Re: Public Records Request

Dear Mike:

I am writing in response to your letter to Secretary Spaulding dated December 8, 2011 requesting the production of public records. Please be advised this request will require considerable research. Therefore, pursuant to 1 V.S.A. Section 318, I am notifying you that the State will require additional time to respond to the request. I hope to provide a response to you on or before December 22, 2011.

In accordance with 1 V.S.A. Section 316, the State may also charge for the production of any records you request. At present, I cannot accurately estimate the staff time and potential costs that could be incurred. I will, of course, advise you once I have more complete information about the costs.

Please give me a call if you have any questions.

Very truly yours,

Kate G. Duffy
