

FOR IMMEDIATE RELEASE  
March 15, 2011

**\*\*\*MEDIA ADVISORY\*\*\***

**Lt. Governor Phil Scott to work at AllEarth Renewables on Thursday**  
*Part of his "Vermont Everyday Jobs" Initiative*

DATE: Thursday, March 17  
TIME: 1:30 - 4:30 PM  
PLACE: AllEarth Renewables  
94 Harvest Lane, Williston

***Directions:*** From exit 12 off Interstate 89, drive East (North) on Route 2A to Route 2. Turn left onto Route 2, proceed 0.2 miles to the traffic light, turn left onto Harvest Lane.

On Thursday afternoon, Lt. Governor Phil Scott will assemble a solar tracker at the AllEarth Renewables manufacturing facility in Williston, then help install it at the new 2.2 MW solar installation in South Burlington, scheduled to be completed this summer. During this visit, the Lt. Governor will participate in the manufacturing and installation process for what will be the largest solar generation facility to-date in the State of Vermont.

**About Lt. Gov. Phil Scott's "Vermont Everyday Jobs" Initiative**

Lt. Governor Phil Scott started his "Vermont Everyday Jobs" initiative to promote Vermont businesses and highlight the hard work that Vermonters do every day in all areas of our economy. By finding out firsthand, and in a hands-on manner, what it takes to make Vermont businesses work, the Lt. Governor will gain a better understanding of what state government can do to help those businesses work better. The tour will also help to facilitate relationships and ongoing dialogue between Vermont business leaders and their representatives in state government.

In previous "Vermont Everyday Jobs," Lt. Governor Scott has checked lift tickets at Stowe Mountain Resort, worked in the Emergency Department at Porter Hospital, worked with a Green Mountain Power line team, and changed oil at Vermont Quicklube.
