Dear Shoshana:

I would like to congratulate you on your recognition earlier this month as a semifinalist in the 2011 Presidential Scholars Program. Not only have you represented the state of Vermont very well in this national competition, but it's also impressive that you were one of just five home-schooled students nationwide to have earned this achievement.

I commend you on all of your hard work and dedication, and I wish you all the best in college and in your future!

Best regards,

Phil Scott
