

PETER SHUMLIN
Governor

State of Vermont
OFFICE OF THE GOVERNOR

December 12, 2016

Margaret Murray
150 Elm Street
Montpelier, VT 05602

Dear Ms. Murray,

You have asked the Governor for certain email correspondence of former Commissioner Noelle MacKay. We have previously explained that the Governor's Office is not the custodian of the email of former Commissioner MacKay, and we have recommended that you follow up with the relevant department directly. In the context of Access to Public Records Act requests, and when the Governor's Office is not the custodian of the records sought, we direct requesters to follow up with the appropriate agency or department directly to avoid confusion about the deadlines under the law. We again invite you to contact the Department of Housing and Community Development directly. We are happy to again advise the Department of your interest in the records of former Commissioner MacKay, and that you will be in touch with them directly. Below please find the Department's website, which includes a full staff directory and contact information. In addition, please see below phone number and physical address of the Department.
