5. Correspondence:

- a. The Vermont Dental Hygienists' Association submitted a continuing education request for attendees of the Annual Meeting of the Vermont Dental Hygienists' Association for an exhibit hall of 20-25 vendors. The Board has requested that the proposed documentation they are going to use be submitted for review. Once this is received the Board will re-review the request.

- b. Ronny Young, RDH emailed the Board asking if it is necessary for the dentist to actually do the periodontal probing for the comprehensive period exam or the comprehensive oral exam. The Board replied that the dental hygienist can do this.
  - c. Ashley Graffeo emailed the Board with advertisement/marketing questions. The Board responded that the statutes and rules do not specifically address this conduct and the Board has not addressed this issue in any unprofessional conduct complaint. Since the Board is not authorized to issue advisory opinions, it will not speculate on whether, or how, or under what circumstances such conduct would be permitted or prohibited. Please review the statutes governing Vermont dentists, including the unprofessional conduct statute, 26 V.S.A. § 584.
6. Other
- a. Dr. Jack Weaver has applied for licensure based on rule 4.4(a). He submitted a course from LSU that he wishes to take to be able to meet this requirement and become licensed. The Board responded that it needs more information before giving approval to LSU's program. The Board has requested that he have LSU provide the Board the specific course(s) or curriculum that it will require him to take to resume clinical practice. It is noted that Board rules 4.4 A and B are seen by the board as equivalent means to showing clinical competence. He should send a copy of rule 4.4 to LSU. Once LSU has submitted a response to the Board his request will be re-visited.
  - b. The Board had further discussion on the non ADA accredited school requirement. Attorney Novins will review Minnesota's rules regarding this and will draft a proposal for the board to review at its next meeting.
  - c. ADEX bylaws have changed. At present Dr. LeeAnn Podruch is the Boards representative to the ADEX Dental Examination Committee and Dr. John Lavoie is the Board's representative to the ADEX House of Representatives. ADEX voted to combine those two positions so the Board can only elect one candidate to serve both the Exam Committee and the House of Representatives. The Board voted to appoint Dr. John Lavoie to these Committees.
  - d. The Board's next meeting is scheduled for March 9th, 2016.
7. Public Comment
