Subject: RE: S.40 (higher ed funding) Final Bill Review

Sent: Thu 5/22/2014 12:05 PM

Hi Jessica,

There isn't really anything in here that impacts our agency of K-12 schools. I can do a brief bill review to that affect, and that we support this study because this is certainly an issue. Beyond that I don't think we have a deep amount of response.

I assume you are also asking the Vermont State Colleges for a review?

Thank you,

Jill
