21 or a designated employee of the board to examine claims against the district for

1 center expenses, and draw orders for such as shall be allowed by it payable to

6 clerk and chair, or a majority of the board, showing to whom, and for what

13 each grant awarded shall be reduced proportionately. Transportation grants
14 paid under this section shall be paid from the education fund and shall be
15 added to adjusted education payment receipts paid under section 4011 of this
16 title.

17 (b) In this section, "allowable transportation expenditures" means the costs
18 of transporting students to and from school for regular classroom services and
19 shall not include expenditures for transporting students participating in
20 curricular activities that take place off the school grounds nor for transporting

1 students participating in cocurricular activities. The state board of education
2 shall further define allowable transportation expenditures by rule.

3 (c) A district may apply and the commissioner may pay for extraordinary
4 transportation expenditures incurred due to geographic or other conditions such
5 as the need to transport students out of the school district to attend another
6 school because the district does not maintain a public school. The state board
7 of education shall define extraordinary transportation expenditures by rule.

8 The total amount of base year extraordinary transportation grant expenditures
9 shall be \$250,000.00 for fiscal year 1997, increased each year thereafter by the
10 annual price index for state and local government purchases of goods and
11 services. Extraordinary transportation expenditures shall not be paid out of the
12 funds appropriated under subsection (b) of this section for other transportation
13 expenditures. Grants paid under this section shall be paid from the education
14 fund and shall be added to adjusted education payment receipts paid under

Sec. 20. VOTE TO CREATE THE PATRICIA A. HANNAFORD REGIONAL TECHNICAL CENTER SCHOOL DISTRICT

(a) 16 V.S.A. § 1574 requires a vote to establish a regional technical center school district to be warned as a special meeting of each town school district, incorporated school district, unified union school district, and city school district within the technical center region. Further, 16 V.S.A. §§ 1574 and 1575 provide that, at the discretion of the planning committee for the district, ballots cast to establish a regional technical center school district may be either counted in each participating school district and the results certified to the commissioner by each clerk or commingled and counted at a central location by appointed members of each participating school district.

(b) The report of the planning committee to create the Patricia A. Hannaford Regional Technical Center School District prohibited ballots cast in the vote to adopt the governance structure from being commingled. The vote held on March 2, 2004 to establish the Patricia A. Hannaford Regional Technical Center School District was warned as a meeting of the three union high school districts rather than as a special meeting of each member school district. Votes were cast in each member school district as part of each union school district's annual meeting ballot, and the ballots were transported to a central location in each union school district and commingled. The commingled vote tallies were then certified to the commissioner of education by each of the three union school district clerks. Based on the certifications by the three clerks, the proposal to establish the new regional technical center school district passed by the total vote of 5,229 for the proposal and 2,201 against the proposal, with 246 spoiled or blank ballots.

(c) Notwithstanding the fact that the meeting was warned and conducted as part of three separate union district meetings rather than special meetings of each member school district, and notwithstanding the fact that the ballots were commingled rather than counted in each member school district and certified to the commissioner of education within ten days of the vote, the general assembly declares that the vote held on March 2, 2004 to adopt the governance structure shall be valid. Further, the commissioner of education shall be authorized pursuant to 16 V.S.A. § 1575 to declare the existing governance structure of the Patricia A. Hannaford Career Center to be void, the region to be designated a technical center school district, and the new governance system to be authorized, all as of the date specified in the report.

1 unusual or unexpected nature. These funds shall not be used for exceptional
2 circumstances which are funded under section 2963a of Title 16. A decision of
3 the commissioner as to eligibility for assistance and amount of assistance
4 received shall be final. *See P. 15a - 16a for Secs. 18a, 19 and 20*

5 ²¹ Sec. ~~19~~. REPEAL

6 The following are repealed:

7 (1) 16 V.S.A. § 1165(d), relating to filing of a school alcohol and drug
8 abuse policy with the commissioner of education.

10 teachers.

11 (3) Subchapter 2 of chapter 7 of Title 18, including the subchapter title
12 and §§ 351 – 354, relating to a school of dental hygiene. *See P. 14a for (4)*

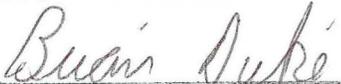

13 ²² Sec. ~~20~~. EFFECTIVE DATES

14 (a) Sec. 10 of this act shall take effect on January 1, 2005.

15 ^c *See P. 14a for (b)*
