Ms. Doss,

The Governor's Office is not the custodian of the records you seek. If you have not done so already, you may wish to follow up with the Vermont Board of Pharmacy directly:

I hope this information is helpful to you.

Thank you,

Subject: request for case information from Washington State Pharmacy Quality Assurance Commission

Hello,

I am an Investigator for the Washington State Pharmacy Quality Assurance Commission (Board of Pharmacy). Recently we became aware of an action taken in your state against a wholesaler license that maintains an out of state wholesaling license with us.

I would like to request information about these cases. Attached is an official request form with more details. Please let me know if you have any questions, are unable to supply the information, or if my question should be directed elsewhere, and to whom.

Documents can be mailed or scanned as PDFs and emailed. If there is a cost associated, please let me know.

Thank you very much and have a great day!
