Subject: responding to public records request

Ms. Levitz,

I write in response to your public records request dated September 8, 2016. This office is not the custodian of Robert Sand's records. You may wish to contact Mr. Sand's former employer, the Vermont Agency of Transportation. Contact information for that agency is linked here: <http://vtrans.vermont.gov/contact-us>

I hope this information is helpful to you.

Thank you,
