Thanks very much.

Here is an update if the committee finds it helpful.

Afghan/ Refugee Arrivals to Date

To date in this fiscal year, Vermont has welcomed approximately 240 Afghan refugees and approximately 30 refugees from other countries. The resettlement agencies have indicated capacity to receive up to 120 more which could include both Afghans and refugees from other countries. It is expected that this second phase will begin in April. Major areas of resettlement include Chittenden County, Montpelier, Rutland, Brattleboro and Bennington.

Thanks
Tracy.
