2022 Report for Mount Independence State Historic Site

497 Mount Independence Road Orwell, Vermont (802) 948-2000

www.historicsites.vermont.gov/mount-independence

\$6.00 for adults, free for children under 15

As of the time of this Orwell Town Report, it is hoped that the opening day for the Mount Independence State Historic Site will be Saturday, May 28, 2022. If all goes well, the site will be open 10:00 am to 5:00 pm Tuesdays through Sundays, through October 10. Thank you to those of you who supported the site in 2021. Many people enjoy being able to walk the trails all year.

The site hopes to have some special programs, including guided walks and lectures. Please check event listings later at www.historicsites.vermont.gov or www.mountindependence.org. Or call the site at 802-948-2000 after it opens.

When the site does open, remember that if you are a Mount Independence Coalition member you receive free admission to Mount Independence and all other Vermont State-owned Historic Sites. See www.mountindependence.org for information. Holders of Green Mountain Passports also receive free admission—available for all Vermont veterans and those 62 from your Town Clerk's office for a one-time \$2.00 fee.

May 28: Opening Day, 10:00 a.m.

- ❖ 8:00 a.m. is the "Early Bird Nature Walk" with Sue Wetmore. Meet in front of the museum, wear walking shoes, and bring your binoculars if you have them. Plan on spending the morning on this delightful walk.
- ❖ June 4: National Trails Day Guided History Walk.
- ❖ Details to be determined.
- ❖ June 11 and 12: Vermont Days Weekend.
- ❖ Free admission at the Vermont State Historic Sites and day use State Parks.
- ❖ September 3 and 4: Soldiers A-top the Mount Living History Weekend.
- ❖ Reenactors will be encamped at the site for this annual program. Please note that Sunday's offerings may be limited.

Auditors' Report

Jan 31, 2022

The undersigned, Auditors of the Town of Orwell, Vermont, have examined the accounts and reports of the various town officers and organizations for the 2021 calendar year. We declare them to be correct to the best of our knowledge and belief.

The financial statements submitted herewith represent fairly the financial positions of the Town of Orwell for the year ended December 31, 2021. The Town of Orwell prefers to operate on a cash rather than an accrual basis. To the best of our knowledge there are no outstanding expenses or receipts unaccounted for.

The reports and projects presented by various social service agencies have been accepted as is without further consideration or inspection. Copies of the various agency reports are available at the Town Clerk's office.

2021 was another year full of changes and challenges for everyone. Officers and the people of the town adjusted and adapted to the continuing pandemic, certainly the most unique of times for us all. Citizens of Orwell will continue to rise to this challenge. We thank all the people who have helped make our town government work! Stay well, stay safe!

Respectfully submitted,

Ted Michel

NOTICE TO VOTERS

For Local Elections

BEFORE ELECTION DAY:

CHECKLIST POSTED at Clerks Office by January 30, 2022. If your name is not on the checklist, then you must register to vote. **SAMPLE BALLOTS** will be posted by February 19, 2022.

HOW TO REGISTER TO VOTE: There is no deadline to register to vote. You will be able to register to vote on the day of the election. You can register prior by visiting the town clerk's office or going online to olvr.sec.state.vt.us.

REQUEST EARLY or ABSENTEE BALLOTS: You or a family member can request early or absentee ballots at any time during the year of the election in person, in writing, by telephone, email, or online at mvp.sec.state.vt.us. The latest you can request ballots for the **Town Meeting Election** is the close of the Town Clerk's office on **Monday, February 28, 2022**. (Any other person authorized by you who is not a family member must apply in writing or in person for a ballot for you.)

WAYS TO VOTE YOUR EARLY BALLOT:

- You may vote in the town clerk's office before the deadline.
- Voter may take his or her ballot(s) out of the clerks office and return in same manner as if the ballots were received by mail.
- Have ballot mailed to you, and mail or deliver it back to the clerk's office before Election Day or to the polling place before 7:00 p.m. on Election Day.
- If you are sick or disabled before Election Day, ask the town clerk to have two justices of the peace bring a ballot to you at your home. (Ballots can be delivered on any of the eight days preceding the day of the election or on the day of election.)

ON ELECTION DAY:

If your name was dropped from the checklist in error, or has not been added even though you submitted a timely application for addition to the checklist, you can fill out a new registration form.

- ! If the clerk or Board of Civil Authority does not add your name, you can appeal the decision to a superior court judge, who will settle the matter on Election Day. Call the Secretary of State's Office at 1-800-439-VOTE (439-8683) for more information.

If you are a first time voter who submitted your application to the checklist individually by mail and did not submit the required document, you must provide a current and valid photo identification, or a bank statement, utility bill, or government document that contains your name/current address.

If you have physical disabilities, are visually impaired or can't read, you may have assistance from any person of your choice. If any voters you know have disabilities let them know they can have assistance from any person of their choice.

If you know voters who cannot get from the car into the polling place let them know that ballot(s) may be brought to their car by two election officials.

If you have any questions or need assistance while voting, ask your town clerk or any election official for help.

NO PERSON SHALL:

- ! Vote more than once per election, either in the same town or in different towns.
- ! Mislead the board of civil authority about your own or another person's true residency or other eligibility to vote.
- ! Hinder or impede a voter going into or from the polling place.
- ! Socialize in a manner that could disturb other voters in the polling place.
- ! Offer bribe, threaten or exercise undue influence to dictate or control the vote of another person.

FOR HELP OR INFORMATION: Call the Secretary of State's Office at 1-800-439-VOTE (439-8683). (Accessible by TDD)

If you believe that any of your voting rights have been violated, you may file an Administrative Complaint with the Secretary of State's Office, 128 State Street, Montpelier, VT 05633.

If you believe you have witnessed efforts to commit any kind of fraud or corruption in the voting process, you may report this to your local United States Attorney's Office.

If you have witnessed actual or attempted acts of discrimination or intimidation in the voting process, you may report this to the Civil Rights Division of the United States Department of Justice at (800) 253-3931.

INSTRUCTIONS FOR VOTERS using Australian Ballots

CHECK-IN AND RECEIVE BALLOTS:

- Go to the entrance checklist table.
- Give name and, if asked, street address to the election official in a loud voice.
- Wait until your name is repeated and checked off by the official.
- An election official will give you a ballot.
- Enter within the guardrail and go to a vacant voting booth.

MARK YOUR BALLOT: For each office listed on the ballot, you will see instructions to "Vote for not more than one, or Vote for not more than two, etc."

- To vote for a candidate, fill in the oval to the right of the name of the candidate you want to vote for.
- **WRITE-IN candidate(s).** To vote for someone whose name is not printed on the ballot, use the blank "write-in" lines on the ballot and either write-in the name or paste on sticker, then fill in the oval.

IF YOU SPOIL YOUR BALLOT ask an Election Official for another ballot.
The limit is three ballots

CHECK OUT:

- Go to the exit checklist table and state your name in an audible voice.
- Wait until your name is repeated and checked off by the official.

CAST YOUR VOTE by depositing your voted ballot in "Voted Ballots" box.

LEAVE the voting area immediately by passing outside the guardrail.

Thank you for your help.

Respectfully,
Elizabeth "Betty" Walker, Town Clerk
Sharon Macedo, Assistant Town Clerk

Orwell Select Board Report 2021

Road Maintenance and ditching again continued into 2021. Orwell did not receive a State Grant for paving; therefore, the paving was limited to a short distance on Vermont Route 73 and a few spots on North Orwell Road. This was the 2nd year without a State Paving Grant. We continued to do ditching projects this year on Knox Hill Road. A \$10,920.00 grant reimbursement was received toward this project.

The Select Board's attention turned to Vermont Route 22A. We joined with the other towns of Shoreham and Benson in a letter campaign to the State Highway District Officials and to Governor Phil Scott. Our combined energies focused on the unsafe conditions and long overdue attention to upgrading this highway. We think this effort paid off. A stretch of Vermont Route 22A from West Haven to Orwell, will be resurfaced this spring. However, the more extensive improvements will not be scheduled until 2025/2026!

Our vote last year on the Gazebo has led to the formation of a Town Green Committee. They are studying the Town Green & Gazebo in a larger context with other needs of the Town Center. As their plans come together, we will be using Town funds matched with Grant money to achieve future needs. Look forward to an enhanced Town Green, featuring a new Gazebo in the center of it all.

Our survey late fall was intended for townspeople to give direction on major issues facing the town. UTV/ATV traffic on our town roads needs to be addressed. The results of the survey showed:

ARPA CATEGORIES	1-Most Important	2-Important	3-Neutral	4-Not Very Important	5-Least Important	Blank

The other issue is how the Town is to prioritize The American Rescue Plan Act (ARPA) Funds spending. There are restrictions. The survey listed a few areas that these funds can be used. We have until of 2024 to allocate the money and 2026 to spend.

The Vermont Route 22A Ballfield's ownership has been returned to the Town from the school system. Now all maintenance costs and improvements will be done with Town Funds. However, this gives the Town sole governance of the field. We look forward for ideas concerning its future uses with the possible formation of a new committee to organize and operate it. There are funds included in the 2022 Budget to achieve these needs.

Again, we need to recognize the efforts of so many volunteers and people who give their time and talents to make our community so vibrant. There is always room for another volunteer or candidate for any of our community endeavors. Feel free to come forward.

****GREEN UP DAY IS SATURDAY MAY 7, 2022****

*MANY THANKS TO ALL the Green Up helpers for 2021
Cindy Watrous and Barbara Young - another great job of service for Orwell*

The Select Board cannot succeed with this project without your help.

In order to keep our Town looking beautiful, we continue to need volunteers for the 2022 Town-wide and State Road-side cleanup.

**This Year Cindy Watrous and Barbara Young will be glad to sign you up for Green Up/Road Side Day.
Sign up sheet will be at Buxton's Store.**

Orwell Planning Commission and Development Review Board

2021 Report

The Planning Commission and Development Review Board had an active year. We saw a great deal of turnover this year, with several long-term members departing the board and several Orwellians stepping up to fill these roles. Many thanks to Robert Bogdan, David King, and Dave Larsen for their long service. Ken Carpenter will also be stepping down at the end of his term, and we thank him for all his help as well. We are excited to welcome Carter Mealey and Devon Duquette as our new members.

The main focus of the Development Review Board this year was trying to make the process easier to access for citizens. Given that DRB hearings are quasi-judicial in nature, following the proper procedures and making a case to the board at a hearing is important. This year, the board put together a package to be given to everyone when they request a hearing clearly outlining the procedures and giving them a series of questions to answer that help the DRB reach a decision. We welcome any feedback of ways we can make this process easier on everyone while still following the procedures laid out in the Orwell Land Use Regulations and under Vermont law.

The Planning Commission had two focuses this year. First, we applied for and received a Municipal Planning Grant for the purpose of updating the Town Plan, with a particular focus on the Village Center. More information about this will be coming in the near future—please keep an eye out for communications online and via mail. We need everyone to participate to make sure that the village's future reflects the wishes of the majority of residents. We can only ensure that if we hear from everyone in the town.

Near the end of the year, we began to turn our attention to the Land Use Regulations themselves. In talking to people in the town, we discovered there is frustration regarding some of the regulations. As a Planning Commission, we want to ensure the regulations reflect the vision of the majority of the town. We encourage anyone to bring concerns to us.

Our goals for the coming year are as follows:

1. The Development Review Board will continue to review its procedures and find ways to make the process more accessible while adhering to applicable regulations and Vermont law.
2. The Planning Commission will follow the plan laid out in the Municipal Planning Grant and fulfill its duties under that grant.
3. The Planning Commission will continue to hear concerns about the Land Use Regulations from citizens of Orwell, and investigate potential changes based on that feedback.

Listers Report 2021

It has been eleven years since The Town of Orwell has done a town-wide reappraisal. The software that we use to calculate property value changes was established in 2010. Many of the properties sold in the last year have sold for substantially more than the assessed value. Some have sold for less. This does not mean the value will change on the Grand List. Changes will occur when there is a change in acreage, or added improvements, such as porches, garages, or added square feet. All taxpayers will be notified of any change of appraisal.

High value sales does not mean that the town will collect more taxes. It means the assessed values are not in tune with the market and the town needs a reappraisal. This will be done in the next few years.

The listers are constantly updating the parcel maps. We are working with a new mapping company from Littleton, N.H. called CAI Technologies.

Due to Covid the listers will do their best to view property improvements from a distance.

ORWELL HISTORICAL SOCIETY MUSEUM

2021 Town Report

"Dedicated to the preservation and presentation of over 260 years of treasures from Orwell's past for present & future generations."

2021 kept us running under the radar. Like many public venues that were forced to restrict activities - due in large part to COVID restrictions and lack of staff - we weren't as publicly active as in years past. Still, we conducted a few intimate group tours, provided research on a good half-dozen genealogical requests, acquired a number donated documents of local historical printed matter, and restored a mid-1800s sleigh - which is now with another on display (both having been made right here in town - over a century ago!)

Volunteers are vital to the life of historical societies and we're in desperate need of assistance. TOWN OF ORWELL, VERMONT
TOWN MEETING INFORMATIONAL HEARING MINUTES

FOR THE
MARCH 2, 2021 TOWN MEETING

The Select Board for the Town of Orwell held a public Informational Hearing by electronic means on Tuesday, February 23, 2021, at 6:00 PM to discuss the Australian ballot Articles on the 2021 Town Meeting Warning.

Statement from the Select Board Chair.

As Chair of the Orwell Select Board, we find that, due to the State of Emergency declared by Governor Scott as a result of the COVID-19 pandemic and pursuant to Addendum 6 to Executive Order 01-20 and Act 92, this public body is authorized to meet electronically.

In accordance with Act 92, there is no physical location to observe and listen contemporaneously to this meeting. However, in accordance with the temporary amendments to the Open Meeting Law, I confirm that we are:

- a) Providing public access to the Information Hearing by an online video conferencing platform with additional access offered through telephone. We are using Zoom for this remote meeting. All members of the Orwell Select Board have the ability to communicate contemporaneously during this meeting through this platform and the public has access to contemporaneously listen and, if desired, participate in this meeting by using the chat function or pressing *6 on a phone when invited to comment or ask questions.
- b) Providing public notice of instructions for accessing the meeting. We previously gave notice to the public of the necessary information for accessing this meeting, including how to access the meeting using a land line telephone or computer, in our posted meeting agenda. *Instructions have also been provided on the town website at: townoforwellvt.org.*
- c) Providing a mechanism for the public to alert the public body during the meeting if there are problems with access. If anybody has a problem, please call 948-2032.
- d) Continuing the meeting if necessary. In the event of technical difficulties, this hearing will be continued on February 25, 2021 @ 6:00 PM using the same login information.

Town meeting was called to order at 6:00 p.m. by Moderator, Michael R. Audet.

Roll call attendance of the Select Board was taken. Thomas Audet, Chair, Robert Barnes, Rex Corey (Virtual), Bill Goddard, Vice-Chair and Dave Larsen (Virtual) were in attendance.

As per the Warning:

Article 1. Election of Town Officers. The polls are open from 10:00 a.m. to 7:00 p.m. at the Orwell Town Hall.
No public comment.

- Article 2. Shall the voters of the Town of Orwell vote to accept the Town Officers report submitted by the Auditors?
No public comment.
- Article 3. Shall the voters of the Town of Orwell vote to accept the report of the Board of Trustees of the Ethan M. & Eliza T. Wright Memorial Library, Inc?
No public comment.
- Article 4. Shall the voters of the Town of Orwell vote to appropriate \$15,000.00 for the operating expenses of the Ethan M. & Eliza T. Wright Memorial Library Building for 2021?
No public comment.
- Article 5. Shall the voters of the Town of Orwell vote to appropriate \$4,000.00 for the purchase of books and materials by the Orwell Free Library?
No public comment.
- Article 6. Shall the voters of the Town of Orwell vote to appropriate \$200.00 for St. Paul's Cemetery in order to defray a portion of the 2020 maintenance costs?
No public comment.
- Article 7. Shall the voters of the Town of Orwell vote to appropriate \$2,200.00 for the 2022 operating expenses of the Orwell Parade Committee?
No public comment.
- Article 8. Shall the voters of the Town of Orwell authorize the purchase of a 1.06 acre piece of property next to the Firehouse, for the purpose of facilitating drainage and run-off issues, in the amount of \$26,000, to be paid for in two years?

Dan Gosselin sent in numerous questions via email. Have there been any complaints from homeowners "down stream" of the water run off? The Select Board shared a concern about the run-off from the salt shed. The Select Board wrote a grant through ACRPC to study the seriousness of the run-off and a solution. Bill Goddard stated that they are trying to be proactive, we have stormwater rules to follow. Thomas Audet stated that the grant received was in the amount of \$15,000. Mike Winslow, ACRPC, put out the proposals. The committee selected the engineering firm Watershed Consultants of Burlington. They have worked with several towns around the State. See attached letter from Andres Torizzo, Principal, Watershed Consulting, in reference to the Orwell Highway Department Stormwater Management Project.

Has the firm provided a report of their study conducted on this water run-off? The study has not taken place yet. Bill Goddard said the firm will make a presentation. Then go over the positive and negative points of each design and choose one. This will take place over the spring and summer.

What is the proposed solution to the water run-off and does this pose some sort of immediate action to fix? If the proposed solution is a sediment pond, what does that cost? What will be the final cost to taxpayers for this project? State permits needed? Will you run into environmental issues when applying for the permit? Safety precautions ...will a fence need to be installed around the pond? Is there maintenance associated with the pond? Who is in charge and will we have to hire someone every year to do this? Thomas Audet stated that these questions are way ahead of the project. This all will be dealt with by the engineering company.

Has the town considered other solutions to the water run-off project? For example the parking lot for the Firehouse/Highway Department desperately needs paving. As part of this Maintenance Project of town property the existing pavement would need to be ripped up and regraded. Could this potentially change the water run-off flow or worse case scenario you now have a pond that no longer has water flowing to it. Bill Goddard stated that the Select Board is interested more in containment. As part of their design work the engineers inquired if the Fire Department would like a newly paved parking lot. What about a new building that would contain our road gravel? This could be a potential solution and containment of your run-off of road gravel that seems to be causing the issue. Bill Goddard replied that as a board we considered a positive solution. The building we are using for salt is an old inadequate State shed and our sand is outside exposed to the rain and snow. We are hoping this company has a proposal to update that which might help with containment. Rex Corey said we hope to build a new salt and sand shed which will have drainage around it and a containment pit. Dave Larsen stated that we hired an engineering firm but it is too early to give an answer to all these questions. We received a grant to do this study and it would be irresponsible not to use it. We will give the results of the study before going any further. Paul Stone stated that in the late 90's they blasted out stone behind the salt shed, so some work was started. Sharon Fletcher said that the Select Board is asking to purchase the land before knowing a plan. Thomas Audet replied that he had talked to the owner of the property, we had until March, and then they were going to put the property on the open market. Part of our solution is being proactive. Bill Goddard stated that the property has opportunities for other uses. This property can house a small shed to store smaller equipment. The electric bill for the Town Garage is around \$10,000 yearly. This could be a potential solar spot to offset this cost. Rex Corey said this is a building lot with sewer accessibility and could have run-off onto this property from the Town Garage area. Dave Larsen agreed stating that this could be a potential liability for the Town. Patricia Dougherty asked if the purchase will allow access to the back of the firehouse? The answer is no, there is only a 100' access into the right-of-way. Dan Gosselin also wanted to know, because the water run-off and property borders Route 73, a State road, if the State has been contacted and if any of this water run-off is their responsibility to fix? Thomas Audet said that the answer to this will come from the engineers. Ted Michel inquired where this parcel of property is. It is to the west of the firehouse building and the driveway of Hannah Brown and Sean Seguin. Sean Seguin asked how the retention pond was going to be handled? Dave Larsen replied that this has not been decided. The engineers will have answers before we would proceed. This is too early to answer. Sean Seguin asked how the Select Board justifies the purchasing of this land while also cutting the gravel budget? Dave Larsen stated that they have re-upped the gravel budget and the property is only available for a short time. Sean Seguin asked if the property owner contacted a local real estate agent in the summer of 2019 to sell that property? Thomas Audet replied that he did not contact the property owner until the summer of 2020.

- Article 9. Shall the voters of the Town of Orwell authorize the refinancing of \$350,000, into a 20 year note at a 2.25% interest rate, to pay for the improvements that were made to the Sewer Plant in 2019 and 2020?

Patricia Dougherty asked what the state of the Treatment Plant is after the work that was done. Thomas Audet stated that it is in good shape and should be good for at least 15 years and it's always ready for expansion.

- Article 10. Shall the voters of the Town of Orwell vote to replace the Gazebo on the Town Green at a cost not to exceed \$20,000?

Sharon Fletcher thinks the purchasing of a new Gazebo is a great idea. Will there be enough money to also fix the benches and the picnic tables on the Town Green? Thomas Audet stated that was a good point and yes there should be.

- Article 11. Shall the voters of the Town of Orwell vote to have the Treasurer collect taxes on real property on or before November 10, 2021, by delivery to treasurer postmarked on or before that date?
No public comment.
- Article 12. Shall the voters of the Town of Orwell vote delinquent taxes and delinquent sewer rents to have an 8% penalty charged against them and a 1% interest per month added from the due date?
No public comment.
- Article 13. Shall the voters of the Town of Orwell vote to conduct the next annual municipal meeting to be held at 10:00 a.m., Tuesday, March 1, 2022, per 17 VSA §2640? (Election of Town Officers by Australian ballot will be on Tuesday, March 1, 2022. See Article One.)
No public comment.
- Article 14. Shall the voters of the Town of Orwell vote to accept the proposed 2021 Town Budget in the amount of \$1,134,700.89, of which \$675,618.97 shall be raised by taxes and \$459,081.92 by non-tax revenues?
Paul Stone understood that the Gravel Budget was decreased. Thomas Audet said last year the Highway Budget for gravel was \$75,000 but only \$56,000 was used. We are going to try and use gravel from the sides of the road. Rex Corey said we are trying to get gravel out of the ditches and back on the road and get the ditches cleaned out and build the roads back up. Paul Stone doesn't see how that will work. Rex Corey said they are trying to clean the ditches to keep the water off the road.
- Article 15. Shall the voters of the Town of Orwell vote to accept the proposed 2021 Sewer Budget in the amount of \$176,743.22, such amount to be raised by user rents and dumping fees?
Paul Stone said he figured the total cost was around \$500,000 and is hoping this will last 20 years as we will be doing this again. Please get this note paid.
- Article 16. Shall the voters of the Town of Orwell appropriate funds for End of Life Services, Inc. f/k/a Hospice Volunteer Service, **\$500.00**, to be used to provide volunteer care to terminally ill patients in the Town of Orwell?
No public comment.
- Article 17. Shall the voters of the Town of Orwell appropriate funds for Age Well (formerly CVAA) **\$1,000.00**, funds to be used for Meals on Wheels, Case Management, Transportation and toll-free Senior Help Line?
No public comment.
- Article 18. Shall the voters of the Town of Orwell move to appropriate funds for Parent/Child Center, **\$1,250.00**, funds to be used to support classes, transportation, infant care, and family education services used by town residents?
No public comment.
- Article 19. Shall the voters of the Town of Orwell appropriate funds for Counseling Service of Addison County, Inc. **\$1,500.00**, funds to be used to help pay part of the cost of providing mental health care to town residents?
No public comment.

- Article 20. Shall the voters of the Town of Orwell appropriate funds for H.O.P.E., Inc. **\$1,750.00**, funds to be used to help defray a part of cost of providing housing, fuel, food, clothing and other essential items?
No public comment.
- Article 21. Shall the voters of the Town of Orwell appropriate funds for Addison County Women Safe, Inc., **\$1,250.00**, funds to be used to support their mission to: work toward the elimination of physical, sexual and emotional violence against women and their children through direct service, education and social change?
No public comment.
- Article 22. Shall the voters of the Town of Orwell appropriate funds for Addison County Home Health and Hospice, Inc., **\$1,650.00**, funds that provides home health care services to infants, children and adults referred by their physicians, regardless of their ability to pay?
No public comment.
- Article 23. Shall the voters of the Town of Orwell appropriate funds for RSVP Retired & Senior Volunteer Program, **\$320.00**, funds to support RSVP in 2021?
No public comment.
- Article 24. Shall the voters of the Town of Orwell appropriate funds for Tri-Valley Transit (formerly ACTR), **\$775.00**, funds to maintain and improve transportation services for elders, persons with disabilities and the general public?
No public comment.
- Article 25. Shall the voters of the Town of Orwell appropriate funds for Addison County Readers, **\$350.00**, funds for the purpose of improving literacy skills for children under 5 years of age?
No public comment.
- Article 26. Shall the voters of the Town of Orwell appropriate funds for Addison County Restorative Justice Services, Inc. (formerly ACCD), **\$370.00**, funds to provide restorative justice projects for offenders who have potential to learn from their mistakes and avoid incarceration and a criminal record?
No public comment.
- Article 27. Shall the voters of the Town of Orwell appropriate funds for the John W. Graham Emergency Shelter, **\$1,000.00**, funds to be used to provide shelter, food and services to homeless family and individuals?
No public comment.

Thomas Audet stated that this hearing happened because we have many volunteers and employees with a lot of anxiety and patience and it all started last March/April.

On behalf of the Select Board and the Planning Commission/Development Review Board, I would like to thank Bryan Young who made it possible to continue to have meetings for these boards through 2020, through the use of Zoom that was set up and run by him. Bryan Young attended a lot of meetings in 2020!

We also would like to thank Kate Hunter for managing this Informational Hearing for Town Meeting 2021 tonight. This is her 3rd trial with us.

Also, a special thanks to Betty Walker and Sharon Macedo for fighting their way through so many new regulations, etc. to do this right.

Hearing Adjourned at 6:58 PM until March 2, 2021, for voting of Officers and Articles.

Attest: Elizabeth Walker

Town of Orwell Wastewater Treatment Facility

Calendar Year 2021

The Town of Orwell Wastewater Treatment Facility has enjoyed another year of permit compliance and excellent treatment of the wastewater entering the facility. The Facility continues to improve in compliance and operations. Proactive and forward thinking by the Select Board/ Sewer Commissioners continues to provide the Facility with the support that allows the Facility to perform at maximum compliance.

The sludge removal from lagoon #1 and the completed aeration/electrical upgrade completed in 2019 set the stage for the final phase of the modernization and efficient operation of the treatment process.

The sludge removal project for lagoon #2 was completed in 2021 further augmenting the treatment process. The Facility and sewer users now enjoy the benefits of the projects conducted over the last few years.

A twenty-year engineering evaluation was completed in December, 2021 and sets forth guidance for future improvements and preventive maintenance projects to further improve the Facility and collection system. This proactive approach continues to insure permit compliance and a quality effluent.

The users of the Town of Orwell Wastewater Treatment Facility and the Town in general are fortunate to have a Select Board that supports the efforts to provide a well-maintained Town and Facility. Their commitment to a proactive approach has provided a Facility that the Town can be proud of.

As always the staff of the Wastewater Treatment Facility welcomes visitors and will be more than happy to conduct a tour of the Facility to any interested parties.

Respectfully submitted,
Edward Tracey

Operating the library under the continued COVID-19 pandemic presented challenges. We offered little indoor programming, a real loss for our normal operating structure, and were intentional about library usage and availability. Using the extra hours normally devoted to programming at OFL, we wrote grants, created story time videos with community farmers and professionals, focused on the library collection, offered a 4-week summer camp for Orwell youth, and sought ways to better support and work with community groups.

This year we received over \$33,000 in grant funding. With those funds and in-kind donations, we provided high quality equipment and tech support to the Select Board for the 2021 Virtual Town Meeting Informational Session, increased our wireless internet reach throughout the village green, purchased new patron and staff computers, increased our outdoor outlet availability, and provided 4 weeks of free day camp to Orwell youth in collaboration with Orwell Village School staff.

Summer Camp and the teen and preschool programming (supported by the Summer Matters Grant) gave 72 Orwell children access to quality activities. These events and camps were created to bring children together and give a feeling of hope and support after a year of stress and unknowns. Our camp themes included The Great Outdoors, STEM, Art, Music, & Movement, and Games, Games, Games. Young families participated in outdoor story time events and teens came to the library weekly for pizza and activities. This July was one to be remembered.

Outdoor Story Time on the Town Green

Another offering of note from 2021 is our Virtual Story Time videos, available on our website. We visited sites around Orwell to capture what makes this village special. A heartfelt thanks to our various hosts!

In the spring, Ramona Akpo-Sani stepped down from her position as the library assistant after many years of library service. Ramona worked diligently as a Trustee in the early 2000's writing policies and preparing the library for our online catalog. As the library assistant, she catalogued many titles and welcomed community members into our space for 3 wonderful years. Her leadership in bringing the library into the 21st century is to be commended. Thank you, Ramona.

At the library, we offer:

- free 24/7 WIFI in our parking area and around the town green.
- public computers for use during open hours.

- computer, device, and internet help.
- a meeting place for local groups.
- a public gallery for local artists to display their work.
- access to an online library of informational databases.
- access to online libraries of eBooks, audiobooks, movies, and more.
- a place to donate used, in good condition, books and media.
- new and emerging technologies to experience, like VR.
- a “Library of Things” including an egg incubator, wood moisture reader, projector & screen, Kindle, board games, puzzles and more to borrow.
- Passes to local attractions

Lucas Family at our Harvest Sale

Over the course of a few months, a committee of Library Trustees, Wright Board members, and the librarian created a document that lays out the responsibilities of each board and the procedures for working together. The OFL Board approved the Responsibilities Agreement in September and created a liaison position to aid in communication and future positive outcomes. We all agree, our building in the center of Orwell village is a treasure to be maintained with care.

We thank the community for your enthusiastic support of our biannual sales. The majority of our operating funds are raised during these events.

Orwell Free Library is ever grateful to local taxpayers for their continued support.

GFWC Orwell Fortnightly Club Annual Report 2022

The Orwell Fortnightly Club was founded in 1898. Women of the community came together for friendship, education and literary discussion. In 1904 Fortnightly joined the State Federation of Women's Clubs and in 1905 the National Federation of Women's Clubs. Today our mission is one of service to our community of Orwell through our projects and scholarships.

As all of us have had the shared experience of the ongoing Covid pandemic which caused a shut down in mid March of 2020 the Fortnightly Club did not meet from December of 2019 until October of 2021. We did have Zoom meetings in the Spring of 2021 but club activities were on hold until this fall. This included any fund raising we do to support our community work.

Fortnightly, thanks to community support of our Pet Stocking sale and Bake sale in early December, was able to continue most of our projects. The garden by the Congregational Church was tended and watered by the Fortnightly garden committee. In the past year we continued to support the Whiting Food Pantry, Barbara Jean Barker Scholarship Fund, Hugh O'Brien Youth Scholarship and Mabel Young Music Scholarship.

Along with very generous donations from town businesses and organizations we were able to purchase and hang wreaths in town for the Christmas season.

Many service clubs and organizations have seen declining membership and Fortnightly is no exception. If you would like to find out more about Fortnightly and join us in giving back to our community, join in friendship and the volunteering spirit please contact a member or email Eileen Toomey at toomeyec@gmail.com.

Annual Report 2021

The Wright Memorial Library Board has seen the completion of several projects that have enhanced the appearance, safety, and over-all operation of the building.

Many thanks are owed to George and Jill Helmer and Hamilton Helmer for their continued financial assistance and support of our community library. The Helmer family's generosity has enabled the library to complete many projects over the years.

The board recognizes the support and contributions of local contractors: Mike Dundon, Karl Sbardella, and Wilson Electric.

There are many more citizens who have donated their time, money, and talents in support of the Ethan M. & Eliza T. Wright Memorial Library; you may have noticed Randy Jones taking down a tree on library property, donating his time, expertise and eliminating a hazardous situation. Thank you Randy.

Many of you have seen our latest completed "project": the front porch of our library has been completely refinished from the roof to ground level. Mike Dundon took the lead on this project ensuring preservation of the historical character of the building while meeting necessary safety concerns for patrons and staff.

Karl Sbardella and the Sbardella Roofing team replaced the porch roof at no cost to the library or town. The board is truly grateful for their generosity.

The work is never done and continues even as you read this report. The handicap access ramp is scheduled to be re-finished this spring as well as safety enhancements, installing new lighting for the back porch entrance and exterior painting. Not to mention the day-to-day operations and minor repairs that we are all familiar with ourselves.

The board is looking forward to another busy year, and we thank the Orwell community for its continued support.

The Orwell Fire Department has updated the Brush Truck with a new Skid Unit and Lights. As has often been said, the age of technology facilitates rapid advancements and improvements in all equipment, even more so in the Fire Protection Services. The Department thanks the Town and the Residents of Orwell for all the support through out the years and we look forward to doing our best to earn your continued support. We wish everyone in Orwell a Safe and Wonderful New Year.

The 60 Plus Club of Orwell

Once again it has been a challenging year when making plans to meet for lunch. The first gathering for 2021 was in July. We then continued to meet once a month at the First Congregational Church of Orwell through the end of the year. We meet the third Wednesday of the month. Our group had several new attendees.

Each month two members co-host the meeting. It's their responsibility to set up the room, make the coffee, set up the room, decorate as they choose and offer a door prize. The First National Bank of Orwell continues to furnish the meat dish for the meal, Thank you so much.

Anyone 55 or older may attend. It's a great way to visit with your friends in town. Come join us. We have decided not to gather in January or February 2022 due to COVID.

Project Report

Another year has gone by again during the pandemic. During this time, it has meant that we, the Mountain View Cemetery Association have noticed, that many more family members have visited loved ones, or just came to the cemeteries to check out the history that they contain.

Mountain View Cemetery Association takes care of our cemetery, but as directed by the selectboard we oversee the smaller cemeteries in town, also. They include Lake View, North Orwell, Hack, and Coates.

Mowing and maintenance in all town cemeteries was done by Sam James and Brian Fowler and crew. They all did an amazing job to keep them in tip top shape during the challenging weather that last year brought that kept on giving!

Sam James and help, did a lot of brush cutting around the perimeters of Lake View Cemetery (located on Mud Dock Rd.) and Hack Cemetery (located on Fisher Rd.). Awesome job Sam!

Mountain View Cemetery Association had Artistic Memorials come in and repair ten grave stones that were in desperate need of help. We plan on doing some more grave stone repairs in all the town cemeteries, in the upcoming year. We had brush cleared on the northeast corner driveway in Mountain View Cemetery by Richard Gagnon and family. Joanne Hornbeck painted the vault door to match the stones.

Mountain View Cemetery board is sad to say that our leader and President, Steve Buxton, has decided not to seek reelection. Steve has dedicated thirty years of his life to be able to tell you where every lot is in the cemetery, and who is buried there. He has learned the sections on each map, sold lots to grieving families, embraced the history that is part of the cemetery, and has made sure that all jobs got done. We hope Steve with his expertise, will still be willing to help with our new digitizing of our maps project, and help us get a grasp on selling lots.

Mountain View Cemetery Association hopes that everyone takes the time, and visits all of our town cemeteries to see what has been done, and continues to be done to improve them. We, the board, would like to THANK YOU for all the support that we get.

Mountain View Cemetery Association

ORWELL MEMORIAL DAY PARADE

12-31-21

The continuing pandemic resulted in the cancellation of the 2021 Orwell Memorial Day parade. We were able to organize a small ceremony on the town green with help from Mark Mordasky, Steve Buxton, Brock, Sara and Nate Quesnel and Fair Haven American Legion Post 49. The cancellation was a disappointment to the members of the committee and the community, but was necessary for the safety of everyone involved.

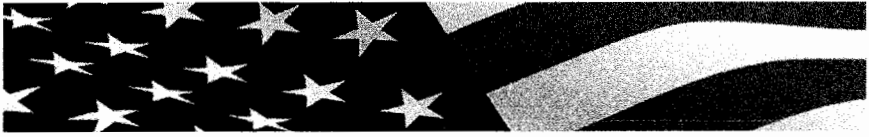

However, after discussions with the Orwell Select Board, another parade was organized for Sunday, Sept. 5th, 2021. It would become Orwell's first ever Labor Day Parade. Despite the late summer reschedule, it turned out to be well attended with familiar performers and organizations of years past, plus a few new surprises. Nearly everyone we spoke to were happy to have something 'normal' take place. We've always known how much the parade means to Orwell, but now it seemed to take on a new purpose as a sign of better times to come.

The committee looks forward to returning our parade to Memorial Day weekend 2022 and honoring the sacrifices made by our Veterans.

Please help us make the 2022 parade the best ever. We will need volunteers to assist along the parade route and at the ceremony on the town green after the parade. If you are interested, contact a committee member, message us through our facebook page or stop into the Orwell town office.

Thanks to the Orwell Fire Dept. and Orwell First Response Squad for traffic control in the village. Special Thank You to everyone who came out to support the parade in 2021.

The Town Green Committee held their first meeting in May of 2021. Committee members, appointed by the Select Board are: Joe Andriano, Andy Buxton, Rex Corey, Joanne Hornbeck, Kate Hunter, and Dan Werner. The committee was charged to recommend a comprehensive plan for the Village Green and to investigate cost and funding sources.

We began our work reviewing the general condition of the Green; the landscape, the trees, the bandstand, the war memorials, accessibility, and walkability to and within the Green. We searched for any grant opportunities and programs that might fit our needs.

One of our first efforts was to conduct a tree survey to obtain a general condition of the Green's trees. Chris Olson, the County Forester visited the Green in June and gave recommendations. The State (Department of Forest, Parks, and Recreation) has a grant program - Communities Caring for Canopies that can be used for several initiatives pertaining to tree health and development. We decided to incorporate several of Mr. Olson's recommendations into a grant application. The application was submitted in late December to meet the January 7th deadline. Our grant application is for \$14,702 and requested \$5,000 in grant funds (the maximum amount available). The balance of the project cost (Town share) will be a combination of volunteer labor and general funds. The committee welcomes volunteers to come forward and help assist with the project. Our project includes conducting a comprehensive tree inventory, composting and mulching beneath the trees, hosting an educational experience with the Village School children, planting new trees, and contracting for tree canopy trimming. The grant award is expected this spring. We hope we are successful.

While checking into other grant opportunities we learned that a Municipal Planning Grant might be available. While it may not help with specifics within the Green, this planning grant can help garner community support with future planning efforts in the downtown area while incorporating the Green in that plan. A grant application was submitted and the Town recently received notice that we were successful.

The effort to move forward with a replacement bandstand began with a search for architectural services. The Town has contracted with Harris and Harris, Inc. of Lincoln, VT to assist us with project needs and development. Harris and Harris have documented and photographed the

existing structure for historical purposes. We have recently reviewed a floor plan of a new structure and they will begin elevation sketches soon.

The Green Committee is looking for volunteers to begin development of a not-for-profit organization to begin the fund-raising process for the new structure. If you have fund-raising skills and want to be a part of this valuable initiative for the Town, please contact a member of the committee.

As mentioned above, the Committee has identified accessibility and walkability issues as detriment to the function and enjoyment of the Green. We have discussed the possibility of a future Bike-Pedestrian Grant Application to VTrans to address some of these issues.

It has been a busy and rewarding first 8 months since the Committee was formed. We hope to bring pride and community enjoyment of our Green for all of us.

Respectfully Submitted,

Town Green Committee

**ORWELL
EMERGENCY MANAGEMENT
TOWN REPORT: 2021**

As Vermont faces an ever-evolving global landscape of natural and man-made threats, coordinating the Town of Orwell's preparedness, response, recovery, and mitigation efforts is our sole purpose.

Orwell Emergency Management works at the behest and direction of the Orwell Selectmen, and in concert with our community's EMS, Fire and Town Road Crew to assist in coordination of manpower, and supplies, as well as the opening of a community shelter, should the need arise. OEM also works with our neighboring towns' mutual aid agencies, Vermont Emergency Management, as well as the Vermont Department of Health, as evident throughout the current pandemic.

Like you, we had high hopes that COVID-19 would be a thing of the past, but 2021 proved us all wrong. Despite the vaccine rollouts and other mitigation efforts, this insidious virus has continued to plague us. OEM spent a good part of 2021 sharing COVID safety precautions, testing and vaccination sites - via in-town signage and in our daily social media efforts. But, believe it or not - COVID wasn't the ONLY focus on our radar, as we also reported on impending seasonal storms, power outages, road hazards and closures, high heat dangers, freezing weather emergencies, and ongoing scam alerts.

In May of 2020, we installed four colorful *Community Share Sheds* against the ramp leading into the Orwell Free Library. They have been attended to by a dedicated group of individuals who keep them filled with books, magazines, games, puzzles, food and personal hygiene items. *Little did we know just how popular they would become!* In June of 2021, they were moved to a permanent location down

the Library parking lot - just beyond the green bottle and can donation shed, at the invitation of the Orwell Masonic Lodge,

Although the *Orwell Food Shelf* was established in December of 2020, it has continued to be a valuable year-round vital resource for many of our local residents. Located to the right as you enter Buxtons Store - in the bay window area, all of the items displayed are available for FREE and are easily identified by a red heart sticker in place of a price tag. The food shelf's slogan, of "*Take what you need; give what you can*" leans heavily on Orwell's long history of an independent, yet community supportive mindset. The incredible participation of our friends and neighbors only proves compassion lives deep within Orwell.

*Should anyone have any questions or comments,
please feel free to contact any one of us.*
