions as they learn to read. We continue to look for ways to deliver instruction in the most efficient and effective ways for our students.

To that end, the Grafton Elementary School staff has participated in numerous professional development activities throughout the school year and summer months. Many of these workshops and courses have been made available through the Windham Northeast Supervisory Union and federal grants that the SU facilitates. These professional development opportunities address specific areas of need as identified through many of the local and state assessments.

As mentioned in last year's report, lack of classroom space is a concern. To gain the much-needed space, we began looking for ways to raise funds for a portable, wireless computer lab. This summer a very dedicated group of citizens and parents, who have raised technology funds in the past, again raised approximately \$8,000 for the portable lab through the Golf Tournament and a Silent Auction. Since then, other donations have come in, including \$4800 from the Pollio Foundation. The classroom space is used for small group instruction in math and reading throughout the day.

Early Education

The Windham Northeast Supervisory Union provides two, fully licensed, Early Education Centers in the Supervisory Union. One program is housed at the YMCA building in Bellows Falls and the other is housed at the Athens Elementary School. Currently, ten 3 and 4 year-olds attend the Athens Program. The pre-k curriculum follows Vermont's Early Learning Standards in preparing children for kindergarten. The program is open on Tuesday, Wednesday and Thursday afternoons from 1:00PM to 3:30PM. Lisa Stapleton, the early childhood educator, works in both programs and is available for family outreach on Fridays. She may be reached at 869-2633.

Community Support

Grafton Elementary School enjoys tremendous support from our two communities. The Parent/Teacher Group provides hot lunch 3 days each week for a nominal fee. They strive to offer nutritious lunches that children will enjoy. In addition, this group provides funding for numerous educational field trips, offers scholarships for the winter sports program, funds classroom teacher initiatives, and sponsors school events such as the Dr. Seuss Breakfast, Halloween Dinner, and the community Thanksgiving Feast, feeding over 200 people each year.

Breakfast is provided by Grafton Cares with donations from Grafton and the Athens Community Church. Windham County Reads provides a reader each morning at breakfast and books for students 2 times per year.

The Nature Museum offers the school one family pass to special programs, discounts on educational programs that support our science curriculum, and a free yearly membership to each student.

The Grafton Historical Society supports our annual history day by providing access to the museum, local expertise in planning and implementing the culminating activities and by sponsoring at least one school-wide field trip each year that enriches our history studies.

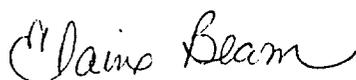

The Women's Community Club offers a bicycle camp scholarship each year to a student who is an outstanding citizen all year.

The Windham Foundation continues to offer us support through the use of its buildings for our history days and the 250th celebration, loaning us tables as needed for fundraisers and events, discounts for our winter sports program and maintenance help in emergencies.

Thank you to both communities for your outstanding support in the education, health and well being of our students and staff.

In closing, I would like to say thank you to the dedicated staff, parents and community members of both Athens and Grafton. Your hard work and support has allowed us to grow and offer a quality education to all children in our communities. Also, a special thank you to Superintendent, Len Brown, Assistant Superintendent, Catherine Davignon, Director of Student Services, Kathy Callahan, new Business Manager Michael Ricci, and the entire SU staff who support and guide us in all we do.

With Many Thanks,

Elaine Beam, Principal

To the Board of School Directors
Athens/Grafton Contracted School District
Bellows Falls, VT 05101

We were engaged to audit the financial statements of the governmental activities and each major fund of Athens/Grafton Contracted School District, as of and for the year ended June 30, 2004.

For fiscal year 2004, the School District is adopting a new accounting principle that requires dramatic changes to the way financial information is reported. The implementation of this new principle has forced a delay in completing the audited financial statements. We expect that the audit will be completed by the date of the Town meeting.

The audited financial statements will be available for public inspection at the office of Windham Northeast Supervisory Union located at 8A Atkinson Street, Bellows Falls, Vermont when they are completed.

Sincerely,

Fothergill Segale & Valley, CPAs
Fothergill Segale & Valley, CPAs

Superintendent of Schools

2004-2005 Report to the Communities of Windham Northeast Supervisory Union

It is once again my privilege and pleasure to write this, my second report as your Superintendent of Schools, to the member communities in the Windham Northeast Supervisory Union. As your Superintendent of Schools I continue to be gratified by the support of the community and citizens for our schools. I know that I speak on behalf of the various boards of directors and staff at our schools when I thank the voters and citizens, as well as parents for supporting our schools and our children and youth.

Throughout the supervisory union there continues to be many initiatives that both challenge us and bring optimism that our schools will continue to improve services to our students. The *High Schools That Work*, and *Turning Points* school reform models in place at Bellows Falls Union High School and Bellows Falls Middle School respectively continue to provide a framework for our school improvement efforts at these two schools. Under the capable leadership of Mr. John Doty, Principal of Bellows Falls Union High School, and Ms. Marcy Henry, Principal of Bellows Falls Middle School, I continue to be encouraged that systemic change necessary for improved student performance will continue to occur. Indeed the Bellows Falls Middle School's removal from the list of "Technical Assistance" schools is a reflection of this positive change.

This year, for the first time, the Administrative Team in Windham Northeast Supervisory Union has agreed to undertake a review of district wide programs that impact on our students' academic performance. Under the leadership of members of the team as noted, the following summary of activities are underway:

- 1) Literacy – under the leadership of Ms. Kathy Plunkett, Principal of Westminster Schools, the committee is continuing its planning professional development and K-12 installation of the *Collins Writing* program.
- 2) Math – under the leadership of Ms. Elaine Beam, Principal of the Athens/Grafton Joint Contract School, the committee is among other things reviewing our elementary and middle grades math programs to analyze the effectiveness, and whether adjustments to the program are necessary.
- 3) Science and Social Studies – under the leadership of Ms. Pam Macy, Interim Principal at Central Elementary School and Ms. Marcy Henry, Principal of Bellows Falls Middle School, these two committees are reviewing our alignment with standards and whether adjustments to the curricula are necessary to accomplish this alignment.

Our administrative team continues to rely on the leadership of Mr. Chris Kibbe, Principal of Saxtons River School, for his expertise in technology related matters. Of particular importance is his involvement, on our behalf, in a statewide initiative to develop a student management data base, which we are sorely lacking. I want to thank these dedicated professionals for their work, not only in the daily operation of their schools, but also for their commitment to improving our K-12 educational programs.

At the supervisory union office I am pleased to welcome two new administrators. Michael Ricci is our new business manager. He comes to us with a wealth of experience in the private sector, most recently at a private foundation associated with Dartmouth College. As he learns our system I trust that he will help to implement improvements in the fiscal services department that will make that part of our school dependable and helpful to the work of our administrators and school boards. I also welcome Ms. Catherine Davignon as the new Assistant Superintendent of Schools replacing Mr. Charles Usher, who retired at the end of June 2004. Ms. Davignon, known to many as the long time principal at Central Elementary School, brings a wealth of experience and local knowledge to our central office. I have asked her to be particularly attentive to our staff evaluation systems and to assist our local administrators in this regard. Continuing with her leadership role primarily in special education, Dr. Kathleen Callahan "rounds out" the Central Office Administrative Team.

I would like to offer special thanks again to our school directors for their work on behalf of their communities. It is a thankless job, but a necessary one, and I am grateful for their attention to these duties. Whether it is monitoring the budget, reviewing student performance data, working on policy, or examining facility improvement needs, these good folks spend countless hours sight unseen working on behalf of the school system.

Finally as the "curtain comes down" on the 2004-2005 school year a special thanks is in order for two administrators who will leave our employ. Mr. John Doty will retire at the close of this school year. He has been with us since August of 1999 when he was on the brink of his "first retirement." He has done much to improve the Bellows Falls Union High School and as such deserves many thanks. Ms. Kathy Plunkett, Principal of Westminster Schools, will also move on at the end of this school year, having accepted a position with a private foundation located in central Vermont. She has done an excellent job leading the Westminster Schools and we will miss her leadership and presence. We wish both of them only the best. I would also like to thank Mr. Joel Robarge, Associate Principal at Cherry Hill School, for stepping up and replacing long time Principal, Marjorie Adams, who retired in June of 2004. His willingness to provide leadership during the time of uncertainty about the future of the Cherry Hill School is commendable.

In conclusion, it has been a pleasure to serve as your Superintendent of Schools and I thank you again for all that you do for our children and youth.

Respectively submitted,

Leonard K. Brown
December 28, 2004

In reporting the number of children within the supervisory union who are receiving special education services, the following information is provided by individual member school districts as of December 1, 2004:

<u>School Districts</u>	<u>Child Count</u>	<u>A.D.M.</u>	<u>% Special Education</u>
Athens	9	48.83	18.43
Grafton	20	74.38	26.89
Rockingham	211	878.03	24.03
Westminster	<u>99</u>	<u>450.94</u>	<u>21.95</u>
	339	1452.18	23.34

These numbers are preliminary & unverified by the State of Vermont as of this publication.

The supervisory union child count over the past six years is as follows:

<u>1999-2000</u>	<u>2000-2001</u>	<u>2001-2002</u>	<u>2002-2003</u>	<u>2003-2004</u>	<u>2004-2005</u>
294 (17.37%)	332 (20.64%)	377 (23.71%)	366 (24.11%)	361 (24.45%)	339 (23.34%)

As of December 15, 2004, special education revenues anticipated (but still subject to change) in fiscal year 2006 are as follows:

<u>Sources</u>	<u>Athens</u>	<u>Grafton</u>	<u>Rockingham</u>	<u>Westminster</u>	<u>Totals</u>
Federal	13,221	18,123	226,793	108,056	366,193
State	63,193	152,874	2,059,503	837,834	3,113,404
Local	<u>49,408</u>	<u>121,073</u>	<u>1,642,303</u>	<u>663,278</u>	<u>2,476,062</u>
Totals	125,822	292,070	3,928,599	1,609,168	5,955,659

January 21, 2005

To the Board of School Directors
Windham Northeast Supervisory Union
8A Atkinson Street
Bellows Falls, VT 05101

We were engaged to audit the financial statements of the governmental activities and each major fund of Windham Northeast Supervisory Union (WNESU), as of and for the year ended June 30, 2004.

For fiscal year 2004, the Supervisory Union is adopting a new accounting principle that requires dramatic changes to the way financial information is reported. The implementation of this new principle has forced a delay in completing the audited financial statements. We expect that the audit will be completed by the date of the Town meeting.

The audited financial statements will be available for public inspection at the office of Windham Northeast Supervisory Union located at 8A Atkinson Street, Bellows Falls, Vermont when they are completed.

Sincerely,

Fothergill Segale & Valley, CPAs

Fothergill Segale & Valley, CPAs

Since being established in June of 1965, the Windham Regional Commission has been working with its 27 towns to help them address regional issues and provide effective local government. We are pleased and proud to have been able to provide that service for forty years, as we look ahead to another year of change and challenges.

Each town annually appoints two representatives to the commission. Athens's current representatives are Andrew Toepfer with one vacancy. Commissioners serve on a number of committees that mirror the concerns of the region and that form the core of the WRC. Current active committees include:

- Community Development, which focuses on issues relating to economic development, housing, downtowns and village centers, etc.
- Natural Resources, which reviews a wide variety of issues and projects that would impact—positively or negatively—the region's wealth of natural resources.
- Public Policy & Legislation, which meets weekly during the legislative session to discuss issues and policies with an invited legislator.
- Transportation, which oversees a variety of regional transportation planning efforts and helps to coordinate statewide transportation issues with Vermont's ten other regional commissions.
- Plan Review & Coordination, which reviews town plans (upon request by a town) and conducts an annual series of varied and interesting education programs.
- Project Review, which meets to review and assess specific projects—usually projects that are before the District Environmental Commission or the Public Service Board—as they relate to the Windham Regional Plan and to guide staff participation in related hearings.

The WRC also provides staff and administrative support to the Local Emergency Planning Committee. LEPC's are regional bodies made up primarily of emergency response officials, with a task to develop emergency plans to prepare for and respond to chemical emergencies. In practice, the LEPC in this region has evolved into an "all hazards" planning group that assists emergency planning, response and recovery of all types.

The WRC assists member towns with a variety of projects, some very local and others serving more than one town. These include helping with town plans and land use regulations and specific town projects, and in 2005 it also will include an extensive educational and assistance effort relating to the major changes that were made to Vermont's municipal planning and land use laws in 2004. Regional efforts include the Brownfields Reuse Initiative, the regional transportation planning project and its many components, assistance with special projects such as supporting the creation of a new regional public transit agency last year, and an increased level of activity in energy-related issues, such as two anticipated wind energy developments and several Vermont Yankee proceedings.

The WRC's Geographic Information System (GIS) Service Center also responds to a variety of municipal needs by creating data bases and maps for town plans and related projects, including maps of protected lands, land cover and natural resources, past and current development patterns, and others. Working with Planning Commissions, Conservation Commissions, schools and non-profit groups, the WRC has assisted with mapping to support recreation development along rivers and ridgelines and land conservation of special areas.

The WRC's core budget is partially funded by member town assessments. The \$1.46 per resident rate and population of 340 will result in a total assessment of \$496.00 from Athens for the new fiscal year. Athens may wish to budget additional amounts for town-specific work needed from the WRC. For information on the WRC and its programs, contact your Town Representative or the WRC office at 139 Main Street, Suite 505, Brattleboro, (802) 257-4547; our e-mail address is: wrc@sover.net. Visit our website at www.rpc.windham.vt.us.

December 16, 2004

Ms. Darlene Wyman
Town Clerk
25 Brookline Road
Athens, VT 05143

Dear Ms. Wyman,

The Council On Aging for Southeastern Vermont, Inc. requests \$200 from the Town of Athens to be appropriated at the March 2005 Town Meeting. This is the same amount that we requested last year. We recognize that towns are facing the same tight budgets as those who provide human services to the towns. We appreciate the continued support of the Town of Athens.

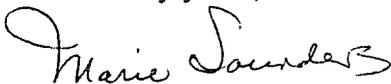

Our major funding source is the Older Americans' Act which requires 15% local match to leverage 85% Federal funds, an outstanding investment in a time of limited resources. COASEV's funding is further complicated by the changes that occurred in the 2000 Census, showing a growth in the elder population reflected in a growth in the number of clients we serve. There has not been a corresponding growth in income which continues to be level funded.

Thank you for the release of funds for this fiscal year. Enclosed is an Athens Annual Report from COASEV, Inc. It spells out the range of services we provide to your senior citizens and their families.

Our Advisory Council membership includes town appointed liaisons. We appreciate the appointment of Sherry Maher and hope that you will continue to appoint her. The liaison's responsibilities include serving as a link between your town and COASEV, participating in the development of an area aging plan, and attending informational meetings scheduled the last Wednesday of each month.

If you need additional information, please let me know.

Sincerely yours,

Marie Saunders
Executive Director

C: Sherry Maher

*Providing the information
and assistance necessary
to enable seniors to
achieve a safe, healthy,
rewarding and fulfilling life,
in a setting of their choice*

2004 ANNUAL REPORT

The Council on Aging for Southeastern Vermont, Inc. (COASEV, Inc.) fosters and supports successful aging of seniors in the Athens community and throughout Windham and Windsor Counties. COASEV staff, along with seniors and other community members, develop, advocate, coordinate and assure access to services which enhance the quality of their lives in Athens. To accomplish this mission in Athens we provide direct services as those listed below, as well as work collaboratively with other organizations in Athens.

- ◆ **Information and Assistance** – Through the Senior Helpline at 1-800-642-5119 – Providing resources, tips, applications for benefits, and assistance with health insurance information.
- ◆ **Senior Nutrition** – Home delivered meals are arranged and congregate meals are available in Grafton, Townshend, Saxtons River and at the Bellows Falls Senior Center.
- ◆ **Transportation** – Special arrangements are made for non-Medicaid seniors requiring medical transportation.
- ◆ **Case Management** – Providing one on one case management to those wishing to stay in their community and by managing the Medicaid Waiver program which provides nursinghome like care. With self-neglect referrals we assist the individual to become aware of and access services thus regaining control of their lives. 14 clients (a 133.3% increase over 2003) are currently receiving these services at an annual cost of \$11,830.
- ◆ **Advocacy** – Assisting with accessing a wide array of benefits such as VHAP pharmacy, fuel assistance, food stamps, telephone lifeline, tax rebates, and Supplemental Security Income. These services are provided through home visits.
- ◆ **Care Giver Respite** – Through grants we are able to provide respite assistance for caregivers of those diagnosed with dementia and other chronic diseases.
- ◆ **Senior Companion Program** – Providing friendly visiting as well as a stipend employment opportunity for older, limited income workers.
- ◆ **Planning** – for seniors is accomplished by working with legislators, other agencies, and the communities we serve.
- ◆ **Successful Aging Initiatives** – Providing a series of small community grants for groups and organizations to create and expand their programs.

Your town contribution of \$200 will generate \$1,133 in Federal matching funds. Services are provided at no cost but participants are encouraged to make anonymous, voluntary contributions. The support of Athens citizens as well as that of the hundreds of volunteers and dedicated staff make these services possible.

Submitted by Marie Saunders, Executive Director

VISITING NURSE ASSOCIATION AND HOSPICE OF VERMONT AND NEW HAMPSHIRE
Home Care, Hospice and Family Health Services -- Report to the Town of Athens

The VNA and Hospice is like the local police and fire departments - a strategic part of the community's safety net – with services that must be continuously available to anyone in need. The need varies dramatically from month to month and year to year. The VNA provides a comprehensive range of care, requisitioned by hospital staff and physicians, for everyone, regardless of ability to pay. Regardless of ability to pay, we are committed to provide care those uninsured and under-insured individuals residing in the communities we serve to access needed and medically necessary, skilled-level home-health services

We value the continued partnership with the Town of Athens to help us meet your residents' home care, hospice and family health needs. Town funding accomplishes the following:

- Enables your family, friends and neighbors to remain independent and at home as they receive skilled clinical care during times of injury, recovery from surgery or accidents, disability, whether for short-term and chronic illness. For many such patients, many are addressing multiple medical, emotional and social issues at the same time.
- Provides emotional support plus pain and symptom management during terminal illness. Hospice care extends to family members as well. More and more patients want to be at home during their end of life, and through Hospice they have that control.
- Provides community-wellness programs and assistance to young families at risk. Clients range from fathers and/or mothers who want to be more effective parents through learning parenting skills or providing a balanced diet; infants and young children who have chronic illnesses requiring long-term support and care.

The VNA provided the following services this past year: (July 1, 2003 through June 30, 2004)

Home Care	
Skilled Nursing	107
Physical Therapy	35
Occupational Therapy	01
Medical Social Worker	02
Home Health Aide	05
Total Visits	150

On behalf of the people we serve in your community, thank you for your continued confidence.

Respectfully submitted,

Susan H. Larman, BSN, MBA
President and CEO

46 S. Main Street, White River Junction, VT 05001-7911

BELLOWS FALLS AREA SENIOR CENTER ANNUAL REPORT

Another busy year! As anticipated, the Center's momentum continues to grow with additional activities and greater participation.

The Meals program, in cooperation with the Council on Aging, home-delivered 12,000+ meals; the dining room, at maximum seating capacity of 55, served 13,000 meals. Over one hundred seniors participated in the annual picnic, Thanksgiving, Christmas and Easter dinners have become events which are well-attended by seniors from the area. All meals are available to those 60+ years of age at a suggested donation of \$2.50 but are also available to those who are unable to contribute.

Transportation during the year was at times questionable due to changes in the local van availability. However, continuation of the contracted services was maintained and daily pickup routes in Saxtons River and Westminster were made available. Rides are provided for all seniors participating in the Center's meals, in-house activities, weekly shopping, out-of-town shopping and excursion trips under 5310 contract. The van purchased last year by the Center was manned by volunteer drivers for the most part and assisted in providing additional trips and backup for the 5310 van.

The traditional activities (arts & crafts, ceramics, bingo, cards, ice cream socials, monthly birthday cake celebration, computer instruction, line dancing, monthly pedicures and blood pressure clinic, music) are now supplemented by a photography and Red Hat groups. Steps for Healthy Aging (in cooperation with Council on Aging), chair caning classes and bone builders class will be added during the fall of 2004. A variety show, spelling bee with Kurn Hattin Homes, art exhibit in cooperation with R.A.M.P. at the Exner Gallery, health clinic, Christmas Bazaar and auction were additional highlights of the year. Weekly food sales are assisting in raising funds for a new dishwasher. In cooperation with the VNA, the annual flu clinic was held here in October. Free tax preparation and 55+ Driver Safety seminar were offered courtesy of AARP. Our seniors continued to volunteer for our many projects and fundraisers, raising over \$9,000 this past year.

Our monthly Tattler newsletter is distributed to seniors for a nominal fee. It incorporates information on upcoming events, weekly activities, health issues, birthdays, and a joke or two. Our new brochure featuring relevant information is distributed within the five areas served by the Center.

Guest speakers are invited to address seniors at the noon meal on various subjects including health, nutrition, medicare, health-care systems.

Because of its continuing growth, the Center has found it necessary to provide more space for meeting and gathering space. Thus, a new gathering room is now available on the first floor. Activities occur for the most part on the second floor. A new handicap-accessible bathroom is planned for the first floor within the coming months. Volunteers have worked diligently on our grounds to improve the outside appearance as well. Increased use of the Center necessitated provision of additional parking spaces.

We continue to scrutinize costs; and in so doing, we have been able to request level-funding for the past five+ years and will do so again this year. We thank the voters of for their continued support and concern for seniors.

Pat Noble, Exec. Director

**Vermont Department of Health
Annual Report - Town of Athens 2004**

The Vermont Department of Health works to protect, improve and promote the health of Vermonters. The following are some of the Department's services that are available to residents of Athens.

Special Supplemental Nutrition Education Program for Women, Infants and Children ('WIC'):

One of the most effective ways to improve the health of the overall population is to improve nutrition and physical activity. WIC improves the health of pregnant and postpartum women, infants and young children by assuring access to health care, teaching families about good nutritional practices, and providing an individually designed package of nutritious food to eligible individuals. During 2003, 20 women, infants and children living in Athens received foods as well as health screenings and individualized nutrition education through this program. The average value of foods provided is \$40.00 per person per month.

Town Health Officer Program: Every town in Vermont has a town health officer who is nominated by the select board and appointed by the commissioner of health. Town health officers work on a variety of environmental and health issues, and respond to calls on public health concerns as varied as animal bites, West Nile virus, rental code complaints, and septic systems. The Health Department supports health officers with training, information and technical assistance. From July 1, 2003 – June 30, 2004, the Health Department assisted health officers in Windham County on 60 different occasions.

Reportable Disease Case Investigations: Infectious diseases continue to be a major source of illness, disability and death in the U.S. and Vermont, accounting for 25% of all doctor visits each year. The Health Department investigates all cases of disease such as meningitis, hepatitis, West Nile virus, pertussis (whooping cough), and infectious diarrhea to determine their source, to recommend control measures (including current treatment standards) and to prevent further spread of the disease. In 2003, the department investigated 141 cases of disease in Windham County. No human cases of West Nile virus were reported in this last year and only one positive bird report occurred in the county of the 114 reported. As needed, local offices will also operate vaccination clinics to distribute medication to prevent infection. Eight hundred seventy people were vaccinated at a community flu clinic in November 2004.

Food & Lodging Inspections: National surveys show that more people are eating out more often. Public health sanitarians inspect eating establishments (restaurants, schools, fairs) to decrease the risk of food borne disease outbreaks. The five greatest risks for food borne outbreaks are: keeping food too long at improper temperatures, inadequate cooking, contaminated equipment, food from an unsafe source, and poor personal hygiene among food handlers. Inspections include review of a 44-item check list to evaluate food storage, preparation and handling as well as to identify where there is a high likelihood of practices contributing to illness if left uncorrected. For the most recent inspection scores and results in your area, please go to www.healthyvermonters.info and select "Program List" then scroll down to "Division of Health Protection" and select "Restaurant Inspection Scores."

Recent challenges addressed by the Health Department include public health emergency preparedness, development of additional substance abuse treatment opportunities, and the reorganization of the Agency of Human Services, which shifted Vermont's mental health efforts to the Department of Health. This past year, the Department also increased its services to women age 40 and older to help them access screening for conditions like diabetes and cardiovascular disease in addition to screening for breast and cervical cancer. If you would like more information about these and other Health Department activities or if you have a public health concern, please call the Brattleboro District Office (802) 257-2880. For information about public health, Department initiatives, publications, and news releases go to the Department's website at www.healthyvermonters.info.

December 10, 2004

Darlene Wyman, Clerk-Treasurer
Town of Athens
56 Brookline Road
Athens, VT 05143

Dear Ms. Wyman,

The Women's Crisis Center formally asks that you place its request for \$450 from fiscal year 2006 funds on the warning for the March, 2005 town meeting. We are grateful for the increase we received last year, and so are requesting level-funding this time around.

During the fiscal year July 1, 2003 through June 30, 2004, the Crisis Center responded to crisis telephone calls (and/or in-person meetings) from or on behalf of 17 known residents of Athens (and several hundred more who did not specify their location, some of whom may well have been from your town). We also provided community education, outreach, and emergency response services to the whole of Windham County.

As always, we very much appreciate the support given us by the Town of Athens and will, with your help, continue to do everything we can to provide quality services to the women and children of your town who need us.

As in past years, I've enclosed a Statement of Services which may be printed in the Town Meeting handbook. Please feel free to contact me should you need any further information.

Sincerely,

Susan Friedelson
Administrative Coordinator

A United Way Agency

LeFevre Ambulance Service, Inc.

104 Atkinson Street
Bellows Falls, Vt. 05101

Phone 802-463-3636
Fax 802-463-0023

Another year passed in 2004 as we completed our 23rd year of service to the region. We have grown to become a true regional ambulance service, providing Emergency Ambulance Services to nine (9) communities in seven (7) towns in Vermont and New Hampshire. Over the years, we have been able to become a premier provider of Emergency Medical Services, dedicated to delivering professional, competent, and caring service to our residents and visitors. We are proud of this accomplishment, while recognizing the importance of the support of the towns in helping us to reach this goal, and look forward to continuous partnership with the communities for years to come.

2004 proved to be another good year for LeFevre Ambulance Service. Not only in the volume of responses, but the professional growth of our staff as well. Our members have continued to expand their levels of certification, resulting in a consistently higher level of care provided to those in need. We recently hired another Paramedic. There is an ever increasing demand for their skills. Also, several of our staff have upgraded their skills from Basic to Intermediate level.

During 2004 we purchased a 2003 GMC Sonoma extended cab pick up truck for use as our Intercept vehicle. This has proven to be very satisfactory.

LeFevre Ambulance Service has again been active in the area of education. Our staff has been instructing and coordinating EMS courses of all levels for the local EMS district, benefiting all interested towns and services within the area. Anyone wishing information on these classes is encouraged to call our non-emergency number for information.

Monthly training sessions are also held at our office in Bellows Falls. Any interested parties are encouraged to attend. Please call 463-3636 for a schedule of training.

We responded to the following calls in Athens in 2004:

Emergency Calls	8
Emergencies without Transport	3
Other	<u>1</u>
Total	12

We are grateful for the opportunity to be the provider of ambulance service to the town, and we are committed to the provision of the highest quality service available and look forward to continuing with this level of service. We would be remiss if we did not also acknowledge the superb services of the Saxtons River Fire and Rescue Departments, whose dedicated, capable members allow the system to function at its best. A tremendous thanks to all of them.

Our telephone numbers for your convenience:

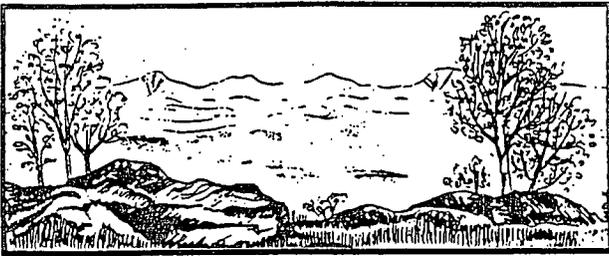

Emergency	(802) 463-4223	Fax	(802) 463-0023
Non-Emergency	(802) 463-3636/463-9299		

Respectively submitted,

LEFEVRE AMBULANCE SERVICE, INC.

Gerald R. LeFevre, President

"WE CARE ABOUT PEOPLE"

WINDMILL HILL PINNACLE ASSOCIATION
218 Barnes Road
Putney, Vermont 05346-9007
(802) 387-5737 Fax (802) 387-8720
email: rbmajor@sover.net

This article from Windmill Hill Pinnacle Association should be of interest to the townspeople of Athens.

There are now approximately 1401 acres preserved including a variety of natural woodland habitats. This year a recently acquired 35-acre parcel, with a spectacular 180-degree westward view, named "Athens Ledges" was carefully cleaned up of its large metal collection and is now returning to a more natural beauty. The view rivals that of the Pinnacle, which is 2 miles south.

As our conservation lands have grown to the north, so has the board reached out to more northern communities including Athens, Saxton's River and Bellows Falls to become more actively engaged in the project. A Northern Stewardship group has evolved to help care for these lands. New trails were laid out this year and have been created. A self-guided Nature Trail is in the works. WHPA works collaboratively with area preservation groups including The Putney Mountain Association and the Dummerston Nature Reserve. Currently it is possible to hike to the Pinnacle from over 6 access points and to hike along the ridge approximately 9 miles from the Athens Kiosk to Putney Mountain. Nature lovers enjoy the land year round with hiking, biking, cross-county skiing and snow shoeing. Everyone is asked to be respectful of the environment.

For many years most of the WHPA work has been carried out by a group of very enthusiastic elders from our community. A goal has been to get younger people involved both on the board and in the field (woods). Recent additions to the board bring new energy and ideas. New members are partnering with experienced ones to learn the ropes. School groups are involved in trail work and in studying the land. Compass Middle School students studied the natural and cultural history of the land and created a brochure for a self-guided tour. High school students from the Compass School did an ecological study of the trees. Trail work was done this summer by the Vermont Conservation Corp.

The WHPA welcomes (and needs) community involvement in many forms. Volunteer work on the trails, board involvement and financial donations are all needed to care for the land already preserved. We wish to thank the many volunteers and local schools who have helped this year. We also thank our membership and those who have been able to donate funding for land acquisition and maintenance. Meetings of the WHPA board are open and generally held on the first Tuesday of the month at 7 p.m. at the Westminster West Congregational Church.

Respectfully submitted,

Claire LeMessurier, for the WHPA Board of Trustees
