Hi Sue et al,  
Wanted to reach out to you all about H-595, the Potable Water Bill. I understand that the Bill has not yet been received by the Gov office at this time. I just learned that there may be some troublesome language in the bill that we may want to be aware of and discuss. I believe ANR is supposed to write up the bill briefing so I thought we might want to discuss a bit beforehand.

Thanks  
chuck
